NOTICE OF PUBLIC HEARING

The West Branch City Council and Planning Commission will jointly hold a public hearing on Tuesday, June 27, 2017 at 6:02 p.m. in the Council Chamber of City Hall, 121 N. Fourth St. The purpose of the hearing is to take public comment on proposed changes to the noise ordinance. Copies of the current noise ordinances are available for public review and inspection at City Hall during normal business hours. Parties interested are asked to please attend the hearing and share their comments before Council considers making any decisions on the matter. Parties who cannot attend the hearings in person may submit their comments in writing via mail or email to City Hall. All written correspondence can be mailed to City Hall, 121 N. Fourth St., West Branch, MI 48661 or emailed to cityhall@westbranch.com. Any questions concerning this public hearing can be directed to West Branch City Hall at (989)

Accommodations are available upon request to persons with disabilities who require alternately formatted materials or auxiliary aids to ensure effective communication and access to City meetings or hearings. All requests for accommodation should be made with as much advance notice as possible by contacting City Clerk, John Dantzer at (989) 345-0500.

Noise Ordinance

TITLE IX: GENERAL REGULATIONS

- 90. Animals
- 91. Fire Prevention
- 92. Nuisances; Weeds
- 93. Parks and Recreation
- 94. Streets and Sidewalks
- 95. Noise
- 96. Littering

NOISE

§ 95.1 REPEAL AND REPLACEMENT OF PREVIOUS CHAPTER 95.

The enactment of this Chapter regulating noise shall serve to replace the previously repealed Chapter 95, entitled "UNLICENSED OR INOPERABLE VEHICLES."

(Ord, passed 09-01-2015)

§ 95.2 PROHIBITED NOISES.

- (a) Generally. It is unlawful for any person to make, continue or cause to be made or continued any loud, unnecessary or unusual noise or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others. Any violation of the enumerated acts below constitutes a civil infraction subject to the fines and penalties enumerated in § 10.99 of this Code, or as otherwise established by Council resolution.
- (b) Enumerated. The following acts, among others, are declared to be loud, disturbing, and unnecessary noises in violation of this article, but this enumeration is not exclusive:
- (1) Horns, signaling devices, etc. The sounding of any horn or signaling device on any automobile, motorcycle, or other vehicle on any street or public place, except as a danger warning, the creation by means of any such signaling device of any unreasonably loud or harsh sound, the sounding of any such device for an unnecessary and unreasonable period of time, the use of any horn, whistle or other device operated by engine exhaust, and the use of any such signaling device when traffic is for any reason held up;
- (2) Radios, stereos, etc. Except as otherwise permitted by the City Council or the City Manager, as hereinafter prescribed, the use, operation or permitting the use or operation of any radio or receiving set, musical instrument, stereo, or other machine or device designed for the production or reproduction of sound in such a manner as to disturb the peace, quiet and comfort of others in the vicinity, or with a volume louder than is necessary for convenient hearing for the person or persons who are in the room, vehicle or chamber in which the device is operated and who are

voluntary listeners. The operation of any of the above-named devices between the hours of 11:00 p.m. and 7:00 a.m. or in such a manner that the noise is plainly audible at a distance of 50 feet from the source of the noise will be prima facie evidence of a violation of this subsection;

- (3) Loudspeakers, amplifiers for advertising. The using, operating or permitting to be played, used or operated any radio receiving set, musical instrument, phonograph, loudspeaker, sound amplifier or other machine or device for the producing or reproducing of sound which is cast upon the public streets for the purpose of commercial advertising or to attract attention of the public to any building or structure;
- (4) Yelling, shouting. Except as otherwise permitted by the City Council or the City Manager, as hereinafter provided, yelling, shouting, hooting, whistling, or singing on the public streets or any other public place, between the hours of 11:00 p.m. and 7:00 a.m., or at any time or place so as to annoy or disturb the quiet, comfort or repose of persons in any office, or in any dwelling, hotel or other type of residence, or of any persons in the vicinity;
- (5) Engine exhausts. The discharge into the open air of the exhaust of any steam engine, stationary internal combustion engine, motor boat, or other motor vehicle except through a muffler or other device which will effectively prevent loud or explosive noises;
- (6) Defect in vehicle or load. The use of any automobile, motorcycle, or other vehicle so out of repair, so loaded, or in such manner as to create loud and unnecessary grating, grinding, rattling or annoyance;
- (7) Loading or unloading; opening boxes. Creation of a loud and excessive noise in connection with loading or unloading of any vehicle or the opening and destruction of bales, boxes, crates, and containers;
- (8) Construction or repair of buildings. The erection (including excavation, demolition, alteration or repair) of any building other than between the hours of 7:00 a.m. and 6:00 p.m. on weekdays, except in case of urgent necessity in the interest of public health and safety, and then only with a permit from the City Council or the City manager, which may be granted for a period not to exceed three days or less while the emergency continues and which may be renewed for periods of three days or less while the emergency continues. If the City manager determines that the public health and safety will not be impaired by the erection, demolition, alteration or repair of a.m., and if he further determines that loss or inconvenience will result to any party in interest, he may grant permission for the work to be done during the hours of 6:00 p.m. and 7:00 a.m. upon impair the public health and safety, then such permit may be revoked by the City Council or the City manager;
- (9) Schools, churches, hospitals. The creation of any excessive noise on any street adjacent to any school, institution of learning, church, hospital, or court while the same is in session, which interferes with the work of the institutions or which disturbs or unduly annoys patients in the hospital, provided that conspicuous signs are displayed in such streets indicating that the same is a street upon which a school, hospital or church or court is located;
- (10) Hawkers and peddlers. Shouting and crying of peddlers, hawkers and vendors which disturbs the peace and quiet of the neighborhood;
- (11) Drums for commercial purposes. The use of any drum or other instrument or device for the purpose of attracting attention to any performance, show or sale by creation of noise;
- (12) Transportation of materials. The transportation of any material over the streets and other public places so as to cause loud noises or so as to disturb the peace and quiet of such streets;

- (13) Pile drivers, hammers, etc. The operation between the hours of 7:00 p.m. and 7:00 a.m. of any pile driver, steam shovel, pneumatic hammer, derrick, steam or electric hoists or other appliances, the use of which is attended by loud or unusual noise;
- (14) Blowers, fans, engines. The operation of any noise created by any blower or power fan or any internal combustion engine, the operation of which causes noise due to the explosion of operating gases or fluids, unless the noise from the blower is muffled and the engine is equipped with a muffler device sufficient to deaden the noise.
- (15) Compression release engine braking; "Jake braking." Noise created by semis or other vehicles due to compression release engine braking, or "Jake braking."
- (c) Approval from City Council or City Manager.
- (1) Any person, firm, or entity proposing to conduct any activity or operate any sound producing device which is reasonably expected to produce a sound or occur at a time in violation of this section shall apply to the City Manager for a permit to allow such conduct or the use of such device. In determining whether to issue such permit, the City Council or the City Manager shall
- a. The date and time of the proposed conduct;
- b. The location of the proposed conduct;
- c. The nature and proximity of other dwellings and/or uses;
- d. The type of proposed conduct and/or the type of device proposed to be used; and
- e. The purpose for such conduct or the use of such device.
- (2) The foregoing permit process shall apply only to those noises prohibited under subsections (b)(2) and (b)(4) above. Any permit issued by the City Manager shall specify the date, time, location, and duration of the permitted activity. The City Council or the City Manager may impose such other restrictions or conditions upon the issuance of such permit as it may deem appropriate and/or necessary in the interests of the public health and welfare.

(Ord, passed 09-01-2015) Penalty, see § 10.99

§ 95.99 EFFECTIVE DATE; PUBLICATION

This ordinance shall become effective upon publication of a notice in a newspaper circulated in the City, stating the date of the enactment and the effective date of the ordinance, a brief notice as to the subject matter of this ordinance, and such other facts as the City Clerk shall deem pertinent, and that a copy of the ordinance is available for public use and inspection both on the city website and at City Hall.

