

Notice of Water Service Interruption

Upgrades to the Water/Sewer System will necessitate water service interruptions beginning Wednesday, January 27, 2021 on the following streets:

Washington Street

Jenkins Street

Jackson Street

1st Street

2nd Street

We expect intermittent service interruptions for the next 3 weeks as City of Barnesville and Contractor crews terminate the old deteriorating water lines and connect to newly installed lines. We will make every effort to expedite this work to minimize the length of time residents will be without water service. Please take appropriate steps to store water for your anticipated needs during this time. We appreciate your patience as the much need infrastructure improvements are made.

Additionally, after the water service is restored, you may notice some water discoloration. We recommend running your cold water until clear before consumption or doing laundry.

This work is part of the City of Barnesville Community Development Block Grant project. The City was award \$750,000 for improvements to water and sewer infrastructure in the area. Work on the water lines is 90% complete. Sewer line improvements are expected to being within the next month.

If you have any questions about the construction work or need assistance contact Barnesville City Hall at 770-358-0181.
