TEMPORARY SEAWALL STAGING AREAS REGULATIONS

Section 5.9.13 Temporary seawall staging areas.

- A. Temporary seawall construction staging in residential zoning districts. Temporary off-site staging areas for seawall construction are allowed in residential zoning districts subject to the following requirements:
1. Requirements for temporary seawall construction staging areas:
 - a. Time limits. Temporary seawall staging areas may be permitted for up to two years;
 - b. Allowable storage of materials. Only materials used in the repair or reconstruction of seawalls may be stored on the permitted staging site. Materials shall not be located in the side yard setbacks of the staging site. All rubble or debris shall be stored in dumpsters;
 - c. No land clearing, removal of vegetation, or fill shall occur to accommodate the staging area;
 - d. All activities at the staging area shall occur between 7:00 a.m. to 7:00 p.m. Monday through Saturday only. No work shall occur on New Year's Day, July 4th Thanksgiving, or Christmas Day;
 - e. No structures other than a permitted construction trailer may be placed on the property;
 - f. No outdoor lighting is permitted for any staging area in a residential zoning district;
 - g. The permittee shall be responsible for restoration of the staging area upon completion of the work and restoration of any damage to any City facilities, such as roadside swales, pipes, catch basins, pavement, signs, striping, etc.;
 - h. Barges may not be docked or moored in any manner that obstructs navigation or use of docks or boats; and
 - i. Prohibited on-site activities. The following activities are prohibited:
 - i. Jackhammering or other methods of breaking up concrete or other demolition debris from damaged seawalls;
 - ii. Grinding or saw cutting of concrete or rebar debris; and
 - iii. Any dust creating operations.
 2. Permit application and submittal requirements. A permit shall be required for a temporary seawall staging area. The applicant shall submit the following information to the Department of Development Services:
 - a. A scaled drawing of the site showing the location of all material to be stored or staged for construction;
 - b. The name and notarized written consent of the property owner(s). Such written authorization may be revoked at any time;

- c. The length of time the site is to be used for staging, including post-staging clean up; and
 - d. The name, address, and contact information for the person(s) responsible for the staging area activities.
3. Notice to Neighbors. Mailed notice to surrounding property owners is required for any individual seawall staging area expected to be used for a period exceeding nine months. The notice shall be mailed to all property owners of record in a 500' radius from the site. The applicant shall be responsible for the cost of notice.
4. Extensions and expiration of seawall staging areas. Seawall staging area permits shall expire two-years from issuance unless an extension is granted. Permitted staging areas may apply for a (1) one-year extension.
5. Inspection by City officials. In order to ensure compliance with all applicable laws and regulations, temporary seawall construction staging areas shall be held open for reasonable inspection, without court order, by employees or agents of the City of Cape Coral or any other duly authorized governmental agency.
6. Penalty. Any violation of the provisions of this subsection shall be subject to a \$500 fine. Each day of violation shall constitute a separate offense and fines.
