

Business Impact Estimate

Proposed ordinance's title/reference:

Ordinance #18-24

The City of Cape Coral, Florida, Code of Ordinances, Chapter 12 ½, Article I, Section 12 ½-4, "Rules and regulations" (j) *Power models and toy engine permits.*

This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes.

In accordance with the provisions of controlling law, the City of Cape Coral hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The proposed ordinance change will modernize the ordinance to reflect the various types of motorized model and toy airplanes that are available to the public above and beyond gas or internal combustion engines. The ordinance change is to increase the safety of the public by requiring permits to fly motorized model and toy airplanes in City parks.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Cape Coral, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Cape Coral regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

There are no direct economic impacts of the proposed ordinance change on private, for-profit businesses in the City of Cape Coral.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

None

4. Additional information the governing body deems useful (if any):
