DODGE COUNTY ENVIRONMENTAL SERVICES

SELF-SERVE WASTE DEPOT

62236 240th Ave
Kasson MN 55944
South side of the
Dodge County Recycling
Center Building.

507-635-6273 (ES Office)
507-634-7875 (Transfer Station)

Dodge County Self-Serve Waste Depot

The Self-Serve Waste Depot is a new service offered by Dodge County. The primary purpose of the Depot is to offer convenient waste disposal to residents that currently do not have easy access to garbage collection services. Hopefully, the availability of the Depot will reduce the use of burn barrels and other problem disposal methods.

The Depot building is located on the south side of the Recycling Center and will be available to participants 24 hours a day, 7 days a week. Interested Dodge County residents must sign an agreement to utilize the Self-Serve Waste Depot.

Upon receipt of the signed agreement at the Transfer Station office, a unique 4 digit pin number will be assigned to your account that you will use to open the walk-in door to the Depot. Participants must purchase special **GREEN** Garbage Bags at the Transfer Station office for use in the Self-Serve Waste Depot. No other bags are allowed.

The following rules apply; Dodge County may cancel your account at any time for non-compliance with these rules.

RULES OF USE

1. All users must be 18 years of age or older.
2. Only the **GREEN** Bag, purchased from Dodge County, may be used for disposal of garbage at the Depot.
3. All garbage must be contained within the Green Bag. (no loose waste items allowed)
4. Each Green Bag must be closed at the top and free of holes to prohibit garbage from spilling or blowing away.
5. Users are responsible to clean-up their spills and litter.
6. **Put only regular household garbage in the Green Bag.**
7. **DO NOT** put the following items in the Green Bag:
   - Liquids or containers with liquids like soda pop, cooking oil. etc.
   - Syringes and sharp objects.
   - Hazardous waste like paint or pesticides.
   - Electronic waste like cell phones, Televisions, etc.
   - Pressurized containers/cylinders like propane tank and camp stove fuel.
   - Batteries (except alkaline which can go in the Green bag).
   - Flammable waste like hot coals or gasoline.
   - Explosives like ammunition and fireworks.
   - Recyclable materials like paper, metal and glass bottles.
8. All users must follow operation and safety instructions provided by the county and posted at the Depot.
9. Take turns using the facility in a “first come-first serve” order.
10. Call Dodge County Environmental Services with questions or comments.
