Utility Bills Received by e-mail

Beginning January 1, 2022 utility bills will be sent by e-mail unless you choose to opt out and specifically request a paper or statement billing. In addition to picking up an opt out form from the Utility Billing Office; an opt out form is available on the Utility Billing website @

www.municipalonlinepayments.com/anadarkook and on the City of Anadarko website @ www.cityofanadarko.org.

After January 1, 2022, Utility Billing will begin to send utility bills to all customers via e-mail only for those who have an email address on file. A customer who wishes to continue to receive a utility bill through the traditional mail may do so by requesting it through utility billing office.
