

NOTICE TO INDUSTRY

EFFECTIVE September 1, 2022

Beginning September 1, 2022, Sheathing affidavits will no longer be picked up or processed in the field.

Sheathing affidavits must be submitted through the CSS portal only.

As part of the City of Cape Coral's recent conversion to a new permitting system called EnerGov, all permitting activity and related correspondence will be handled using the new EnerGov Citizen Self Service portal (CSS). Please register and log in to the CSS Portal to apply for all future permits or to submit documents on existing permits.

You can access the EnerGov CSS portal at

<https://energovweb.capecoral.gov/EnerGovProd/selfservice#/home>.

For more information regarding the EnerGov CSS portal, please visit our EnerGov Information Page at <http://www.capecoral.gov/energov>
