EMERGENCY MANAGEMENT

Phone # (507) 635-6132
Fax # (507) 635-6265

Dodge County Emergency Management works in cooperation with all of public safety officials and emergency responders to prepare for, respond to, recover from and mitigate damages from large scale emergency and disaster situations.

- Prepare - assist property owners in preparation for a disaster
- Respond - coordination of public agencies to respond to disasters
- Recover - work with local, state, and federal agencies to obtain disaster declarations and financial assistance
- Mitigation Plan - lessen the impact of disaster situations to communities and residence
