(c) It is prima-facie unlawful for any person to exceed any of the speed limitations in subsection (b)(1)A. to (b)(6) hereof, or any declared or established pursuant to this section by the Director or local authorities and it is unlawful for any person to exceed any of the speed limitations in subsection (d) hereof. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

- (d) No person shall operate a motor vehicle upon a street or highway as follows:
- (1) At a speed exceeding fifty-five miles per hour, except upon a highway, expressway or freeway as provided in subsection (b)(8), (9), (10) and (12) hereof;

(f) When a speed in excess of both a prima-facie limitation and a limitation in subsection (d) hereof is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both subsections (b)(1)A. to (b)(6) hereof, or of a limit declared or established pursuant to this section by the Director or local authorities, and of the limitation in subsection (d) hereof. If the court finds a violation of subsection (b)(1)A. to (b)(6) hereof, or a limit declared or established pursuant to this section has occurred, it shall enter a judgment of conviction under such subsection and dismiss the charge under subsection (d) hereof. If it finds no violation of subsections (b)(1)A. to (b)(6) hereof or a limit declared or established pursuant to this section, it shall then consider whether the evidence supports a conviction under subsection (d) hereof.

(g) Points shall be assessed for violation of a limitation under subsection (d) hereof in accordance with Ohio R.C. 4510.036.

(h) Whenever the Ohio Director of Transportation determines upon the basis of an engineering and traffic investigation that any speed limit set forth in subsections (b)(1)A. to (d) hereof is greater than is reasonable or safe under the conditions found to exist at any intersection or other place upon any part of a State route, the Director shall determine and declare a reasonable and safe prima-facie speed limit, which shall be effective when appropriate signs giving notice are erected at the intersection or other part of the State route.

(i) Whenever the City Manager or his designee determines upon the basis of an engineering and traffic investigation that the speed permitted by subsections (b)(1)A. to (d) hereof, on any part of a highway under their jurisdiction, is greater than is reasonable and safe under the conditions found to exist at such location, the City Manager or his designee may request the Director to determine and declare a reasonable and safe prima-facie speed limit. Upon receipt of such request the Director may determine and declare a reasonable and safe prima-facie speed limit at such location, and if the Director does so, then such declared speed limit shall become effective only when appropriate signs giving notice thereof are erected at such location by the Municipality. The Director may withdraw his declaration of any prima-facie speed limit whenever in his opinion any altered prima-facie speed becomes unreasonable, and upon such withdrawal, the declared prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the Municipality.

(j) The City Manager or his designee may authorize by ordinance higher prima-facie speeds than those stated in this section upon through highways, or upon highways or portions thereof where there are no intersections, or between widely spaced intersections, provided signs are erected giving notice of the authorized speed, but the City Manager or his designee shall not modify or alter the basic rule set forth in subsection (a) hereof or in any event authorize by ordinance a speed in excess of fifty miles per hour.

Alteration of prima-facie limits on State routes by the City Manager or his designee shall not be effective until the alteration has been approved by the Director. The Director may withdraw his approval of any altered prima-facie speed limits whenever in his opinion any altered prima-facie speed becomes unreasonable, and upon such withdrawal, the altered prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the Municipality. (ORC 4511.21)

- A. It seeks to recover damages for injury or death to the occupant.
 - B. The defendant in question is the manufacturer, designer, distributor or seller of the passenger car.
