FISCAL YEAR 2018 BUDGET MESSAGE

Madam Mayor, Members of City Council, and Citizens of Duluth:

It is my privilege to present the City of Duluth’s Fiscal Year 2018 Annual Operating and Capital Budget. This budget continues to build on many of the long-range objectives, visions and policy directives that the Mayor and Council have charged staff with implementing to ensure that the city continues to grow, remains financially strong, promotes a positive economic environment, and is safe for citizens and visitors alike.

As a result of this long-range vision and the overall economic recovery in Georgia, the City of Duluth is experiencing strong growth in both commercial and residential development. Much of this growth has occurred in the immediate downtown and has created a halo effect that has contributed to growth in other areas. Over the past three and a half years, over 1,200 single family and multi-family housing units have been completed or planned in the City. This includes 442 single family attached and detached housing units, 702 multifamily housing units and 128 senior focused multi-family housing units. As a result of this new residential development, over 186,000 newly completed and planned commercial space has been added.

This new commercial development includes developments such as Parsons Alley, Sugarloaf Market, The District at Duluth and Marketplace Village. These developments are intended to be unique gathering spaces creating destination points for residents and new visitor alike to experience. Recently the Parsons Alley development received the Urban Land Institute (ULI) award for “**Development of Excellence**”. The ULI Awards for Excellence program recognizes outstanding real estate development projects or initiatives that exemplify leadership in the responsible use of land and in creating and sustaining thriving communities.

In addition, the Parsons Alley development received the Congress for the New Urbanism’s (CNU) **Charter Award** in the geographic scale

of blocks, streets, and buildings. This award recognizes developments for the restoration of existing urban centers and towns within coherent metropolitan regions, the reconfiguration of sprawling suburbs into communities of real neighborhood and diverse districts, the conservation of natural environments, and the preservation of our built legacy. In short, well-designed places that are unique and authentic.

Finally, but well worth noting, the Parson Alley development received the Atlanta Regional Commission’s top award, the **2017 Development of Excellence award**. This award recognizes projects in metro Atlanta that exemplify cutting-edge, livable design that enhances the surrounding community and supports the goals and policies of the Atlanta Region’s Plan, meto Atlanta’s long-range, comprehensive blueprint.

This new development has had an overall positive impact of the City revenues, including General Property Taxes, Selective Sales and Use Taxes, Business Taxes and Regulatory Fees. The City’s overall General Fund revenues are projected to grow by \$1,437,243 more than the FY17 adopted budget. However, the City continues to use its Fund Balance or “savings” to balance the budget. Currently the City is working to reduce its reliance on Fund Balance to balance its budget primarily through growth in revenues and closely controlling expenditures, where possible. Staff is projecting that in FY17, the most recent completed fiscal year, the City will use \$597,655 in Fund Balance, down \$772,407 from the prior year. Financial forecast indicate the City should be able to discontinue its use of Fund Balance to balance the budget in the next fiscal year or two.

	FY17	FY16	FY15
	Unaudited	Actual	Actual
Revenues	\$ 18,908,453	\$ 18,144,285	\$ 17,973,301
Expenditures	19,506,108	19,514,347	20,051,729
Use of Fund Balance	\$ 597,655	\$ 1,370,062	\$ 2,078,428

As in most organizations, personnel costs are a large part of the budget and the City is no exception. For this reason, the City continues to leverage technology to help control these costs. The purchase of new property tax software, updates to the Planning and Development software and the implementation of a city-wide police camera system are good examples of timesaving solutions. The City is also incentivizing its employees to maintain health lifestyles through the Wellness Program, which in turn will lower health insurance premiums. In the most recent insurance renewal period, the City no (0%) increase in health insurance premiums and a 5.08% increase in dental insurance premiums.

The City's approach to budgeting is to budget revenues conservatively and expenditures without discounting. This means that revenues are budgeted mainly based on historical facts, economic indicators and trend. Budgeting expenditures without discounting means no allowance is taken for vacant positions or reductions in utility costs for such events as an expected mild winter or cool summer. These budgetary practices are designed to limit the need for possible unexpected budget amendments or budget reductions caused by overly optimistic assumptions that do not materialize. For this reason, it is likely the City's adopted budget will almost always require the use of some amount of Fund Balance to balance the budget. However, the use of Fund Balance in the FY 2018 Adopted Budget has decreased significantly from FY 2017.

	FY18	FY17	FY16
	Adopted	Adopted	Adopted
Revenues	\$18,981,362	\$ 17,544,119	\$17,460,461
Expenditures	21,008,463	21,238,180	20,987,604
Use of Fund Balance	\$ 2,027,101	\$ 3,694,061	\$ 3,527,143

The Duluth City Council and staff feel that based on the policies and initiatives now in place, the current trends in revenue growth and the controlled growth of expenditures will produce a balanced budget with minimal use of Fund Balance.

General Fund Highlights

- FY 2018 General Fund budgeted expenditures are projected to decrease by \$305,205 or 1.4% over 2017 amended expenditures, largely due to a reduction in transfers to the Downtown Development Authority for annual bond payments.
- The ad valorem millage rate remains the same as the prior year at 6.551 mills.
- FY 2018 General Fund budgeted revenues are projected to increase by \$1,425,743 or 8.1% over 2017 amended revenue. This increase is mainly due to an increase in property tax revenue from new construction, property reassessment and fully incorporated millage rate change.
- Employee benefits cost (medical, dental, life and disability insurance) held stable, with only a 5.08% increase in dental insurance and no increase in medical insurance.
- Budgeted expenditures include a 2% cost of living adjustment.
- FY 2018 budget includes the conversion of 2 part time Event Assistant positions to 1 full time Events Coordinator position and the elimination of 3 part time Recreation Assistant positions and 1 part time Maintenance Worker I position.
- At \$7,800,000 and representing approximately 41% of the City's overall budget revenues, property taxes are the largest revenue source.
- At \$8,862,418 and representing approximately 42% of the City's overall budgeted expenditures, police services are the City's largest expenditure category.

Strategic Vision Statements and Principals

The FY 2018 budget, much like the budgets in the past, was guided by long term strategic vision statements established by the Mayor and Council. These statements serve as a long term road map to guide the future direction of the City. They are the prism through which both non-financial and financial initiatives and projects are to be viewed.

1. **Attractive Destination:** To be a uniquely creative, fun and inviting destination for residents, visitors and businesses.
2. **Quality Community:** To enhance and create a welcoming, safe, healthy and sustainable community by embracing growth and diversity.
3. **World Class Government:** To provide exceptional service through innovative thinking, balanced growth and ethical effective processes.
4. **Sustainable Economic Environment:** To create a vibrant, inviting and regionally recognized community with policies and procedures that fosters economic growth and investment.

Prior to the department directors developing their budget request for the coming year, the Mayor and Council along with staff hold an annual strategic retreat. This provides an opportunity to review what goals have been accomplished in the past year. The retreat also serves to establish goals and priorities for the upcoming year and beyond. These goals and priorities are then used by department director as the basis for their upcoming budget request.

Department budget request implementing the priorities from the retreat have included actions such as; 1) citizen involvement through the Citizens Budget Review Advisory Committee and the Lead Educate Advance Duluth, 2) leveraging technology through a city-wide police camera system to create a safer city, 3) periodic updates to the Unified Development Code to create a development friendly environment, 4) adding additional Code Enforcement Officer to maintain community standards for residents and businesses, 5) creating family orientated entertainment including Food Truck Fridays, Deck the Hall and Smores and Snores.

