Message from Mayor David Allen

**Dear Residents
of beautiful
Prairie View,**
can you believe
I have been
blessed to
SERVE you for

two years? I can only hope that
my best efforts did some of what
you wanted and needed done in
this short time-frame.

The Mayor's 22 Month Report,
April issue, highlighted projects in
progress. The completion of the
projects will change our city in a
positive way for many years to
come.

You tell me you feel SAFER, your
city is CLEANER and we have
NEW REVENUE coming with busi-
nesses, badly needed housing
(residential and student), a Harvest
Market Grocery Store and more
being built to give us the revenue
to serve you with more and better
city services.

James Muse Water/Sewer Grant
and the Alta Vista Sewer Grant are
being prepared to go for RFP Bids
and work will be started and com-
pleted soon.

PVAMU will start the beautification
project on University Drive on May
14 and it will take a few months to
complete.

The National Science Foundation
was impressed enough about our
Smart City/Smart Health Grant to
have Dr. Cambrice and I on a
panel at their convention. They
recently invited us to represent our
city on the NSF Grant Review
Panel in Washington DC.

We have an incredible new Prairie
View A&M University President in
Dr. Ruth Simmons who with her
administrative staff is working with
us to help enhance our city. We
have increased our collaboration
for all who live, work and study in
Prairie View.

Prairie View Cricket Complex will
bring us many new businesses,
revenue and positive exposure that
our city deserves.

Promises Kept!

Thank You for the opportunity to
serve as your 10th Mayor of Prairie
View. God is truly blessing us.

David Allen, Mayor

Words of Encouragement!

Isaiah 40:31 but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.