§ 153.04 NOISE CONTROL.

- (A) Excessive noise is hereby declared a nuisance. All loud or repetitive noises or sounds or annoying vibrations that offend the peace and quiet of persons of ordinary sensibilities are hereby
- (B) Each of the following offensive specific acts is declared unlawful and prohibited, but this enumeration shall not be deemed to be exclusive:
- (1) Animal Noises. The keeping of any animal, which, by causing frequent or long, continued noises, shall disturb the comfort or repose of ordinary sensibility.
- (2) Construction Noises. The erection, including excavating therefore, demolition, alteration, construction or repair of any building or street or road, except between the house of 7:00 a.m. and
- (3) Sound Amplifiers. Use of any loud speaker, amplifier or other similar instrument or device, whether stationary or mounted on a vehicle, shall be subject to the following restrictions:
- (a) The only sound permitted are music or human speech and they are subject to the requirements
- (b) The loudspeaker, amplifier or other similar instrument or device may be used only between the hours of 7:00 a.m. and 8:00 p.m.
- (C) Exceptions. None of the prohibitions contained in §153.04 (A) and (B) shall apply to or be enforced against:
- (1) Emergency Vehicles. Any police or fire vehicle or any ambulance, when engaged in emergency
- (2) Street or Highway Maintenance and Construction. Excavations or repairs of bridges, streets, or highways by or on behalf of the City or the State of Michigan when the public safety, welfare or convenience of the City or State so requires.
- (3) Council Resolution. The Council may by resolution modify the time limits in this subsection.

127 So. Livingston St. West Branch, Michigan June 15, 2017

Dear West Branch City Council Members:

I am writing regarding Noise Ordinances, citizen input thereto, and Council perspectives on the jurisdiction. There is no question that Nuisance Noise -- and noise pollution in general -- are serious issues within the realm of the "Common Good" that any municipality must address. The sociological and scientific literature is rich with information on the effects of Noise Pollution on human health, both mental and physical. (I've suffered the effects, and have sought relief in study.) I have definitely been affected and my quality of life as a City resident diminished by the loud noises of the band practicing in the print shop by the river. It's one thing if there's an occasional disruption of peace, and most people are tolerant of such; part of the problem with "Revolver's" impact is the regularity of the disruption. I have actually stayed from my home on evenings I know they will be sending out the disruption. Other evenings, as I head home, I glance in at the parking lot, and when I see the cars assembled for practice, my heart sinks. Obviously, not everyone is affected this way. (Witness Councilman Weiler.) One factor affecting my situation is that the racket travels right down the river corridor to my house. (Should I have to close my windows in the summer? Actually, I've tried that, but it doesn't help much . . . and my bedroom faces the "incoming.") I definitely have heard others speak negatively about the disruption in the hoped-for quiet of the evening. I have never gone to the City and complained; that's not really my style. My first idea, several years ago, when this noise started to regularly affect my quality of life, was to go to the owner of the printing shop and ask if he and the band might consider insulating the practice room. However, there too, I hesitated to stand out. I'm sure the band uses the building because some are the owner's friends. I know at least one of the members, and like him.

The point is, to me, even if a definite minority are affected, that does not negate the effect. Government has responsibility for the welfare of any and all constituents, and the Common Good supersedes any individual entity. I hope that Council members can take the time to read into the information regarding effects of noise pollution on health and general well-being and also on how other governing entities have had to deal with this issue.

Ordinance 153.04 is actually quite well thought out, well-written, and well-adopted for the public good. It's totally reasonable. I trust Council will not rush to change it. (I obtained copy when this first became a problem.) The idea that abrasive Nuisance Noise might be allowed until 11:00 P.M. is . . . is . . . unbelievably unacceptable. (Lots of people go to bed by 9:00 P.M.!) It would seem that the intent of the Ordinance is that Nuisance Noise is unlawful at any time [153.04 (A)], but latitude of enforcement is afforded reasonable public noise, with stricter enforcement during the hours listed. The band practice obviously affects certain sectors of the city. Certain sounds, for example the bass,

(OVER, Please)

come through worse than others and the *repetitive* intrusion is a factor. It's not always possible to block it out or find a way to ignore it. There have been times, albeit not always and, thankfully, not recently, when it continued to nearly 10:30 P.M. The resident who complained has my total empathy. And, her reasons are absolutely valid as far as her children's welfare. (The issue, though, is the general [Common] welfare.)

Whatever else comes down with this governance, the time parameters are critical! And the Common Good must be held paramount.

The common perception seems to be that people, generally, do not -- or cannot -- attend public hearings. And, I understand the feeling that surveys can be non-productive, especially considering the work needed to conduct them. For myself, I would certainly attend on June 27th and express my concerns in person, but I will be out-of-town. Please consider my input, herein.

In summary, I must say that, contrary to some comments made at Council's discussion of this situation -- as reported: it is an issue -- regardless that it's "been going on forever," or that there have been few complaints.

Thank you.

Yours sincerely,

Greg Destrates

Greg DeMatio

P.S. Sorry it took me this many words to try to make my points. And thanks for sticking with me and reading this through. (I mean that.)

M-55 West Branch Corridor Planning Improvements

2017

- 1. Trunkline Mainstreet Guidance Manual Transportation Bonanza Is the outcome from this manual to turnback main streets to the locals? Have M-55 in the city of West Branch under city jurisdiction to make it easier to do projects? Patty O'Donnell, MDOT North Region Planner stated that the Manual was a lot more and that could be one option. We discussed about working with MDOT on streetscape possibilities and that I would ask if we would consider a turn back of M-55 just within the city limits. Also, will check if MDOT would gap out a section of trunkline for local jurisdiction.
- 2. M-55 Streetscape "downtown/main street"
 - Develop an alternate truck route
 - Road diet to add bike lanes

Sample:

<u>Highways</u>: How can our road system and corridors serve the community's mobility, land use, and economic development needs in a safe manner while linking the other pieces of our transportation? Recommendation: Evaluate the current road system to ensure mobility and safety needs are met.

Action: Look to connect and complete existing roads to improve the mobility through the community.

Action: Work to improve inter-regional corridors.

Action: Utilize heavy highway haul corridors to transport larger loads for maximum efficiency.

Action: Maintenance

Land Use:

Transportation impacts of development choices: the community should look at new or redevelopment activities that will impact the road network.

Complete Streets/Multi-modal: promote walking, biking, trail use, and transit as transportation options.

ROAD DIET

Potential Location

Traffic Review

- 1. **Road Diet Checklist**: The work below is paid for by the municipalities. *Engineering*:
 - a. If the local municipality (city, village, township) within which the Road Diet is being considered has adopted a Transportation Plan, Master Plan and/or Complete Streets Policy, the Road Diet has been incorporated into that plan/policy and the regional planning agency has provided a letter or resolution in support of the Road Diet.
 - b. The local municipality's governing body has passed a formal resolution in support of the Road Diet.
 - c. A public meeting to which all road users were invited, including area residents/business owners and commuters, has been held.
 - a. A SYNCHRO (modeling) analysis has been performed under proposed conditions and future traffic volumes (Future traffic volumes refer to 10-20 years out when reestablishment of curb lines is required; 3 years out when only striping and signing changes are required) and shows that a reasonable Level of Service will be maintained during the peak hour at all signalized and major unsignalized intersections. A reasonable Level of Service is defined as D or better for urban and C or better for rural/between. All individual intersection movements with Level of Service D or worse have been further analyzed, and delay mitigation techniques have been identified and incorporated into the design. Seasonal fluctuations in traffic volumes have been analyzed, where appropriate.