FY 2018 General Fund Revenues and Expenditures

The FY 2018 budget reflects growth in several of the City's revenue sources. The primary general fund revenue sources include Commercial and Residential Property Taxes, Franchise Taxes, Business License (Occupational Taxes) and Fines and Forfeitures.

As previously mentioned, the City's largest source of revenue is property taxes. Property tax revenue is based on the City's tax digest, with a current assessed value of over \$1.3 billion, and an adopted millage rate. This revenue source is anticipated to increase by \$1,425,743 or 8.1% mainly due to three factors; 1) new construction added to the digest, 2) reassessment growth of existing properties, and 3) full incorporation of the prior year millage rate increase.

Other revenue related to the increase in residential and commercial development has also been projected to increase in the FY 2018 budget compared to the FY 2017 amended budget. For instance, Occupational Taxes levied on business and practitioners of professions and occupations which have a physical location in the City are projected to increase by \$110,000 or 11.3%. In addition, the Insurance Premium Tax levied by the State of Georgia on life and property/casualty insurance policies written by insurance companies conducting business in the City of Duluth is expected to increase by \$160,000 or 9.5%. Alcohol Beverage Taxes levied on the distribution of distilled spirits, malt beverages, and wine are projected to increase by \$40,000 or 6.6%.

Residential and commercial building activity which has been the basis for much of the increase in the City's revenues is also anticipated to continue in FY 2018. Revenue from Commercial and Residential Building Permit Fees for the inspection of the alteration or construction of residential or commercial buildings in the City of Duluth is budgeted to increase by \$82,500 or 17.7%.

One revenue source not expected to benefit from the increase in activity in the downtown area is Fines and Forfeitures. The police department command staff have devoted additional resources to the downtown area

due to the increased vehicle and pedestrian traffic. Changes will include additional foot patrols, bike patrols and camera surveillance. For this reason, the FY 2018 budget projects a \$300,000 or 14.3% decrease in this revenue source.

As stated previously, the City continues its efforts to reduced its reliance on Fund Balance or “saving” to balance its budget. The FY 2018 budget projects \$21,008,463 in expenditures. This is a decrease of \$305,215 from the FY 2017 amended budget. Budgeted expenditures include costs of personnel, supplies, equipment, utilities, professional and contracted services, debt servies transfers, and other items. Personnel costs, including salaries and benefits, represent the single largest category of expenditures. Personnel changes in the FY 2018 budget include converting 2 part-time positions to one full-time and the elimination of 4 part-time positions. Because personnel costs are the single largest expenditure, this figure must be closely reviewed each year during the budget process. In the FY 2018 budget, the City was able to negotiate a 0% increase in its medical insurance coverage and a 5.08% increase in its dental insurance coverage. Part of the reason for this is a lower employee claims history, an emphasis on preventaive care through the City’s Wellness Program and cost mitigation efforts such as “LiveHealth” - online access to physican care via phone, tablet, or computer.

General Fund Transfers to the Downtown Development Authority (\$667,546) and Urban Redevelopment Authority (\$1,024,874) totaling \$1,692,420 remain one of the larger items in the budget. These transfers fund semi-annual bond payments by these authorities for such capital projects as the Public Safety building, City Hall building, Town Green open space and Parsons Alley restaurant district. In the FY 2018 budget, the transfer to the Downtown Development Authority was reduced by \$521,982 as a result of an agreement that now requires third party debt holders to remit monthly loan payments to the authority for the Parson Alley restaurant district. Future bond obligations mature in 2020 and 2024.

Other items worth noting in the FY 2018 budget include changes in the

Special Events category. The New Years Eve Celebration was discontinued in favor of a larger Holiday Deck the Hall event, and event proگرامing for Parsons Alley was increased by \$13,000 to host more events in this popular gathering space. New events were added such as S’mores N Snores camping at Rogers Bridge, an Inflatable 5K run, and a Plein Air Duluth, an outdoor painting event. During the budget preparation process, an emphasis was placed on adding events that are family-centered but can be enjoyed by a diverse age group.

Based on the results of our Citizen Survey, funding of \$20,000 was added to the Planning and Development Department’s budget for additional street lights. The street lights will be added to select neighborhoods to improve pedestrian walkability and overall safety. Additionally, \$100,000 was added to the Police Support Services Department’s budget for a maintenance contract for the expansion of the police camera system. The camera system is part of a long term capital project that will first focus on the main travel corridors in the City and will later be expanded to include other areas of the City.

Other Funds and Activities

The second largest fund the City operates is the Stormwater Utility Fund for the repair and maintenance of its stormwater infrastructure, which includes underground pipes, catch basins, detention ponds and street sweeping. Funding of this utility comes from annual assessment on property tax bills. Condominiums are charged \$14.40 and single-family homes are generally \$36.00. Commercial properties are assessed \$36.00 per 2,654 square feet of impervious surface or fraction thereof. The FY 2018 budgeted revenue for this fund is \$866,300, which represents an increase of \$34,764 from the FY 2017 amended revenues of \$830,836. This increase can be attributed mainly to new construction throughout the City. The FY 2017 budgeted expenditures for this fund are \$853,370 compared to FY 2017 budgeted expenditures of \$725,998. This increase of \$127,372 is partly due to the increase in revenue and the fund having sufficient cash reserves to allow for most of the FY 2018 revenue to be spent on projects.

The second largest fund the City operates is the Stormwater Utility Fund for the repair and maintenance of its stormwater infrastructure, which includes underground pipes, catch basins, detention ponds and street sweeping. Funding of this utility comes from annual assessment on property tax bills. Condominiums are charged \$14.40 and single-family homes are generally \$36.00. Commercial properties are assessed \$36.00 per 2,654 square feet of impervious surface or fraction thereof. The FY 2018 budgeted revenue for this fund is \$866,300, which represents an increase of \$34,764 from the FY 2017 amended revenues of \$830,836. This increase can be attributed mainly to new construction throughout the City. The FY 2017 budgeted expenditures for this fund are \$853,370 compared to FY 2017 budgeted expenditures of \$725,998. This increase of \$127,372 is partly due to the increase in revenue and the fund having sufficient cash reserves to allow for most of the FY 2018 revenue to be spent on projects.

The City of Duluth self insures for workers' compensation claims and uses a Workers Compensation Fund to account for the activity. The revenue for this fund comes from two sources, annual transfer of \$250,000 from the General Fund and interest earned on excess funds that are invested until needed. An insurance policy is purchased each year to cover any claims that exceed \$1 million, which limits the City's maximum exposure. For this reason, the City seeks to maintain a cash balance of approximately \$1 million in the fund. However, beginning with FY 2014, the claims exceeded revenues by \$47,294, in FY 2015 claims exceeded revenues by \$97,118, and in FY 2016 claims exceeded revenues by \$153,171. In FY

2017, the City reached settlements in some of the long-term ongoing claims. This action should allow the fund to replenish its cash balance of \$548,614 over the next few years.

Conclusion

As a result of the strategic vision put forth the Mayor and Council and implemented by the staff, major changes have taken place in the City over the past two years and more are planned in the future. Duluth is an attractive, growing and desirable community where family and friends gather to share good times. The financial outlook for the City is strong and this budget continues to build on the success of the past.

I would like to thank the Mayor and Council for their commitment and leadership in keeping the city moving in the right direction. I also want to thank staff for their hard work in carrying out these plans.

