**Prairie View Cricket Complex** is a community project started by a group of Cricket enthusiasts in Houston, TX. This is an 86 Acres project situated less than 5 miles away from Prairie View A&M University (which is part of the Texas A&M University system). **Kalsoom Prairie View Cricket Association (KPVCA)** plans to bring 50+ Cricket teams in one place. We strongly believe that Cricket can play a major role in bringing communities together. KPVCA plans to bring this sport to masses by introducing and holding seminars in local schools, colleges, and universities. We plan to make this is a place where families, children, communities can come together and enjoy this beautiful game of Cricket.