Complete Streets:

- a. Additional accommodations for non-motorized users (i.e. bike lanes, pedestrian refuge islands) have been considered and, where appropriate, incorporated into the design of the Road Diet. It is predicted that the Road Diet will result in an improvement in pedestrian mobility.
- b. If bus routes exist within the Road Diet influence area, additional accommodations for maintenance of safe loading and unloading zones have been considered and, where appropriate, incorporated into the design of the Road Diet.
- c. The impacts of trucks and busses stopping for at-grade railroad crossings within the Road Diet influence area have been determined and, if necessary, accommodations have been incorporated into the design of the Road Diet.

Geometric Operations:

- b. Turning movements at all signalized and major unsignalized intersections have been analyzed for the appropriate design vehicle and determined to be acceptable.
- c. Where on-street parallel parking is proposed, all affected intersections have been analyzed for intersection sight distance and determined to be acceptable.
- d. Potential timing and/or phasing changes to existing traffic signals have been identified and vetted through the Traffic Signals Unit for incorporation into the Road Diet.
- e. A Highway Safety Manual analysis has been performed and predicts an overall crash reduction as a result of the Road Diet under future traffic volumes (Future traffic volumes refer to 10-20 years out when reestablishment of curb lines is required; 3 years out when only striping and signing changes are required)

- f. A cost estimate that accounts for all above items has been developed for the Road Diet.
- 2. Pilot striping: After most of the above is completed and then the striping is paid for by the municipalities.

ACCESS MANAGEMENT

- Access Management inventory
 - 1. Has the City completed an inventory?
- Access Management:
 - 1. Develop a City Plan
 - 2. Ordinances, zoning, site plan reviews

STRATEGY:

Potential Funding Opportunities

MI Department of Transportation - Transportation Alternatives Program

Overview

The Transportation Alternatives Program (TAP) is a competitive grant program that uses federal transportation funds designated by Congress for specific activities that enhance the intermodal transportation system and provide safe alternative transportation options. Approximately \$23 million is available annually. Of this, approximately \$16.5 million is available through a competitive grant process.

Eligible Activities

The following activities are eligible for TAP funding:

- Facilities for pedestrians and bicyclists, including traffic calming and other safety improvements
- Safe routes for non-drivers
- Conversion and use of abandoned railroad corridors for trails also active rail with trail
- Turnouts, overlooks and viewing areas (not acquisition)

Program Requirements

- Eligible applicants include county road commissions, cities, villages, transit agencies, state and federal natural resource or public land agencies, and tribal governments. Other organizations such as townships or trail groups, may work with an eligible agency to apply.
- TAP funding requires matching funds of at least 20 percent of the eligible project cost. Additional
 consideration is given to projects whose match exceeds the minimum required. The competitive
 percent is 35-40%.

Transportation Economic Development Fund (TEDF) - Overview

The mission of the Transportation Economic Development Fund (TEDF) is to enhance the ability of the state to compete in an international economy, to serve as a catalyst for economic growth of the state, and to improve the quality of life in the state. The TEDF is available to state, county, and city road agencies for immediate highway needs relating to a variety of economic development issues. The TEDF provides an option for meeting the often critical and urgent demands of economic development on the transportation system.

Category A:

Goal: To promote increased economic potential and improve the quality of life through the support of job creation and retention in Michigan.

Purpose: To provide funding for transportation projects to:

- o Improve the network of highway services essential to economic competitiveness;
- o Improve accessibility to target industries as a catalyst for economic growth;
- Support private initiatives that create or retain jobs; and
- Encourage economic development and redevelopment efforts that improve the health, safety, and welfare of Michigan residents.

Eligible recipients include the Michigan Department of Transportation (MDOT), all county road commissions, and all city and village street agencies.

Eligible Projects

Eligible projects are those that address a transportation need (capacity, condition, safety, or accessibility) that is critical to an economic development project that:

- Relates to one or more of the following target industries:
 - Agriculture or food processing
 - Tourism
 - Forestry
 - High technology research
 - Manufacturing
 - Mining
 - Office centers of 50,000 square feet or more in size
- Will create or retain permanent jobs
- Is immediate and non-speculative
- Increases the tax base of the local area if the project applicant is a local unit of government, and immediately and positively impacts local employment and the economy

Michigan Natural Resources Trust Fund (MNRTF) - General Program Information

The Michigan Natural Resources Trust Fund projects provide for natural resource protection and outdoor recreation. By law, no more than 25 percent of the Trust Fund revenues available for appropriation each year can be used for development, therefore the majority of funding is allocated for acquisition projects. Applications are accepted annually and must be submitted on or before April 1 of the year of application.

The electronic application process opens in January for the current year application cycle. Final grant recommendations are made by the MNRTF Board of Trustees in late fall and submitted to the Legislature for approval and appropriation of funds. Local grant and DNR applications are evaluated and scored by the staff in Grants Management, using criteria and a point scale established annually by the MNRTF Board. While only state and local governments may apply to the MNRTF, any individual, group, or organization may nominate land for consideration for acquisition. A nomination is a suggestion that a parcel of land be considered for DNR ownership.

MNRTF assisted project sites must be dedicated to public outdoor recreation in perpetuity. The MNRTF plaque on a park entrance sign or facility indicates that the site received MNRTF assistance.

Criteria:

Applications are evaluated using criteria established by the MNRTF Board of Trustees. Local units of government must provide at least 25% of the project's total costs as local match. Recommendations are made by the MNRTF Board of Trustees to the Governor, which are forwarded to the Michigan Legislature for final approval and appropriation.

There are 10 criteria for acquisition applications (eleven for development applications):

- 1. Need for project
- 2. Collaboration
- 3. Site quality and Project quality
- 4. Applicant history
- 5. Conversion history
- 6. Natural Resource Protection and Use/Recreation Opportunities
- 7. Financial Need of the Applicant
- 8. Urban Area Recreation Opportunities
- 9. Local Match

- 10. Entrance Fees
- 11. Universal Design (development applications only)

Priority Project Types of the MNRTF Board are:

- Trails/Greenways
- Wildlife/Ecological Corridors and Winter Deeryard Acquisitions
- Projects located within Urban Areas.

Detailed descriptions of each criterion are included in the Recreation Grant Application Guidelines booklet. Applicant Information is available at www.michigan.gov/mnrtf

Applicant Eligibility:

The state and counties, cities, townships, villages, some school districts, the Huron-Clinton Metropolitan Authority, or any authority composed of counties, cities, townships, villages or school districts, or any combination thereof, which authority is legally constituted to provide public recreation. Local units of government must have a DNR-approved 5-year recreation plan on file with the Department prior to application.

Application Process:

- 1. Submittal of a community recreation plan
- 2. Submittal of grant application
- 3. Evaluation by DNR staff
- 4. Recommendation of funding by the Michigan Natural Resources Trust Fund Board
- 5. Appropriation of project funds by the Legislature

Deadline(s):

Local community recreation plans must be uploaded to the DNR's Mi RecGrants website by March 1st of the year of application. Applications must be uploaded no later than April 1, of the year of application.

Timeline(s):

Grant awards are dependent on the appropriations process, but project agreements are normally distributed within 12 to 18 months after the application submission.

Dollar Amount(s) Limitations:

Development project minimum/maximum grant amount: \$15,000 to \$300,000. No minimum/maximum limits on land acquisition grants.

Source(s) of Funds:

Michigan Natural Resources Trust Fund **Authority:** Part 19 of P.A. 451 of 1994, as amended **Contact(s):** Grants Management

Funding Available per Fiscal Year: Based on current projections, approximately \$15-20 million will be available for grants each year. Available funds are dependent on revenue, investment earnings and interest accruing to the Trust Fund in a particular Fiscal Year.

