# 2025 SOUTHWEST FLORIDA Fine Craft Expo

FUNDRAISING EVENT

## What is the Southwest Florida Fine Craft Expo?

The 25th annual Southwest Florida Fine Craft Expo is a fundraiser brought to you by the Southwest Florida Fine Craft Guild, a non-profit artist collective, in partnership with Cape Coral Art Center. This art-filled weekend includes make-and-take workshops, an artwork raffle fundraiser, and a reception for the annual Expressions exhibition.

All proceeds from the raffle go towards supporting young artists through scholarships, providing local children with free camp registration for Creativity Camp at the Cape Coral Art Center. There, a STEAM-based curriculum is offered to children ages 7-12, with fun weekly themes. Children create hands-on art, including paintings, mixed media projects, and air-dry clay.

## What is the South West Florida Fine Craft Guild?

The Southwest Florida Fine Craft Guild is a vibrant collective of artisans, explorers, and creators dedicated to the art of fine crafting. Both seasoned artisans and curious new comers are invited to dive into the rich world of handmade artistry. With a passion for craftsmanship that echoes the region's lush natural beauty, the guild hosts workshops, exhibits, and events that showcase an array of artistic disciplines—from pottery and glasswork to textiles and woodcraft. Since 1971, the guild has fostered connections and inspired creativity, encouraging artisans to push their boundaries and explore new territories in their craft.
