PROPERTY TAX ABATEMENT INFORMATION

Please read the information on page 3 carefully and retain for your records.

1. The City of Blue Ash Community Reinvestment Area (CRA) Tax Abatement Program stimulates revitalization, retains residents, and attracts new homeowners. The program provides a benefit for residents who improve their homes and encourages home shoppers to buy in the City of Blue Ash.
2. Any homeowner in the City's CRA may be eligible for an **8-year** property tax abatement if they have renovated their home or purchased a newly constructed home. The home must be owner-occupied. The period for tax abatement begins with the date of documented completion of work, although it is not applied to the property until the application date.
3. Improvements made to the property resulting in an increased property valuation qualify for tax abatement. The Hamilton County Auditor's Office determines the abatement amount based on the type of the improvements. A letter will be received from the Auditor's Office after the Auditor's appraisal has been completed. **PLEASE BE AWARE THAT THE VALUATION DETERMINATION COULD TAKE SEVERAL MONTHS.**
4. The period for tax abatement begins with the date the increase in property value is registered with the Hamilton County Auditor's Office. However, the tax abatement is not applied to the property until a completed application for property tax abatement has been submitted by the property owner, qualified by the City of Blue Ash and certified by the Hamilton County Auditor.
5. An increase or decrease in taxes during the abatement period may result when voted changes in tax rates, state-mandated reappraisals, or updates reflecting neighborhood trends are adopted.
6. If credit is claimed in the abatement application for work that was performed without the required building permits, it will be the owners' responsibility to obtain the required permits retroactively prior to filing for the abatement.
7. An **annual, exterior inspection** is required for all new and existing tax abatements to ensure that the property is being properly maintained. New tax abatement applications may be subject to an exterior inspection prior to final approval by the Community Development Department. If building code violations are observed, the application will be denied. Properties with current abatements will have their tax abatement revoked if violations are placed against the property and the violations are not resolved.
8. The Housing Officer may revoke the tax abatement any time after the first year if the property has building code violations or if delinquent taxes are owed on the property.
9. Any person denied tax abatement by the Housing Officer may appeal in writing to the Community Reinvestment Area Housing Council, which shall have the right to overrule any decision of a Housing Officer. Appeals from a decision of the Housing Council may be taken to the Court of Common Pleas.
10. City of Blue Ash may rescind the ordinance granting tax abatement at its discretion.
11. Please make a copy of your documents prior to submission. If your application is qualified for the program, you will receive a copy of the letter that the city sends to the Auditor when we submit your application for valuation. If your application is not qualified for the program or if we require additional materials, we will follow up within **four weeks**. If you have not heard from the City within **four weeks** of having submitted your application, it is your responsibility to follow up and check the status of your application.