Land and Water Conservation Fund - General Program Information

Applications are evaluated using four criteria: project need, applicant history, site and project quality, and alignment with the state's recreation plan. The fourth criterion is how well a project aligns with Michigan's

Statewide Comprehensive Outdoor Recreation Plan and is cumulative among the following categories: trails, community outdoor recreation, green technology in outdoor recreation, universal access or coordination and cooperation among recreation providers. This criterion was developed based on the 2013-2017 Michigan Statewide Comprehensive Outdoor Recreation Plan (SCORP). At least 50% of the total project cost in local match is required from local government applicants. The Michigan Department of Natural Resources (DNR) makes recommendations to the National Park Service (NPS) on which applications to fund and NPS grants final approval. Detailed information on all four criteria can be found in the Recreation Grants Application Guidelines booklet.

The DNR's use of federal Land and Water Conservation Funds is guided by the SCORP, which was developed by the DNR and approved by NPS. Projects selected for funding must be consistent with the content of the <u>SCORP</u>. (Statewide Comprehensive Outdoor Recreation Plan)

Applicant Eligibility:

Any unit of government, including Native American tribes, school districts, or any combination of units in which authority is legally constituted to provide recreation. Local units of government, tribes, school districts, and local authorities must have a DNR-approved community five-year recreation plan to be eligible.

Application Process:

- 1. Submittal of a community recreation plan
- 2. Submittal of a grant application
- 3. Evaluation by DNR staff
- 4. Recommendation by the DNR to the NPS
- 5. Final approval of project by the NPS

Deadline(s):

Applications must be submitted to Grants Management and postmarked by the U.S. Postal Service no later than April 1, each year. To be eligible to apply for a recreation grant, the applicant's recreation plan must be received by Grants Management on or before the grant application deadline of April 1, each year. To meet this deadline, it is recommended that applicants submit locally adopted recreation plans to Grants Management at least one month prior to the application deadline.

MI Department of Natural Resources Recreation Passport Grants

PA 32 of 2010 created the Local Public Recreation Facilities Fund to be used for the development of public recreation facilities for local units of government. Money for this fund is derived from the sale of the Recreation Passport which replaces the resident Motor Vehicle Permit (MVP) - or window sticker - for state park entrance. The passport is required for entry to state parks, recreation areas and boating access sites. The

first \$12,730,000.00 will be distributed to replace lost revenue from the elimination of the motor vehicle permit and boating access site permits, as well as to pay for administration by the Secretary of State. Ten percent of remaining revenue will be used to fund the Recreation Passport local grant program. The grant program may only be used for local development projects. The program is focused on renovating and improving existing parks, but the development of new parks is eligible

Ogemaw Hills Church Picnic Coordinator

Re:

Your approval

Thank you for allowing Ogemaw Hills Church to use Irons Park for our church picnic the past few years; it has always been a wonderful time of fellowship. Because we leave it open to everyone in the park and invite our families, friends and neighbors to join in on the fun it has always been a time of much enjoyment to many.

We have rented the pavilion for this year's picnic on Sunday, August 6th and plan on having a Bouncy House again for the children. May we have your permission to set it up and drive a very short distance on the grass in order to do so?

Thank you again for maintaining a beautiful park for our community to enjoy. As a resident, I personally enjoy sharing it with our family and other out of town visitors. All of who are impressed. It truly is a park to be proud of.

Sincerely,

Barbara Petrik

BOARD OPENING

The City of West Branch is seeking to fill a vacancy on the Planning Commission. The Planning Commission meets on the second Tuesday of each month and the fourth Tuesday of the month as needed at 6:00 pm at City Hall. Filling the current term will end on 12/31/2019. Applicants are asked to submit a letter of interest by June 21, 2017 with the filling of the vacancy is to be discussed at the meeting on June 27, 2017 at 6:00 pm.

The Planning Commission is an advisory body to the City Council, which is responsible for directing the short and long-range growth and development of the City through the maintenance and implementation of the City's Zoning Code, Master Plan, and other associated specific plans. It is composed of nine members with one member being from the City Council, one member the City Manager, and seven qualified electors of the City. Members are appointed by City Council, based on nominations from current members of the Planning Commission. Each Commissioner serves a three-year term with no maximum term limit.

Duties:

In order to implement the Master Plan, the Planning Commission is empowered to administer the City's zoning laws, ordinances, rules and regulations which:

- Regulate the use and appearance of buildings, structures, and land.
- Regulate signs and billboards.
- Regulate location, height, bulk, number of stores, and size of buildings and structures; the size and use of lots, yards, courts, and other open spaces; the percentage of a lot which may be occupied by a building or structure; the intensity of land use.
- Establish requirements for off-street parking and loading.
- Establish and maintain building setback lines.
- The Planning Commission also reviews environmental documents and capital improvement programs.

Desirable Qualifications:

A Planning Commissioner's primary job is to make land use decisions that are consistent with the policies and plans formally adopted by the City Council. Therefore, the first priority of a Planning Commissioner must be to develop decision-making skills and knowledge of City policies. It is not critical to have training in fields such as planning, architecture, law, civil engineering, geology, economics, or demography.

These are skills that are available to the Commissioner from staff, consultants, and the applicant. The commissioner's job is to weight the professional input given in staff reports, environmental impact reports, and consultant reports. A commissioner is much like a judge who is trained to render a legal decision based on the testimony of experts and others who appear as witnesses in a trial.

Suggested qualifications for a Planning Commissioner include:

- A willingness and ability to research and report on issues, programs and policies related to development issues.
- A willingness to attend night meetings on a regular basis.
- A willingness to assist in implementing projects as decided upon by the City Council.
- The ability to sustain harmonious working relationships with Commission members, the City Council, residents, and the public.
- A willingness to attend extracurricular meeting and training seminars related to regional planning uses.

For more details, please visit West Branch City Hall at 121 N. 4th St, West Branch, MI 48661 or visit us online at www.westbranch.com.

REGULAR MEETING OF THE WEST BRANCH PLANNING COMMISSION HELD IN THE COUNCIL CHAMBERS OF CITY HALL, 121 NORTH FOURTH STREET, ON TUESDAY, FEBRUARY 14, 2017.

Chairman Mike Jackson called the meeting to order at 6:00 p.m.

Present: Members: Bob David, Heather Grace, Mike Jackson, June Longstreet, Lisa Saurer, and Dan Weiler.

Absent: Kara Fachting, Jan Hasty, and Shirley McClenahen

Others officers in attendance: City Mayor Denise Lawrence

All stood for the Pledge of Allegiance.

As an addition to the agenda, Paul Lucynski presented site plans to change the building located at 300 W. Houghton Ave. to a restaurant. It was noted that it would not change the footprint of the building but that it has to be approved because it is a commercial plan. Mr. Lucynski noted that everything has been turned in to the County Building Department.

Chairman Jackson noted that restaurants are an approved use in that district and that since the building department will be looking at the building requirements, he could see no issues with it.

Mr. Lucynski also presented plans to install signs in the same location and would like to use the same size that the signs have always been for previous owners of the building. It was noted that those signs would be larger than what is allowed by ordinance in that district.

Manager Grace asked about having a Victorian element to the sign because it was in the downtown district. Mr. Lucynski noted that he would be using a font that was recommended in the sign ordinance for approved Victorian font.

MOTION BY DAVID, SECOND BY WEILER, TO APPROVE THE SITE PLAN AS SUBMITTED BY PAUL LUCYNSKI CONTINGENT UPON THE OUTSIDE FOOTPRINT OF THE BUILDING NOT CHANGING AND APPROVAL BY THE OGEMAW BUILDING DEPARTMENT.

MOTION BY JACKSON, SECOND BY GRACE, TO APPROVE THE SIGN PERMIT VARIANCES AS SUBMITTED BY PAUL LUCYNSKI TO ALLOW FOR LARGER SIGNS THAN ALLOWED IN THAT ZONING DISTRICT DUE TO IT BEING THE SAME SIZE AS ALLOWED PREVIOUSLY FOR THAT BUILDING CONTINGENT UPON IT HAVING A VICTORIAN ELEMENT TO THE SIGN.

