The Blue Ash Police Department and police departments around the United States, are aware of challenges that have been posted on TikTok and other social media outlets. Specifically, the challenges posted for tomorrow call for acts of school violence. The safety of our children is of paramount importance to the members of the Blue Ash Police Department. We have an extraordinary relationship with the Sycamore School District and our officers do daily checks and walkthroughs of the various school buildings in our City. The Blue Ash Police Department has a zero-tolerance policy for school threats and/or acts of violence. Any threat or act of violence will be thoroughly investigated and criminal charges will be filed when probable cause exists for us to do so. There are no active, verifiable threats at this point, but out of an abundance of caution, the Blue Ash Police Department will have an increased presence in and around our school buildings to ensure a safe environment for our children and the staff of the Sycamore School District. Should anyone see or hear of a threat involving our schools, you are asked to contact the Blue Ash Police Department at 513-745-8555 or call 911 in the event of an emergency.

The safety of all members of this community is at the forefront of what we do. I can assure you that the men and women of the Blue Ash Police Department are prepared to address any issue that threatens that mission.