Respectfully submitted,

James Riker
City Manager

- (1) In fiscal year 2017, a part time Compliance Inspector position in Clerk Administration was transferred to a part time License/Code Compliance Inspector in Planning Dept.
- (2) In fiscal year 2017, added a part time Administrative Assistant position
- (3) In fiscal year 2017, eliminated a part time college intern position
- (4) In fiscal year 2017, promoted a full time Senior Court Assistant to a Lead Court Assistant
- (5) In fiscal year 2017, eliminated a full time Maintenance Worker II position
- (6) In fiscal year 2017, eliminated a part time Maintenance Worker I position
- (7) In fiscal year 2017, a full time Maintenance Worker III/Custodial position in Park & Rec was transferred to Public Information & Marketing dept.
- (8) In fiscal year 2017, added a full time Building Custodian position
- (9) In fiscal year 2017, Eliminated eight part time Recreational Assistant positions
- (10) In fiscal year 2017, added six part time Recreation Leader positions
- (11) In fiscal year 2017, added a full time Public Works Supervisor position
- (12) In fiscal year 2017, eliminated a full time and a part time Maintenance Worker I positions
- (13) In fiscal year 2017, eliminated a full time police officer position
- (14) In fiscal year 2017, added a full time Crime Analyst/Social Media Coordinator position
- (15) In fiscal year 2017, eliminated a full time Senior Communications Officer position
- (16) In fiscal year 2017, added a full time Communications Officer position
- (17) In fiscal year 2017, a full time Fleet Assistant was promoted to a full time Police Officer
- (18) In fiscal year 2017, a full time Senior Planner / Neighborhood Planning was promoted to a full time Planning Manager
- (19) In fiscal year 2017, eliminated a full time Senior Planner / Development Review position
- (20) In fiscal year 2017, added a full time Code Compliance Officer position
- (21) In fiscal year 2017, eliminated a full time Senior GIS Specialist position
- (22) In fiscal year 2017, added a full time GIS Specialist position
- (23) In fiscal year 2017, a full time Marketing Coordinator was promoted to a full time Senior Marketing Coordinator
- (24) In fiscal year 2017, added a full time Events Coordinator position
- (25) In fiscal year 2017, eliminated two part time Events Assistant positions

In the early 1800's there were no known white settlers in the area now known as Duluth, Georgia. At the time the area was part of the Cherokee Indian territory. In 1818, Gwinnett County was created by an act of the General Assembly of Georgia and the area was opened to settlers.

When one of the early settlers, Evan Howell came to the area from Cabarrus County, North Carolina, there was only one road opened at the time. This was Peachtree Road, an offshoot of an old Indian trail that ran along a bridge south of the Chattahoochee River. It had been surveyed and constructed during the War of 1812 and connected Fort Daniel with another fort at Standing Peachtree, 30 miles downriver. Peachtree Road is still the most famous road in Georgia.

In 1821, Evan Howell developed the town of Howell Crossing which later evolved into a major artery for the railroad. From 1821 to its incorporation in 1876 the community was named "Howell's Cross Roads". Evan Howell – the city's namesake – was also the grandfather of Atlanta Mayor Evan P. Howell.

Howell realized that more roads were needed in order for the area to develop, so he obtained permission in February 1833 to construct a road from the Chattahoochee River across his land to intersect Peachtree Road. This intersection became known as Howell's Cross and was known by this name for 40 years.

In 1871 when the railroad was constructed to Howell's Cross Roads a depot was erected there and Evan P. Howell, grandson of Evan Howell, was invited to deliver an address and name the new town. The county at the time was laughing about a speech delivered in the United States House of Representatives by Congressman James Proctor Knott. A bill was before the Congress to finance the building of a railroad in a certain section of Minnesota and to terminate at an obscure village by the name of Duluth. Knott's address brought down the House of Representatives and the country got a good laugh. Mr. Howell, therefore, gave the name of Duluth to Howell's Cross Roads.

Around the turn of the Century, Duluth had farmers coming from surrounding counties to have their cotton harvests ginned and shipped. During those days the streets of downtown Duluth were so covered with bales of cotton overflowing from the warehouses that the main streets were virtually impassable. While they were in the town, families stocked up on store bought goods and supplies from local merchants.

At one time, Duluth could boast of three cotton gins, ten cotton buyers, several warehouses, three mule trading barns, and three blacksmith shops. While much of the small-town character of this old cotton city remains, the hand of progress has led Duluth boldly and swiftly into the present. There is a lot of talk about the old days, and nostalgia runs as deep as the Chattahoochee River. Everyone here takes pride in what the community was, what it is today, and what it will be in the future. Duluth is a progressive City with its sights set firmly on the future, where all citizens capture the spirit of Good Living !

The City of Duluth currently encompasses 10.1 square miles, or 6441 acres. Located in the western portion of Gwinnett County, the City is approximately 20 miles northeast of Atlanta. Duluth is bordered by Fulton County along the Chattahoochee River and is situated between the cities of Norcross and Suwanee in Gwinnett County.

The City of Duluth’s employees are totally dedicated to providing quality customer service to all members of our community. We have published standards displayed at the entrances of each department. Our Vision is that of a vibrant City, where people are excited about living.

A City dedicated to its citizens to ensure:

- A safe and secure community.
- A dynamic and efficient organization.
- A clean environment.
- Innovative regional leadership, and
- A proactive approach to all issues.

We intend to provide the highest quality service to all City residents and to all who interact with municipal government. In all activities, especially the budget, City employees strive to achieve total customer understanding and satisfaction. We maintain the highest standards of honesty, integrity, and trust;

and thereby earn the confidence and respect of the community. We follow the basic tenants of the International City-County Management Association’s (ICMA) Code of Ethics in all we do. We share the fundamental belief that the quality of our performance as an organization is directly related to how well we inspire and support each other as colleagues and team members. We are consequently committed to being role models to create a quality work environment which:

- Values accountability,
- Rewards individual performance and organizational productivity,
- Fosters teamwork,
- Maximizes the development of personal performance
- Stimulates empowerment and openness,
- Encourages quality and excellence.

The City of Duluth serves the needs of the community in the following areas:

- Efficient Refuse Collection
- Recycling
- Park/Recreation
- City Newsletter
- Full Service Police Protection
- Duluth Against Drugs
- Vacation House Checks
- Traffic Study Analysis

- Zoning Code Enforcement
- Comprehensive Planning
- Services Building Inspection
- Street Lights
- Highway Beautification
- Drainage/Catch Basin Maintenance
- Franchise Management
- Street Maintenance/Resurfacing

Downtown Programs: including concerts, movies, festivals, etc.

The City of Duluth's Financial Policies and Procedures set forth the basic framework for the overall fiscal management of the City. Operating independently of changing circumstances and conditions, these policies guide the decision-making process of the Mayor, Council and Administration. The Annual Budget is a fiscal plan which presents the services to be provided to the community and the funds necessary to perform these services.

Budget Preparation

The City of Duluth operates under a fiscal year that begins on July 1st and ends June 30th. The budget process is the primary mechanism by which key decisions are made regarding the types and levels of service to be provided by the City given the anticipated amount of available resources. The major steps in the process are outlined below with a detailed schedule on page 30.

Proposed Budget- A proposed budget shall be prepared by the City Manager with the participation of all the City's Department Directors within the provisions of the City Charter. The City will avoid budgetary procedures that cover current expenditures at the expense of meeting future years' expenditures.

- a. Budget process begins in January of each year and is a six month process detailed in the budget calendar
- b. Department Directors develop expenditure requests for the next fiscal year.
- c. During the months of March and April, the Budget Committee reviews all departmental budget request to recommend a balanced budget.
- d. At least 60 days prior to the start of the fiscal year the City Manager submits to Council a proposed operating budget and capital improvement budget.
- e. A series of work session and public meeting are held to review and finalize the City Manager recommended budget.

