May is National Bike Month and a great opportunity to promote active transportation and physical activity in your community. The League of American Cyclists celebrated May as National Bike Month for more than 50 years, promoting the benefits of bicycling nationwide. Several agencies and organizations in the Houston-Galveston region promote bicycling during May through organized rides and bike-to-work events.

H-GAC's Bike to Work day is Thursday, May 16. Check out the H-GAC [Bike Month webpage](#) for more information on Bike Month, data on bicycling in the region, and tools you can use to host Bike Month activities locally. For more resources on Bike Month or active transportation in general, contact [clint.mcmanus@h-gac.com](mailto:clint.mcmanus@h-gac.com).
