Electrical, Mechanical, Plumbing**

Drawings must include foundation, floor plan, elevations, guardrail, stair detail and if applicable, a wall section. Please print legibly on this form.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his agent. I agree the statements made on the attached application are true, and if found not to be true, any permit that may be issued may be void. Further, I agree to comply with the conditions and regulations provided with any permit that may be issued. Further, I agree the permit that may be issued is with the understanding all applicable sections of the City of Burton Zoning Ordinance and the State of Michigan Residential Building Code will be complied with. Further, I agree to notify the City of Burton inspection department prior to the required inspections listed on my issued permit. Further, I agree to give permission to officials of the City of Burton to enter the property subject to this permit application for the purposes of inspections. Finally, I understand this is a permit application (not a permit) and that a permit, if issued, conveys only work to be completed as shown, and does not include any representation or conveyance of rights in any other statute, building code, deed restriction or other property right.