- f. The annual budget is formally adopted by Council before July 1st.

Expenditure Control

The General Fund provides for the overall operations of the City. Each Department Director is responsible for monitoring their revenues and expenditures. On a citywide basis, the Finance Manager working with the City Clerk monitors all General Fund accounts.

Budget Control

Georgia Law, O.C.G.A. 36-81-2 establishes the legal level of budgetary control at the department level, which is the same level that has been adopted by the City. Within the overall budget limitations, authority is delegated to the City Manager and Department Directors intra-departmental transfer of non-personnel appropriations and revenue anticipation may be approved as deemed necessary. Under no circumstances, however may personnel appropriations or the total budget of any department be increased or decreased without Council approval.

Reporting

Monthly Budget Performance Reports will be prepared by the Finance Manager to enable Department Directors to manage their budgets and to enable the Finance Manager to monitor and control the budget as authorized by the City Clerk.

Policy Guidelines

The overall goal of the City's financial plan is to establish and maintain effective management of the City's financial resources. The following section outlines some of the policies used to guide the preparation and management of the City's budget. This section consists of operating budget policies, revenue policies, and financial accounting policies.

The development and preparation of the City's budget is guided by the following policies:

- All funds are required to balance. Anticipated revenues must equal the sum of budgeted expenditures. All funds should be included in the budget process.
- The Capital Improvement Program requires coordination and planning in conjunction with the various operating fund budgets.
- The General Fund is based on long-range financial plans which include unallocated fund reserves. The goal is to keep the reserve equal to or greater than four months of operating expenses and other financing uses.
- The City Council has mandated that the City shall maintain a designated Capital Reserve in an amount not less than two million dollars.
- The City Council has also approved that the General Fund Budget shall include a contingency equal to or less than 3% of the total General Fund Operating Budget.

Revenue Policies

The City will maintain effective collection systems and implement aggressive enforcement strategies in order to maximize revenues from available sources.

The City will maintain a broad revenue base with widely diversified revenue sources that will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will implement user fees in all areas where feasible and productive as well as seek to set fees at levels related to the costs of providing the services and to be consistent with what other jurisdictions/organizations are charging. Moreover, user fees will be reviewed annually as part of the budget process and will be adjusted as needed with Council approval in order to recoup costs.

The projection of revenues at the fund level will be both realistic and conservative in order that actual revenues will consistently equal or exceed budgeted revenues.

Financial Structure

The City accounting system is organized and operated on a fund basis, with financial transactions budgeted and recorded in individual funds. A fund is an independent financial and accounting entity. It is a set of interrelated accounts used to record revenues and expenditures associated with a specific purpose. Funds have a balancing set of accounts and records, cash and other financial resources in conjunction with all related liabilities and residual equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives on accordance with special regulations or restrictions. All of the City's individual funds are first classified by category and then by fund type within that category. The following is a description of the three fund types and a description of the funds in each category:

- I. **Governmental Fund Types:** The funds through which most governmental functions typically are financed. All governmental funds are accounted for on a spending or "financial flow" measurement focus. The acquisition, use and balances of the City's expendable financial resources, and related liabilities (except those accounted for in proprietary funds) are accounted for in governmental funds.
 - a. **General Fund:** The general operating fund for the City. Accounts for all financial resources except those required to be accounted for in another fund. Most financial transactions are reported in this fund. Only one general fund is permitted for reporting purposes.
 - b. **Special Revenue Funds:** Are created to account for the proceeds of specific revenue sources that are restricted legally to expenditure for specific purpose.
 - c. **Capital Project Funds:** Are used to account for financial resources to be used for the acquisition or construction of major capital improvements
 - d. **Debt Service Funds:** Are used to account for resources used to repay the principal and interest on general long-term debt, such a general obligation bonds.
 - e. **Permanent Funds:** Are used to report resources that are legally restricted to the extent that only earnings, and not principal may be used for purposes that support the reporting government's programs.

2. **Proprietary Funds:** The funds used to account for government activities that are similar to business operations in the commercial sector or the funds used when the reporting focus is on determining net income, financial positions, and changes in financial position.
 - a. **Enterprise Funds:** Used to report any activity for which the government charges a fee to external users for goods or services.
 - b. **Internal Service Funds:** Used to account for the financing of goods or services provided by one department to other departments of the City, on a cost reimbursement basis.
3. **Fiduciary Fund Types:** Are created to account for assets held by the government in a trustee or agent capacity such as taxes collected and held on behalf of other local governments and trusts which receive external donations for the benefit of parties external to the reporting government.
 - a. **Agency Funds:** Are holding accounts for assets belonging to some other agency/government other than the reporting government.
 - b. **Pension Trust Funds:** Account for those assets held for retirement payments to the employees of the reporting government.
 - c. **Investment Trust Funds:** Are used to account for the external portion of a government sponsored investment pool. The Georgia Fund I is an example of this type of fund.
 - d. **Private-Purpose Trust Funds:** Are used to report resources held and administered by the reporting government when it is acting in a fiduciary capacity for individuals, private organizations, or other governments.

Accounting Basis

The governmental funds are accounted for on the modified accrual basis of accounting. Under this basis, revenues are recognized when they are susceptible to accrual, when they become measurable and available. Likewise, expenditures are recorded as the liabilities are incurred, if measurable. However, principal and interest on general long-term debt are recorded as fund liabilities when due. Revenues susceptible to accrual are property taxes, licenses, interest revenues and charges for services. Fines are not susceptible to accrual generally since they are not measurable until received in cash. The City considers property taxes as available in the period for which they were levied if they are collected within 60 days after year-end.

The accrual basis of accounting is utilized by proprietary fund types. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred.

Budgetary Basis

All budgets are adopted on a basis of accounting consistent with Generally Accepted Accounting Principles (GAAP). The General, Special Revenue and Capital Project funds are developed on a modified accrual basis. The Enterprise fund is developed on the accrual basis. All annual appropriations lapse at the fiscal year end. The basis for budgeting is consistent with the basis for accounting with the difference being encumbrances. Encumbrances represent commitments related to unperformed contracts for goods or services. Encumbrance accounting, under which purchase orders, contracts and other commitments for expenditures of resources are recorded to reserve that portion of the applicable appropriation, is utilized in governmental funds. Encumbrances outstanding at year-end lapse and may be appropriated in the subsequent years' budget.

Investment Policies

Disbursement, collection and deposit of all funds will be appropriately scheduled to ensure the timely payment of expenses and investment of funds. The amount of total bank balances is classified into categories of credit risk:

- a. Cash that is insured or collateralized with securities held by the City or by its agent in the City's name; or
- b. Cash collateralized with securities held by the pledging financial institution's trust department or agent in the City's name.

Georgia statutes only authorize the City to invest in obligations of the United States Treasury or Agencies,

Banker's acceptances, repurchase agreements, the State of Georgia Local Government Investment Pool (Georgia Fund I), and certificates of deposit in national and state banks insured by the Federal Deposit Insurance Corporation.

The City has by ordinance established a Finance Committee, which is composed of up to eight members. The committee is made up of two members of the City Council, one to four residents of the City of Duluth, two of which may be business owners with a current city occupational tax certificate and two city residents, the Human Resources Manager, and the Finance Manager.

