Concord Church of Christ

LOCATION: 200th Ave and CR 24, West Concord, MN 55985

STATUS: Public

TYPE: Historic, Architecture

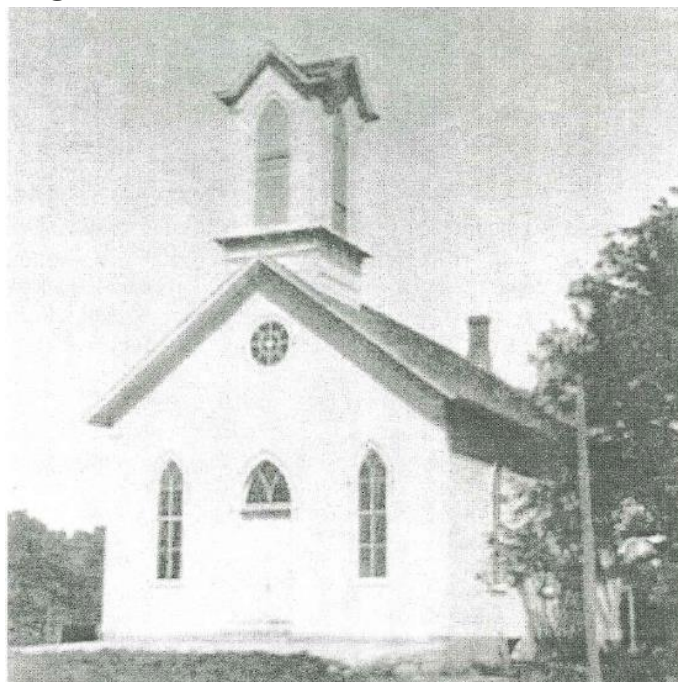

HISTORY: The original church was built in 1879 just north of Concord. An account states that the church would perform winter and summer baptisms in the Middle Fork Zumbro River. It was stated that the river would freeze over and a hole would be chipped into the ice in order to access water. An indoor baptistry was installed in 1893. The church remains in use.
