

NOTICE TO INDUSTRY

EFFECTIVE Monday, March 20, 2023

Electronic Permit Applications and Electronic Plans Requirement

To facilitate faster and more efficient permit processing, all contractors will be required to submit permit applications, building plans, and all permit related documents electronically. We will no longer accept or process paper documents related to any application submitted on or after the date listed above. Electronic submittal is to be completed through the Cape Coral EnerGov Customer Self-Service portal (CSS). Below is a link to the portal:

Civic Access:

<https://energovweb.capecoral.gov/EnerGovProd/selfservice#/home>.

This is the same protocol as Lee County Government.

Due to statutory requirements for Owner/Builders to appear, this requirement does not apply to Owner/Builder applications at this time.