Fund Balance

In conjunction with Governmental Accounting Standards Board Statement 54 (GASB 54), the City shall maintain the following fund balance categories for all of the City's governmental funds:

Classification		Definition	Examples
Nonspendable		<p>"Amounts that cannot be spent because they are either:</p> <ul style="list-style-type: none"> a. Not in spendable form; or b. Legally or contractually required to be maintained intact."¹ 	<ul style="list-style-type: none"> • Inventories • Prepaid items • Long-term receivables • Permanent endowments
Restricted		<p>"Fund balance should be reported as restricted when constraints placed on the use of resources are either:</p> <ul style="list-style-type: none"> a. Externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or b. Imposed by law through constitutional provisions or enabling legislation."² 	<ul style="list-style-type: none"> • Restricted by state statute • Unspent bond proceeds • Grants earned but not spent • Debt covenants • Taxes dedicated to a specific purpose, and • Revenues restricted by enabling legislation.
Unrestricted	Committed	"Used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority" ³	<ul style="list-style-type: none"> • Amounts Council sets aside by resolution.
	Assigned	"Amounts that are constrained by the government's intent to be used for specific purposes, but are neither restricted nor committed" ⁴	<ul style="list-style-type: none"> • Council delegates the authority to assign fund balance to the City Manager. • Council has appropriated fund balance during the budget process.
	Unassigned	<p>"Unassigned fund balance is the residual classification for the General Fund. This is fund balance that has not been reported in any other classification. The General Fund is the only fund that can report a positive unassigned fund balance. Other governmental funds would report deficit fund balances as unassigned."⁵</p>	

¹ GASB Statement No. 54, ¶ 6

² GASB Statement No. 54, ¶ 8

³ GASB Statement No. 54, ¶ 10

⁴ GASB Statement No. 54, ¶ 13

⁵ GASB Statement No. 54, ¶ 17

The City of Duluth's fund balance policy is guided by the GFOA's recommended practice "Appropriate Level of Unrestricted Fund Balance in the General Fund." Measures should be applied within the context of long-term forecasting, thereby avoiding the risk of placing too much emphasis upon the level of unrestricted fund balance in the general fund at any one time. The City has established fund balance guidelines for Capital Reserve and Operating Reserve.

Capital Reserve

The Council has mandated that the City shall maintain a designated capital reserve in an amount to be set forth in the budget each fiscal year. Interest income generated from said reserve and payable in any particular fiscal year shall remain in the capital reserve. Withdrawal of said reserves is contingent upon the passage of an ordinance requiring the affirmative vote of at least four Council members (City Charter; Section 6.32).

Operating Reserve

The City will seek to maintain a level of unassigned fund balance in its General Fund greater than or equal to four (4) months of operating expenditures and other financing uses based on the current fiscal year's budget.

Use of "Excess" Fund Balance

Fund balance beyond designated or restricted reserves may be used as a funding source for the following year's budget, just like any recurring revenue, to pay for needed services and/or provide tax relief.

Debt Policies

The City avoids using short-term debt to fund any operating costs. The capital reserve, operating reserve, and contingency safeguards are intended to eliminate the need for short-term borrowing or debt. If, in spite of these safeguards, short-term borrowing becomes unavoidable, then the appropriate form for such borrowing would be competitively bid Tax Anticipation Notes (TANs) authorized in open session by Council. The City has eliminated the use of TANs for the last ten years.

If deemed in the best interest of the City, issuing long-term debt for capital improvements or participating in Georgia Municipal Association lease-purchase plans is possible. The only long term debt obligations of the City consist of revenue bonds issued through the Downtown Development Authority (DDA) and the Urban Redevelopment Agency (URA). The revenue bond funds have been used for various capital projects, including the Town Green (Series 2000), the Public Safety Building (Series 2012-refunding of Series 2003), the New City Hall (Series 2006) and The Block Development Project (Series 2015). While the debt associated with these borrowing resides with the DDA/URA that borrowed the funds, in the Series 2000, 2012, and 2006 offerings, the City has entered into an intergovernmental agreement in which the City has agreed to purchase the completed capital asset from the DDA/URA and in return, the City will make semiannual payments to the DDA/URA equal to the amount of the semiannual bond payments. In regards to the Series 2015 offering, the City has entered into an intergovernmental agreement in which the City has agreed to make semiannual payments to the DDA equal to the amount of the semiannual bond payments, in exchange for the DDA using the bond funds to make loans to private developers for the construction of the project.

Long-Term Debt Obligations

Entering into fiscal year 2015, the City (including its contractual agreements with its two component units - the DDA and URA), has the following long term debt obligations:

City of Duluth Long-Term Debt Obligations* June 30, 2017					
	DDA Revenue Bond Series 2000	URA Revenue Bond Series 2006	URA Revenue Bond Series 2012**	DDA Revenue Bond Series 2015	Total
Obligation Amount:	\$2,405,000	\$1,900,000	\$4,650,000	\$6,960,000	\$15,915,000
Purpose of Issue:	Town Green	New City Hall	Public Safety Building	The Block	
Date of Issue:	October 1, 2000	November 21, 2006	December 4, 2012	May 28, 2015	
Maturity Date:	December 1, 2020	June 1, 2024	June 2, 2024	December 1, 2025	
Amount of Issue:	\$6,520,000	\$5,000,000	\$7,095,000	\$7,500,000	
Interest Dates:	June & December	June & December	June & December	June & December	
Interest Rate:	5.29%	3.65% to 4.25%	1.63%	3.50%	
Call Date:	Noncallable	beginning June 1, 2016	Noncallable	Callable	
Paying Agent:	Wells Fargo	U.S. Bank	SunTrust Bank	Regions Bank	
* Intergovernmental agreements between City and DDA/URA.					
** Refunding of URA Revenue Bond Series 2003.					

In December 2012 with long-term interest rates at near historically low levels, the City did an advance refunding of their URA Revenue Bond Series 2003 in order to obtain significant savings from the difference between current rates and the rates on the outstanding bonds. Advance refunding is a financing technique that allowed the City to obtain the benefit of the current lower interest rates when the outstanding bonds were not currently callable. The proceeds from the sale of the refunding bonds - Revenue Bond Series 2012 – were used to purchase government securities, which were then deposited into an escrow account. At the date the Revenue Bond Series 2003 were callable (December 1, 2013), the funds in the escrow account were used to pay all principal and interest on these bonds. For accounting and financial reporting purposes, as of the date of the advance refunding, December 4, 2012, the URA Revenue Bond Series 2003 were considered defeased (void).

Debt Service Requirements

The historical and future debt service requirements (principal and interest payments) of the City are shown below.

GENERAL FUND DEBT SERVICE REQUIREMENTS

Legal Debt Margin

Under Georgia Constitution’s Article 9, Section 5, Paragraph I, the City has a legal debt limitation not to exceed 10% of the total assessed valuation of taxable property within the City boundaries. The legal debt margin represents the net amount of external financing resources that is available to the City through the issuance of general obligation (G.O.) bonds. G.O. bonds are debt instruments issued in the name of the government and whose repayment is guaranteed through a pledge of the full faith and credit of the issuer. In layman’s terms, when the majority of voters in a city approve a general obligation bond referendum, they are guaranteeing the purchaser of that bond that they will pay property taxes in an amount that is sufficient to redeem the bond upon maturity and pay the interest earned on the outstanding bonds. The legal debt margin is calculated at any point in time by deducting the amount of the current outstanding G.O. debt from the statutory debt limit. The reason for performing this calculation is to determine the maximum amount of new debt that could be legally issued should the need arise. The City of Duluth has no outstanding general obligation bond indebtedness and has the entire 100% percent of its legal debt capacity available. As provided by law, the issuance of revenue bonds by the City’s component units, does not count against the legal debt margin.

