

CAPE CORAL RESIDENTIAL BULK WASTE ONLY

NO CONTRACTORS OR LANDSCAPING/LAND CLEARING CONTRACTORS

1. **ACCEPTABLE BULKY WASTE:** Any debris that weighs more than 50 pounds or is of such bulk that it cannot fit into the cart, can, or refuse bag, excluding white goods. BULKY WASTE includes, but is not limited to, wheels, tires, furniture such as sofas, desks, entertainment centers, tables, chairs, mattresses, carpet, incidental building materials, packing boxes, and containers, provided that the boxes and containers shall be broken down.
2. **UNACCEPTABLE BULKY WASTE:** shall not include automotive vehicles or boats, vehicle components (excluding wheels and tires), liquid waste including paint, hazardous waste, or industrial waste. Construction and demolition debris, such as discarded building material, construction blocks, concrete, roofing, trees or tree stumps, tree limbs larger than four inches in diameter or longer than 6' feet in length (except palm fronds), dirt, rock, plaster, lumber, metal or other like material originating from private property preliminary to, during or subsequent to the construction of a new building, alterations, additions or remodeling to the existing building of whatever type.
3. **ACCEPTABLE WHITE GOODS:** Household appliances, such as a refrigerator, washer, dryer, freezer, air conditioner, water heater, or similar items.
4. **ACCEPTABLE HORTICULTURAL WASTE:** The products of pruning resulting in refuse not suitable for standard containers, but with stems or branches not exceeding four inches in diameter or six feet in length; or leaves, cuttings of grass, weeds and branches, and vines.
5. **UNACCEPTABLE HORTICULTURAL WASTE:** Stone, dirt, land clearing, stumps, root balls, logs, or branches greater the 4" in diameter and longer than 6' except for palm fronds.
6. **NOTE:** Regular garbage and recyclables are not accepted at the Drop-Off site.
