Message from Mayor David Allen

Dear Prairie View Residents,

I want to express my heartfelt thanks to the voters of

Prairie View for electing me to serve as your mayor. I am honored and humbled that you have placed your trust in me.

Furthermore, our beloved City has been hit hard by the ongoing rain and flooding, some of our neighbors lost everything, please keep them in your prayers. If you can lend a helping hand or show kindness to

neighbors, please do so. PV taught me this type of service 43 years ago.

A huge **"Thank You"** to our utility workers for keeping us in operation; and, especially our fire and police departments that have been out in very bad weather, tirelessly, helping others, even rescuing those in need. WE were out until midnight on Liendo Parkway until a lady stranded on her car was rescued by boat. Days later, another lady's car was swept away on the same street by the strong water but she swam to safety. God is good.

Thanks to ALL of those who volunteered to serve on City Committees and Boards. Anyone wishing to help, please contact me at City Hall.

I pledge to keep my promise such as reducing the ordinance violations. Sixteen citations and twelve notices were issued 1st day in office. PLEASE take care of your property. WE are working towards tax reduction, water/sewage and crime reductions are in process just to name a few.

Thanks to all who support Prairie View as we strive to make it better. **David Allen, Mayor**

WORDS of Inspiration!

God's Unfailing Promises

When things seem to be going badly, we often wonder where God is, and if He is really going to keep His promises. The truth is, God not only keeps His promises, but does it in a way that is more amazing and wonderful than we could ever imagine... even if at the moment it seems He has completely forgotten about us...