As indicated by the calculation in the table below, the legal debt margin for the City at the end of fiscal year 2017 is \$118,997,386. This is based on the latest tax digest (2016 calendar year).

City of Duluth Legal Debt Margin	
	FY 2017
Assessed value of all taxable property	\$ 1,189,973,864
Debt limit 10% of assessed value	118,997,386
Total debt applicable to limit	-
Legal debt margin	<u>\$ 118,997,386</u>
Total debt applicable to the limit as a percentage of debt limit	0.00%

Tax Millage Rate

As part of the budget adoption process, the City Council adopts a millage rate that provides the revenue needed, when combined with other revenue sources, to fund the appropriations and meet the City Charter's mandate of a balanced budget. The millage rate for the fiscal year 2018 will remain at 6.551 mills.

Millage Rates 1997 to 2017

1997	5.550	2004	5.191	2011	5.991
1998	5.550	2005	5.191	2012	5.991
1999	5.550	2006	5.191	2013	5.991
2000	5.360	2007	5.191	2014	5.991
2001	5.191	2008	5.191	2015	5.991
2002	5.191	2009	5.191	2016	5.991
2003	5.191	2010	5.991	2017	6.551

Millage Rate History

Fund/Account Structure

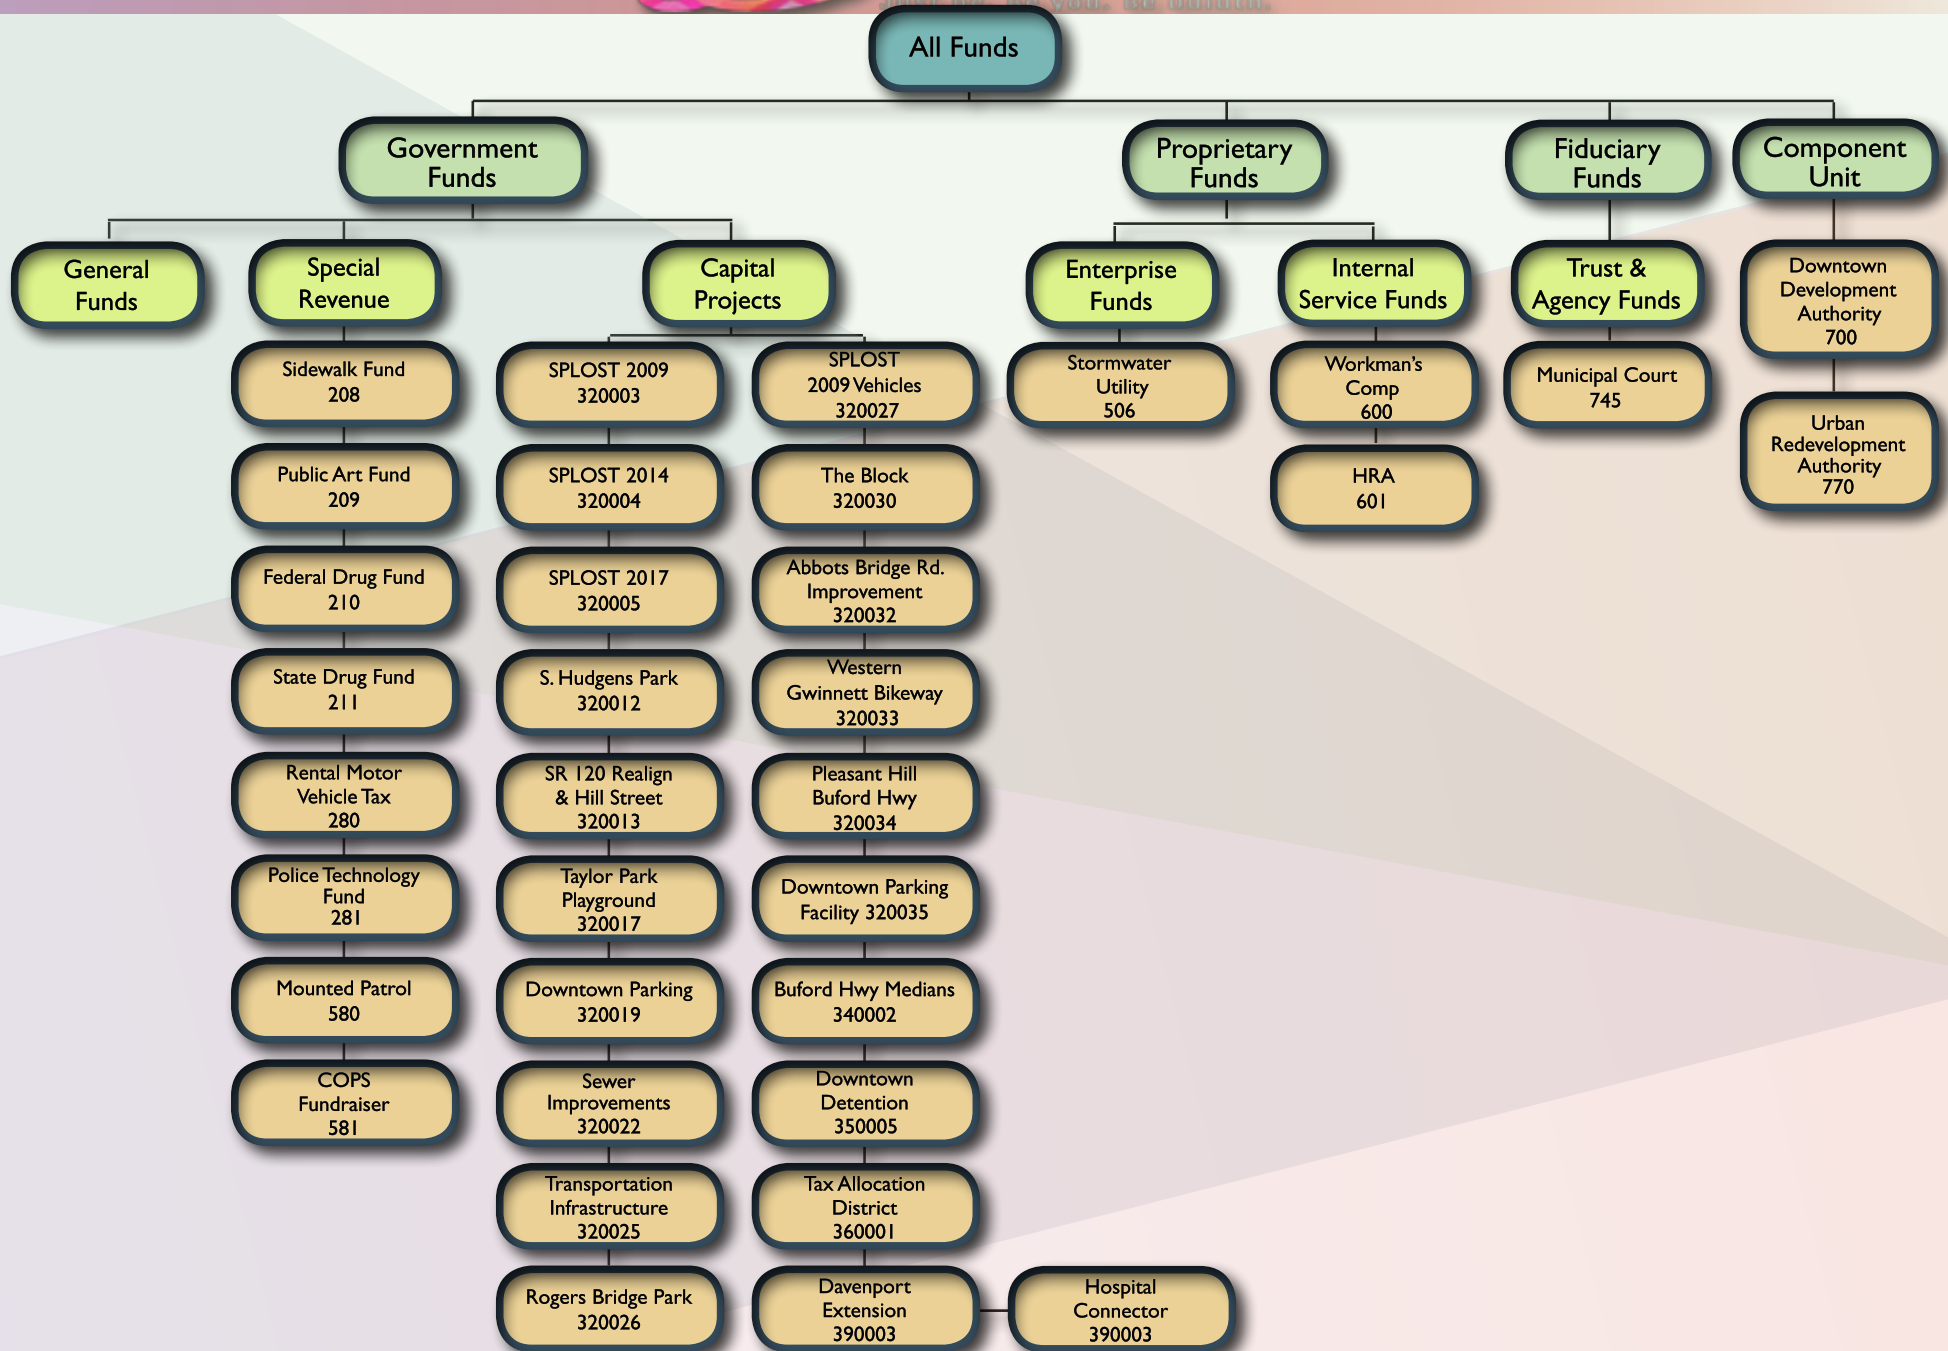

The City of Duluth's accounting system is organized and operated on a fund basis. All of the City's individual funds are first classified by category and then by fund type within and category. Duluth uses three primary categories:

1. **Governmental Funds:** The funds through which most governmental functions typically are financed.
2. **Proprietary Funds:** The funds used to account for government activities that are similar to business operations in the commercial sector or the funds used when the reporting focus is on determining net income, financial positions, and changes in financial position.
3. **Component Unit:** a legally separate entity for which the governing board and/or management of Duluth is financially accountable.

The three categories above are divided into the following fund types:

1. **General Fund:** Account for all financial resources except those required to be accounted for in another fund.
2. **Special Revenue Fund:** Account for the proceeds of specific revenue sources that are restricted legally to expenditure for specific purpose.
3. **Capital Project Funds:** Account for financial resources to be used for the acquisition or construction of major capital facilities.
4. **Enterprise Funds:** A government may use an enterprise fund to report any activity for which it charges a fee to external users for goods or services.
5. **Internal Service Funds:** Account for the financing of goods or services provided by one department to other departments of the City, on a cost reimbursement basis.
6. **Trust and Agency Funds:** Account for assets held by government in a trustee capacity or as an agent for individuals, private organizations, other government units, and or funds.

Department/Fund Relationship

	Government Funds			Proprietary Funds		Fiduciary Funds	Component Unit
Department	General Fund	Special Revenue	Capital Projects	Stormwater Utility	Internal Service	Municipal Court	DDA & URA

The table above shows the relationship of each department to the City of Duluth funds. The City departments are represented in the left most column of the table and the City funds are represented along the top of the table. An "X" in a box illustrates that the corresponding department may have received an appropriation from that fund or is involved in the operation of the fund.

Account Coding Structure

The City of Duluth adheres to the Uniform Chart of Accounts for Local Governments in Georgia. The primary goal in establishing a Uniform Charts of Accounts is to improve government accountability by making financial information reported by Georgia's local governments more comparable, thereby enabling local taxpayers and local policy makers to better understand and evaluate local government service delivery and operations.