MOTION BY GRACE, SECOND BY JACKSON, TO APPROVE THE MINUTES WITH CORRECTIONS FROM THE REGULAR MEETING HELD TUESDAY, JANUARY 24, 2017

IVI	otion	carried

Tom Amor and Jude Fonguh presented a sign variance for the Ogemaw Pharmacy to install a monument sign that had a total size of 18 square feet. It was noted that it was in the Office/Service District, which only allows a maximum of 12 square feet for monument signs.

Chairman Jackson noted that the zoning code allows for three different sizes of monument signs depending on what district you are in and that they may need to look into changing that.

Manager Grace noted that she agreed she was not in favor of having the different size requirements and noted that the lower size requirement was not indicative of what size the signs currently are in that district.

Mr. Fonguh noted that the smaller size does not allow him to adequately display his business name and have a corporate logo as well which would help with the cost of the sign and helps with advertising.

Manager Grace noted that she recently has received some guidance on new sign ordinances due to recent Supreme Court decisions and that they could look into changing the sizes allowed at the same time.

MOTION BY DAVID, SECOND BY GRACE, TO APPROVE THE SIGN VARIANCE AS PRESENTED BY MR. FONGUH AND ALLOW THE SIGN TO BE UP TO 24 SQUARE FEET CONTINGENT UPON HAVING THE CHIEF OF POLICE OR THE DPW SUPERINTENDENT APPROVE THE LOCATION OF THE SIGN FOR SAFETY CONCERNS AND RECOMMEND TO COUNCIL TO AMEND A CHANGE TO THE SIGN ORDINANCE TO ALLOW A MAXIMUM OF 24' SQUARE FEET FOR MONUMENT SIGNS IN THE OFFICE/SERVICE DISTRICT.

Motion	carried	

MOTION BY GRACE, SECOND BY DAVID, TO RECOMMEND TO COUNCIL TO HAVE THE CITY MANAGER DRAFT A PROPOSED ORDINANCE THAT WOULD REQUIRE THE CHIEF OF POLICE, THE DPW SUPERINTENDENT, OR ONE OF THEIR DELEGATED EMPLOYEES REVIEW ALL SIGNS PERMIT APPLICATIONS TO INSURE THE LOCATION DOES NOT INTERFERE WITH SAFETY CONCERNS DUE TO LINE OF SIGHT ISSUES.

Motion carried

A sign permit variance was submitted for Chemical Bank to allow a monument sign that would be 44 square feet. It was noted that it would be the exact same size as the sign that it is replacing. It was noted that it needed a variance because 24 square feet is the maximum allowed in the Central Business District.

Discussion centered on the fact that is was replacing a sign of the same size and they were not changing the location of the sign.

MOTION BY WEILER, SECOND BY JACKSON, TO APPROVE THE SIGNS VARIANCE SUBMITTED BY CHEMICAL BANK AS PRESENTED AND ALLOW THE MONUMENT SIGN TO BE UP TO 44 SQUARE FEET CONTINGENT UPON THE CHIEF OF POLICE OR THE DPW SUPERINTENDENT APPROVING THE LOCATION FOR SAFETY CONCERNS.

Motion carried

Chairman Jackson requested submitting a letter to Foster Oil to request that their trucks use Houghton Ave. instead of using the local streets to go to and from the pumps on South Valley St. It was noted that those local streets that they have been seen driving on do have signs saying no trucks.

Discussion took place to go over street designations within the City.
Discussion took place to go over sidewalks, parking, and striping issues throughout the City.

MOTION BY WEILER, SECOND BY JACKSON, TO RECOMMEND TO COUNCIL TO ELIMINATE PARKING IN FRONT OF RESIDENTIAL LOTS ON THE EAST SIDE OF SOUTH SECOND AND THE WEST SIDE OF SOUTH THIRD.
Motion carried

MOTION BY JACKSON, SECOND BY WEILER, TO RECOMMEND TO COUNCIL TO CHANGE HANSEN RD. AND PROGRESS ST. TO MAJOR STREETS.

Member Longstreet asked about Member McClenahen and the Commission discussed the procedure for replacing a member that is unable to continue due to health issues. It was noted that without a letter of resignation no changes could be until a member misses there meetings in a row. It was further noted that Carol Addair was interested in filling her term and that she would be more than willing to step back and let Member McClenahen take back her seat if her health returns and is able.

Member Saurer asked about the mobile stage and Manager Grace noted that the DDA has not met yet to discuss the possibility of selling the stage.

Denise Lawrence addressed the Commission about putting up a sign in town. It was noted that she would have to fill out a sign permit application and turn it into GPSCR Coordinator Kelli Collins. It was further noted that if the sign met all requirements, then it could be approved administratively by Mrs.

Member Jackson offered his thought and condolences on behalf of the Planning Commission to Planning Commission member Jan Hasty and their family on the passing of Jim Hasty.

Chairman Jackson adjourned the meeting at 7:52 p.m.

REGULAR MEETING OF THE WEST BRANCH PLANNING COMMISSION HELD IN THE COUNCIL CHAMBERS OF CITY HALL, 121 NORTH FOURTH STREET, ON TUESDAY, MARCH 14, 2017.

Vice-Chairman Bob David called the meeting to order at 6:00 p.m.

The members of the election board are up for renewal on 6/30. There are two members and they are both up for reappointment at the same time. I am not sure if that is how it has always been or if it is something that just got mixed up in the transfer from the former office staff to the current one. In order for it to work better, I would like to stagger them so one person is up for reappointment every year. I have talked with both members and they are in agreement that it would be the better way. I am requesting to reappoint Bonnie Stevens to the Election Board for a one year term to expire 6/30/18 and reappoint Diane Gavitt to the Election Board for a two year term to expire 6/30/19 and then moving forward they will all be two year appointments.

Thank you,

John Dantzer, West Branch City Clerk

EXCAVATIONS

§ 94.01 PERMIT REQUIRED.

It shall be unlawful for any person, firm or corporation other than employees of the City when in the performance of duty to excavate or dig, or to cause any excavation or digging, or to alter curb and/or gutter, or other public structure in a public street, alley or place within the City for any purpose whatsoever without first having obtained a written permit, therefore, from the City Manager or his designated representative and filing a copy of same along with such deposit as may be required together with documents evidencing the required insurance and bonds with the City Clerk who shall thereupon validate same with the seal of the City, without the seal, the permit shall be without effect.

(Ord. 156, passed 12-15-80) Penalty, see § 94.99

§ 94.02 DEPOSIT; BOND AND INSURANCE REQUIREMENTS.

Deposit and/or bond and insurance requirements for validation of a permit are as follows:

- (A) A cash deposit in an amount no less than the estimated maximum amount of the cost of restoration of the street curb, gutter or other structure in the public street shall be deposited with the City Treasurer. To insure that permittee will make the required restoration such deposit shall either be cash or a cashiers check payable to the City. In lieu of the foregoing, the permittee may provide a surety bond in such amount as to be no less than the cash deposit set forth above.
- (B) Public liability insurance in the name of permittee in such amounts as may be established by the City from time to time.
- (C) Owner's protective public liability insurance in the name of the City in such amounts as may be established by the City from time to time.
- (D) In lieu of the foregoing insurance and bonding requirements, any public utility with a franchise in force containing provisions whereby the utility agrees to hold the City harmless for loss by reason of its operations in City streets may file a letter of intent to reimburse the City for any and all costs of restoration, signing and barricading or other related work performed by City forces as a result of and made necessary by the utility's operation in City streets. Other provisions of this subchapter shall apply to public utilities in a like manner and with equal respect as to any other person, firm or corporation.

(Ord. 156, passed 12-15-80)

§ 94.03 PERMIT FEE; CONTENTS.

The fee for a permit shall be \$5 which along with estimated restoration costs as provided in §§ 94.06 and 94.07 shall be paid by the applicant at the time the permit is issued. The permit required herein shall state the following:

- (A) Name and address of owner, agent or other party for whom the work is being done.
- (B) Name and address of builder, contractor or agent having charge of such work.
- (C) Location of the work to be done.
- (D) Date to commence and estimated duration of the work.
- (E) Nature of the work.

(Ord. 156, passed 12-15-80)

§ 94.04 BARRICADES AND LIGHTS.

The applicant must provide, erect and maintain all necessary barricades, lights, warning signs and the like to properly safeguard traffic while work is in progress, and at no time shall the street or highway be closed to traffic longer than is necessary to complete the work.

(Ord. 156, passed 12-15-80) Penalty, see § 94.99

§ 94.05 FILLING EXCAVATIONS OR TRENCHES.

All excavations or trenches shall be filled in a thorough and workmanlike manner, either by flooding or hand tamping. Additional filling shall be placed if necessary in excavations or trenches that have settled, and all surplus earth or any refuse shall be removed from the street by the applicant obtaining the permit.

(Ord. 156, passed 12-15-80) Penalty, see § 94.99

§ 94.06 REPLACEMENT OF ASPHALT PAVEMENT, CURB CUTS OR OTHER STRUCTURAL ALTERATIONS WITHIN STREET RIGHT-OF-WAY.

Replacement of asphalt pavement, curbs, gutters or other public structures in the street right-of-way shall be done by City forces or by a prequalified contractor on a cost basis under City inspection. Cost of such inspection shall be set from time to time by City Council action. Estimated cost of restoration shall be made by the City Manager or his designated representative prior to issuance of a permit. Should the estimate prove to be to low, payment for the additional amount shall be made promptly by the permittee. Should the estimate prove to be too high, the amount in excess of actual cost shall be refunded promptly to the permittee.

(Ord. 156, passed 12-15-80)

§ 94.07 FAILURE TO CARRY OUT NECESSARY WORK.

In the event that any applicant shall fail to carry out the provisions of this subchapter, any work necessary therefore shall be performed by the City and the applicant shall be required to pay all proper bills rendered by the City for that work.

(Ord. 156, passed 12-15-80)

§ 94.08 CASES NOT COVERED BY REGULATIONS.

Any case not covered by this subchapter shall be passed upon directly by the City Council. (Ord. 156, passed 12-15-80)

Approval of Council Minutes & Summary

REGULAR MEETING OF THE WEST BRANCH CITY COUNCIL HELD IN THE COUNCIL CHAMBERS OF CITY HALL, 121 NORTH FOURTH STREET, MONDAY, JUNE 5, 2017.

Mayor Denise Lawrence called the meeting to order at 6:03 p.m.

Present: Mayor Denise Lawrence and Council Members Joanne Bennett, Dave Lucas, Rusty Showalter, Aaron Tuttle, and Dan Weiler.

Absent: Council Member Tim Schaiberger

Other officers present: City Manager Heather Grace, Treasurer/Clerk John Dantzer, and Police Chief Ken Walters.

All stood for the Pledge of Allegiance.

As an addition to the agenda, Manager Grace submitted a bid in the amount of \$405 yearly premium for legal malpractice insurance that Council wanted her to look into that would cover the Manager for legal work performed to decrease the amount of work needed to be sent to the City attorney.

Member Showalter noted that the City would be able to recoup that cost pretty quickly by not sending everything out to the City attorney.

MOTION BY BENNETT, SECOND BY LUCAS, TO APPROVE THE BID NOT TO EXCEED \$405 ANNUALLY FOR MALPRACTICE INSURANCE WITH A \$100,000 MAXIMUM COVERAGE PER OCCURRENCE AND \$300,000 AGGREGATE MAXIMUM WITH A \$0 DEDUCTIBLE.

Yes - Bennett, Lawrence, Lucas, Showalter, Tuttle, Weiler

No - None

Absent -Schaiberger

As another addition to the agenda, Manager Grace updated Council on the health insurance renewal. She noted that the options of including orthodontics on the dental insurance and optical insurance were looked at and quoted. She noted that due to the current younger work force and changes in policies and procedures, the current rates are much lower than they used to be and these additional coverages would not increase the annual premium much. She further noted that she would not recommend adding this coverage to the personnel policy but offering it as an optional coverage which can be renewed or eliminated yearly based on the budget.

MOTION BY LAWRENCE, SECOND BY LUCAS, TO APPROVE THE ORTHODONTICS 1,000 INSURANCE PLAN AND THE OPTICAL INSURANCE 12/12/12 PLAN FOR ONE YEAR WITH THE OPTION OF IT BEING EXTENDED ON A YEARLY BASIS BASED ON THE BUDGET.

Yes – Bennett, Lawrence, Lucas, Showalter, Tuttle, Weiler

No - None

Absent -Schaiberger

Glenda Colclassure asked about the legal malpractice insurance coverage approved and asked if the City Manager receives any additional pay above the salary when performing those duties. Manager Grace

noted that she does not receive anything additional.

Vicki Seltz Barnes addressed Council and asked to hold a pole and window decorating contest for the Relay

for Life and that she would be responsible for making sure the decorations are taken down.

MOTION BY SHOWALTER, SECOND BY BENNETT, TO APPROVE PROCLAMATION 17-06

Proclamation # 17-06

WHEREAS, each American Cancer Society Relay For Life event gives everyone an opportunity to fight cancer and help save more lives, and

WHEREAS, Relay For Life is the signature fundraising event for the American Cancer Society to help fund research and provide programs to assist cancer patients and their families, as well as our local communities, and

WHEREAS, Relay For Life events celebrate cancer survivors and caregivers coming together to be recognized for their personal fights against this disease that has taken too much, and

WHEREAS, there is a special Luminaria Ceremony at dusk to honor the memories of those who have lost their battle, celebrate those who have won, and support those whose fight continues, and

WHEREAS, the Relay For Life of Ogemaw County will be held at Irons Park in West Branch, Michigan on Saturday, July 15 from 11 a.m. - 11 p.m. for the purpose of meeting the aforementioned objectives:

NOW, THEREFORE, BE IT PROCLAIMED, that July 1 - 31, 2017 is Relay For Life of Ogemaw County month in the City of West Branch and shall be dedicated to fight against cancer, and

BE IT FURTHER PROCLAIMED, that the City Clerk is directed to install this record in the permanent record of the City of West Branch, so that future West Branch citizens may look back with pride at community involvement in this signature event.

Member Lucas shared some concerns on Brookside Cemetery including upkeep and that several headstones are tilted. Member Showalter noted that in the past they have addressed that issue and based on his memory, they contacted the family and if the family was willing to pay for a foundation, then the City would remove the headstone and reset it on the foundation.

Member Showalter noted that the blight enforcement is starting to work and that you can see the improvements to several properties.

Member Showalter also noted that he will be attending the MML summer retreat.

Member Showalter further noted that the flags will be out downtown by Flag day.

Member Bennet asked about the possibility of removing some of the ducks because they seem to be getting overly populated and is concerned for their health and safety. Manager Grace noted they can look into applying for a permit to remove some of the ducks.

Member Bennett asked about the status of the DPW opening. Manager Grace noted that they are looking at applications at the next department head meeting and that they do have one interview already set up.

Member Weiler asked about the status of the no parking zones that were approved at a previous meeting. Manager Grace noted that Chief Walters and Acting DPW Superintendent Brindley were jointly working on it and the orders for the signs needed would take place after July 1 so it falls in the next fiscal year.