Fund	Function	Activity	Account
####	#####	#####	#####

Examples of Duluth's account coding structure:

The purchase of supplies for the police uniform division is coded: 100.3000.3223.531104

Fund: 100 – General Fund

Function: 3000 – Police

Activity: 3223 – Uniform Division

Account: 531104 – Supplies

The purchase of building maintenance for Rogers Bridge Park is coded 100.6000.6218.522130

Fund: 100 – General Fund

Function: 6000 – Parks and Recreation

Activity: 6218 – Rogers Bridge Park

Account: 522130 – Building Maintenance

The grant payment for the Community Betterment Program is coded: 100.7000.7410.573002

*Charter requirement

The 2018 City of Duluth budget will become effective on July 1, 2017 and run through June 30, 2018. The City provides many services to its current residents and businesses, as well as planning for those that will be available in the future. The FY2018 Annual Budget accounts for over \$26 million* in fund revenues, grants from a variety of sources and Fund Balance.

*This does not include the Capital Improvement program which is multi-year project based capital asset program.

The Mayor and Council spend several sessions reviewing and revising the budget as presented by staff. The City Council makes the final determination as to how much money will be approved for the operating budget and capital improvement budget. The last step of the process is the public hearing, where citizen input is accepted and considered. Once adopted, the budget is put into place and becomes the spending plan for the fiscal year.

Property Tax Rates

Ad Valorem Property Taxes are the largest single revenue source for the City of Duluth. The millage rate has remained steady historically, with some slight increase in recent years, as you can see from the previous table. The City has been able to accomplish this objective as a result of new residential and commercial development and also through wise financial management. This expansion in residential and commercial development increases the demand for City services. The City's goal is to try to maintain the current level of services with minimal tax increases for the citizens of Duluth.

In addition to other revenues, Property Taxes provide support for expenditures of all city departments, with the exception of project specific grant funds. An illustration of how your property tax bill is calculated is shown below and is based on the current millage rate of 6.551 (0.006551).

EXAMPLE:

Based on a home with a fair market value of \$200,000, the assessed value would be \$80,000 ($\$200,000 \times 40\%$), as tax bills are calculated using 40% of a property's fair market value. The amount billed for property taxes would be

$\$80,000 \times .006551 = \524.08 per year. The property tax bill would be further reduced by any exemptions available to

the property tax owner and the tax bill its self would be reduced by any tax credit available.

Balanced Budget

REVENUES

Projected Revenues and Grants	\$ 25,400,622
Prior Year Reserves	<u>840,614</u>
Total Revenues	<u>\$ 26,241,236</u>

EXPENDITURES

Operations Budget	\$ 21,008,464
Other Funds	<u>4,379,402</u>
Total Expenditures	<u>\$ 26,241,236</u>
Difference in Revenues and Expenditures	<u>\$ -0-</u>

Revenue Summary

In FY 2018, it is anticipated that the City will take in \$25,400,622 in revenue and various grants. This includes funds received from taxes, license fees, fines, user fees, intergovernmental grants, and bonds. For FY 2018, the City has budgeted to expend \$26,241,236. As a result, it will be necessary to use \$840,614 of the City's savings (prior year reserves) to fund the budgeted expenditures. Therefore, in FY2018 the City has a balanced budget.