Member Weiler also noted that some of the trash cans in the parks are starting to fall apart and that they look bad. Manager Grace noted that this was one issue that they were going to discuss at the next DDA meeting as well as she does have money budgeted to replace some of the cans in the next fiscal budget which begins July 1. She noted that she would be bringing some options and recommendations to Council for approval after the start of the fiscal year.

* * * * * * * * * * * * * * * * * *

Mayor Lawrence reminded everyone of the Fridays at West Branch meetings on Wednesday mornings and the upcoming Flag Day ceremony.

Mayor Lawrence noted that 205 Fitness will be shutting down after July 1.

* * * * * * * * * * * * * * * * * * *

Manager Grace updated Council on a water project that the City is working on to record and monitor valve exercising and hydrant flushing.

Manager Grace updated Council on a zoning issue with a telecommunication tower in West Branch Township that is providing internet service to parts of the City including the Industrial Park.

Member Weiler asked about the timetable and plans to get the Smiley water tower redone. Manager Grace noted that they are working on the RFP's for bids on the tower inspections that are required. Member Weiler noted that the City should look into renting space on top of the tower.

Manager Grace noted that a letter of resignation was submitted by Member Showalter for the Chair of the DDA and that they would be accepting applications to fill open seats in the DDA. She thanked Member Showalter for his many years of service to that Board.

Manager Grace noted that the applicants for the open seat on the Planning Commission would be submitted at the next Council meeting for approval.

* * * * * * * * * * * * * * * * * *

Darlene Jones addressed Council on parking issues throughout the downtown and the need for additional no parking paintings/markings.

Dave Golden addressed Council on the speaking limit policy passed and that he was not in favor of having any limits to the amount of time people are allowed to speak at meetings.

Dave Golden also addressed Council on his concern for the lack of transparency in dealing with the salary increases that were approved.

Pete Fabbri, on behalf of the Retail Merchants, noted that they will be having a meeting to organize a plan to pull people together to come up with a plan to help draw businesses to the downtown area and invited members of Council to attend.

Motion carried

Honorable Mayor and Council,

This is the May month end report. For the month of May, officers handled 116 complaints. Officers further made 15 arrests. Of the 15 arrests, 3 were for narcotics and 1 for rape.

The shooting that occurred at the end of April has been forwarded to the Prosecuting Attorney's Office, and criminal charges have been requested by my office.

I have been informed that the county plans to cut the Sheriff's Office \$668,000.00 on October 1st. This will essentially eliminate their road patrol. It remains to be unseen how this will affect our department. I continue to meet and work with Lt. Luty from MSP in regards to the changes.

Respectfully,

Chief Kenneth W. Walters

Investment Policies for Surplus Funds

What is an investment policy?

A written investment policy serves as a working document that directs the investment activities of a public corporation, including a city or village, and attempts to protect the corporation from potential losses stemming from unsuitable investment practices. It is required under section 5 of the Investment of Surplus Funds of Political Subdivisions Act, MCL 129.91 et seq. Section 5 became effective December 30, 1997. It can limit liability and address problems inherent in the investment function before newsworthy losses take place.

Municipal finance directors and treasurers typically manage the investment of a municipality's surplus funds. (These are not surpluses in the budgetary sense, but funds not required for immediate operating needs). The foundation to a successful investment program is establishing a municipal investment policy. Elected officials, chief administrators, finance officers, and treasurers must work together to develop the policy.

Developing an investment policy

- Gain support for the development of a formal investment policy from top management
- Involve the elected officials and make the policy development an educational process for the council.
- Gather documentation (i.e. current procedures/state law/ordinance/current investment agreements).
- Once written, have the policy approved by the governing body as an ordinance or resolution.

Recommended components of an investment policy

- 1. Scope Include a broad statement describing its scope and identifying what funds are included or excluded from the policy.
- 2. Objectives Include a concise statement of objectives.
- 3. Delegation of Authority Investment decisions generally come from local ordinances and charters. Identify those ordinances and charters that are being followed.
- 4. Prudence Language regarding ethics and conflicts of interest.
- 5. Investment Instruments Lay out specifically which instruments are allowable investments for the government.
- 6. Selection of Investments Specify whether selected on a competitive basis or by real-time market data via electronic information sources.
- 7. Qualified Institutions Must conduct an investigation of each institution.
- 8. Diversification Address three areas of diversification: diversification by investment instrument, by financial institution, and by maturity.
- 9. Safekeeping and Custody Clearly identify the government's safekeeping and collateralization requirements and procedures.
- 10. Collateralization Should specify what types of collateral will be acceptable and what limits are required.
- 11. Internal Controls Should require the development of written internal controls in the form of a separate procedures manual.
- 12. Monitoring and Adjusting the Portfolio Indicate that the portfolio is monitored and adjusted periodically.

- 13. Accounting Requirements Include a statement on the accounting method used.
- 14. Reporting Requirements Specify what types and frequency of reports will be generated on a regular basis and who will review the reports.
- 15. Investment Committee If an investment committee is to be used, include a discussion of the number, make up, and authority of the committee.
- 16. Performance Evaluation Include a section on performance evaluation that identifies minimum yield standards or a benchmark against which investment return can be measured.

VILLAGE OF ONTONAGON INVESTMENT POLICY ADOPTED JULY 9, 2012

Purpose: It is the policy of the Village of Ontonagon to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow needs of the Village and comply with all State statutes governing the investment of public funds.

Scope: This investment policy applies to all financial assets of the Village. These assets are accounted for in the various funds of the Village and include the general fund, special revenue funds, debt service funds and capital project funds (unless bond ordinances and resolutions are more restrictive), enterprise funds, internal service funds, trust and agency funds and any new fund established by the Village.

Objectives: The primary objectives, in priority order, of the Village's investment activities shall be:

Safety – Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to insure the preservation of the capital in the overall portfolio.

Diversification – The investments will be diversified by security type and institution in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

Liquidity – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated.

Return on Investment – The investment portfolio shall be designed with the objective of obtaining a rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

Delegation of Authority to Make Investments: Authority to manage the investment program is derived from the following:

The Village Council's most current resolution designating depositories and MCL 64.9 requiring the Village Treasurer to be the custodian of the Village's funds. Management responsibility for the investment program is herby delegated to the Village Treasurer, under the direction of the Finance Committee of the Village Council and consultation with the Village Manager. The Finance Committee shall establish written procedures and internal controls for the operation of the investment program consistent with this investment policy. Procedures should include references to: safekeeping, cash purchases or delivery vs. payment, investment accounting, repurchase agreements, wire transfer agreements, collateral/depository agreements and banking service contracts. No person may engage in investment transactions except as provided under the terms of this policy and the procedures established by the Finance Committee. The Village Treasurer

shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials.

List of Authorized Investments: If mutual funds are authorized, a statement indicating whether the authorization is limited to securities whose intention is to maintain a net asset value of \$1 (one dollar) per share or also includes securities whose net asset value per share may fluctuate on a periodic basis.

The Village Treasurer is limited to investments authorized by Act 20 of 1943, as amended, and may invest in the following: (directly from P.A. 20)

- a) Bonds, securities, and other obligations of the United States or an agency or instrumentality of the United States.
- (b) Certificates of deposit, savings accounts, or depository receipts of a financial institution, but only if the financial institution complies with subsection (2); certificates of deposit obtained through a financial institution as provided in subsection (5); or deposit accounts of a financial institution as provided in subsection (6).
- (c) Commercial paper rated at the time of purchase within the 2 highest classifications established by not less than 2 standard rating services and that matures not more than 270 days after the date of purchase.
- (d) Repurchase agreements consisting of instruments listed in subdivision (a).
- (e) Bankers' acceptances of United States banks.
- (f) Obligations of this state or any of its political subdivisions that at the time of purchase are rated as investment grade by not less than 1 standard rating service.
- (g) Mutual funds registered under the investment company act of 1940, 15 USC 80a-1 to 80a-64, with authority to purchase only investment vehicles that are legal for direct investment by a public corporation. However, a mutual fund is not disqualified as a permissible investment solely by reason of any of the following:
- (i) The purchase of securities on a when-issued or delayed delivery basis.
- (ii) The ability to lend portfolio securities as long as the mutual fund receives collateral at all times equal to at least 100% of the value of the securities loaned.
- (iii) The limited ability to borrow and pledge a like portion of the portfolio's assets for temporary or emergency purposes.

- (h) Obligations described in subdivisions (a) through (g) if purchased through an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.
- (i) Investment pools organized under the surplus funds investment pool act, 1982 PA 367, MCL 129.111 to 129.118.
- (j) The investment pools organized under the local government investment pool act, 1985 PA 121, MCL 129.141 to 129.150.

Monitoring and Adjusting Investments: The Finance Committee, Village Treasurer and Village Manager will routinely monitor the Village's investments and recommend adjustments. The Village Treasurer will prepare and submit to the Finance Committee and Village Manager a report detailing the fund activity and investment summary in January and July of each calendar year.

Safekeeping and Custody: All security transactions, including collateral for repurchase agreements and financial institution deposits, entered into by the Village Treasurer may be on a cash basis or delivery vs. payment basis as determined by the Village Treasurer. Securities may be held by a third party custodian designated by the Finance Committee and evidenced by safekeeping receipts as determined by the Treasurer.

Ethics: Integrity is of the highest order. Members of the Finance Committee, the Village Manager and Village Treasurer shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Members of the Finance Committee, the Village Manager and the Village Treasurer shall disclose to the public any material financial interests (i.e. Stock ownership) in financial institutions that conduct business with the Village.

This standard of ethic shall in no way be interpreted to be a prohibition to the acceptance of campaign contributions from officers or employees of institutions accepting deposits from the Village.

Prudence: Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but of investment, considering the probable safety of their capital as well as the probable income to be derived.

This policy shall remain in effect until amended by the Village Council.

This policy is hereby adopted by the Ontonagon Village Council on July 9, 2012

Resolution 97-17

WHEREAS, 1997 PA 44 authorizes legislative bodies of local units of

government to invest surplus funds in specific instruments, and

WHEREAS, the City Council of the City of West Branch endorses safe and

productive management of surplus funds consistent with applicable State law.

NOW, THEREFORE BE IT RESOLVED, that the City hereby adopts the City of West Branch Investment Policy dated September 2, 1997.

Adopted: September 2, 1997

City of West Branch Investment Policy

SCOPE

This investment policy applies to the investment activities of the City of West Branch except for the Tolfree Memorial Hospital Corporation which is organized and administered separately under its Articles of Incorporation.

OBJECTIVE

The primary goal of the City staff is to maintain sufficient cash on hand to meet disbursement requirements. Cash balances in excess of immediate disbursement requirements are considered to be temporary idle funds. Temporary idle funds are usually the result of operating revenues realized in advance of disbursement needs.

It is the City's policy to invest temporary idle funds. The investment goal is to maximize investment earnings while at the same time protect the security of funds and meet cash requirements.

DELEGATION OF AUTHORITY

The responsibility for conducting investment transactions shall reside with the Deputy Treasurer. In the absence of the Deputy Treasurer, the Treasurer shall manage the investing program. The Deputy Treasurer or Treasurer will consult with the City Manager before making any long term investments. In the absence of the City Manager the Treasurer will be consulted before making any long term investments.

PRUDENCE

In managing the investment portfolio, the Deputy Treasurer or his/her designee should avoid transactions that might impair public confidence. Investment shall be made with judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

Investment officers acting in accordance with written procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

INTERNAL CONTROLS

Strict internal control shall be exercised over the investment of idle funds. Controls shall be at least as rigorous as those over all City financial transactions and shall be reviewed annually by the City Auditors.

INVESTMENT REPORTING

The Deputy Treasurer shall submit a monthly investment report that provides the amount of principal, type of investment by fund, depository, interest rate and length of investment.

BIDDING PROCEDURE

Bids for Certificates of Deposit will be solicited. Financial institutions located within the corporate limits of the City of West Branch as well as financial institutions located outside of the City of West Branch will be used for bidding purposes. Financial institutions located within the City of West Branch will be used for investments, unless a financial institution outside of the City of West Branch offers an interest rate 1% higher than the financial institutions located within the City of West Branch.

INSTRUMENTS

Funds of the City of West Branch may be invested in investments deemed appropriate pursuant to controlling state statute (1997 PA 44).

SELECTION OF BANKS

Depositories must have offices located within the corporate boundaries of the City of West Branch. The supervising officer of each depository shall be familiar with the City of West Branch investment policy. The supervising officer of each depository shall sign a statement certifying that the officer has reviewed the investment policy and has reviewed all applicable State of Michigan Statutes pertaining to the investment of Public Funds.

MATURITIES

Investments made by the City of West Branch shall be limited to instruments maturing within two years at the time of purchase, unless an extension is approved by the City Council.

INVESTMENT DEALER, BROKER, BANK

The West Branch City Council requires that the following statement be submitted to the City of West Branch before any funds are invested in or though your financial institution.

I have read the information contained in the City of West Branch Investment Policy and have reviewed all applicable State of Michigan Statutes pertaining to the investment of public funds. I further agree that I will not advise the City of West Branch nor will I take part in any investment vehicle, mechanism or instrument which conflicts with the City investment policy.

ENROLLED HOUSE BILL No. 4597

AN ACT to amend 1943 PA 20, entitled "An act relative to the investment of surplus funds of political subdivisions of the state; and to validate certain investments," by amending section 1 (MCL 129.91), as amended by 1988 PA 239.

The People of the State of Michigan enact:

- Sec. 1. (1) The legislative or governing body of a county, city, village, township, or special assessment district, or an agency, board, or commission of a county, city, village, or township, by resolution may authorize its treasurer or other chief fiscal officer to invest surplus funds belonging to and under the control of the political subdivision, special
- (a) In bonds, securities, and other obligations of the United States, or an agency or instrumentality of the United States in which the principal and interest is fully guaranteed by the United States. This subdivision shall include securities issued or guaranteed by the government national mortgage association.
- (b) In certificates of deposit, savings accounts, deposit accounts, or depository receipts of a financial institution, but only if the financial institution complies with subsection (2).
- (c) In commercial paper rated at the time of purchase within the 3 highest classifications established by not less than 2 standard rating services and which matures not more than 270 days after the date of purchase. Not more than 50% of any fund may be invested in commercial paper at any time. (d) In United States government or federal agency obligation repurchase agreements.
 - (e) In bankers' acceptances of United States banks.
- (f) In mutual funds composed of investment vehicles which are legal for direct investment by local units of government in this state.
- (2) A county, city, village, township, or special assessment district investing funds under subsection (1) shall not deposit or invest the funds in a financial institution which is not eligible to be a depository of surplus funds belonging to the state under section 6 of 1855 PA 105, MCL 21.146.
 - (3) Assets acceptable for pledging to secure deposits of public funds are limited to any of the following:
- (a) Assets considered acceptable to the state treasurer under section 3 of 1855 PA 165, MCL 21.143, to secure deposits of state surplus funds. (b) Any of the following:
 - (i) Securities issued by the federal home loan mortgage corporation.
 - (ii) Securities issued by the federal national mortgage association.
 - (iii) Securities issued by the government national mortgage association.

- (c) Other securities considered acceptable to the public subdivision and the financial institution.
- (4) As used in this section, "financial institution" means a state or nationally chartered bank or a state or federally chartered savings and loan association, savings bank, or credit union whose deposits are insured by an agency of the United States government and which maintains a principal office or branch office located in this state under the laws of this state or the United States.

This act is ordered to take immediate effect.