ORDINANCE

TO ADOPT THE FISCAL YEAR 2018 BUDGET FOR EACH FUND OF THE CITY OF DULUTH, GEORGIA, APPROPRIATING THE AMOUNTS SHOWN IN EACH BUDGET AS EXPENDITURES/EXPENSES, ADOPTING THE SEVERAL ITEMS OF REVENUE ANTICIPATIONS, AND PROHIBITING EXPENDITURES OR EXPENSES FROM EXCEEDING THE ACTUAL FUNDING AVAILABLE. THE FISCAL YEAR 2018 BUDGET IS ATTACHED AS EXHIBIT “A.”

WHEREAS, sound governmental operations require a budget in order to plan the financing of services for the residents of the City of Duluth; and

WHEREAS, Title 36, Chapter 81, Article 1 of the Official Code of Georgia, Annotated (OCGA) requires a balanced budget for the City’s fiscal year, which runs from July 1st to June 30th of each year; and

WHEREAS, the City Council held public hearings on May 8, 2017, and June 12, 2017, duly noticed as prescribed by law and published in the Gwinnett Daily Post at which time the public was given the opportunity to voice their protests, suggestions, or criticisms, if any, on the budget; and

WHEREAS, the Mayor and Council of the City of Duluth have reviewed the proposed FY18 budget as presented by the City Manager; and

WHEREAS, each of these funds is a balanced budget, so that anticipated revenues and other financial resources for each fund equal the proposed expenditures or expenses; and

WHEREAS, the Mayor and Council wish to adopt this proposal as the Fiscal Year 2018 Annual Budget, effective July 1, 2017 to June 30, 2018.

NOW THEREFORE, the Council of the City of Duluth, Georgia hereby ordains as follows:

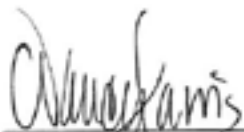

- Section 1. That the proposed Fiscal Year 2018 Budget attached hereto as shown on Exhibit “A” and incorporated herein as a part of this Ordinance is hereby adopted as the Budget for the City of Duluth, Georgia for Fiscal Year 2018 with a tentative millage rate of 6.551 mills.
- Section 2. That the several items of revenues, other financial resources, and sources of cash shown in the budget for each fund in the amounts anticipated are hereby adopted, and that the several amounts shown in the budget for each fund as proposed expenditures or expense, and uses of cash are hereby appropriated to the departments named in each fund.
- Section 3. That the “Legal levels of Control” as defined in OCGA 36-81 are set at the departmental fund level.
- Section 4. That all appropriations shall lapse at the end of the fiscal year.

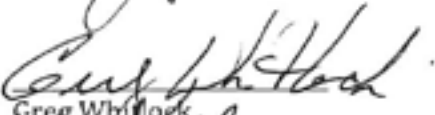

Section 5. That this Ordinance shall be and remain in full force and effect from and after its date of adoption.

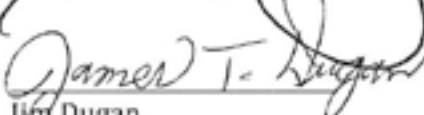

IT IS SO ORDAINED this 12th day of June, 2017.

Explanation of Changes in Fund Balance Greater Than 10%

General Fund - FY 2018 expenditures are projected to exceed revenues by \$2,027,099. This is largely due to budget practices that budget revenues conservatively and expenditures without discounting, often leaving unspent funds at year end. FY 2017 Adopted Budget forecast a use of \$3,694,061 in fund balance, however actual use of fund balance will be less than \$600,000. Mainly due to increase revenue and a reduction in transfer out.

Special Revenue Funds - FY 2017 budget anticipated overall expenditures of \$337,147. Actual expenditure were \$225,107. Resulting in a higher year end FY 2017 fund balance. Mainly due to lower than anticipated expenditures in the State Drug Fund, Police Technology Fund and COPS Fundraiser Fund. Most of the unspent funds have been carried forward into the FY 2018 budget.

Internal Service Funds - Health Reimbursement Account (HRA) funding transfer from the General Fund was reduced by \$35,000. This is a planned use of fund balance, due to the fund balance being equal to 191% of annual budgeted expenditures.

Component Unit - Negative fund balance is the result of outstanding revenue bond obligations. General fund and third parties continue to provide sources of revenue to repay the bonds. Higher bond principal payments result in a positive change in the overall fund balance.

The overall budgeted revenue \$18,981,362 has increased by \$1.4M from the FY 2017 amended budget. The 8.1% increase in total General fund revenue is mainly due to increase in Property taxes, business taxes and Licenses & Permits revenue. The General Property Taxes has been increased by 13.3% as a result of the millage rate increase, new construction and reassessment growth.

General Fund Revenues
Summary

FY 2018 Budget City of Duluth, GA

REVENUE – GENERAL FUND

June 30, 2017 to July 1, 2018

Taxes

The City of Duluth's main revenue source is collected through Taxes. There are four primary categories for tax revenues: General Property Taxes, Excise Taxes, Business Taxes, and Penalties and Interest on Delinquent Taxes. This category represents 75.4% of the total FY 2018 proposed general fund revenues. The City has budgeted to collect \$14,304,970 in Tax revenue during FY 2018, an increase of 12.2% from FY 2017. City forecasted more than 10% increase in both Property taxes and Business taxes categories. The main driver for the Property tax increase is the millage rate increase in FY 2017. The Duluth City Council voted to increase millage rate from 5.991 to 6.551 in FY 2017. The Duluth City

Franchise Tax	2,067,526	2,105,103	2,075,000	2,020,000	(55,000)	-2.7%
Total:	\$ 9,167,465	\$ 9,516,954	\$ 9,446,331	\$ 10,698,750	\$ 1,252,419	13.3%

General Property Taxes are ad valorem taxes levied on an assessed valuation of Real and/or Personal Property, Motor Vehicles, Intangible Taxes and Franchise Taxes within the City limits of Duluth. This category represents 56.4% of the total FY 2018 budgeted general fund revenues. These taxes are projected based on estimated growth of the state approved tax digest at millage rates adopted by Council. 13.3% increase in General property tax is mainly due to the projected property tax revenue growth based on newly adopted millage rate, rising property values from re-assessments and growth due to new construction.

Property Taxes: Each year the Duluth City Council adopts a property tax rate for the ensuing fiscal year. Bills are mailed each fall, after the tax digest has been reviewed and approved by the Georgia Department of Revenue. The Tax Commissioner of Gwinnett County is responsible for preparing the annual digest and submitting it to the City. The assessed valuation is 40% of the actual value of the property. 90% of property taxes are collected on or before December 15th. Collections received after December 15th are considered delinquent and penalties accrue. City's FY 2018 property tax revenue is projected to be \$7.8 M generated by using the new millage rate 6.551, 3.3% increase in assessed values of existing properties and approximately \$338,000 tax digest addition from new construction based on CO(Certificate of Occupancy) issued in calendar year 2016.

Transfer Taxes: This revenue is collected as a real estate excise tax on transactions involving the sale of property. It is imposed at \$1 on the first \$1,000 or fractional value, then \$.10 per additional \$100 of value. The tax is divided among overlapping local governments proportionally, based on millage rates. **Intangible Taxes:** Revenues that are received from a tax on long term notes secured by real estate. The tax is imposed at a rate of \$1.50 for each \$500 of long term indebtedness. Both Transfer tax and Intangible tax revenues were projected using most recent three year average of change applied to the available FY 2017 collections.

Property Tax Revenue

Gwinnett Motor Vehicle Taxes: Revenues that are received from ad valorem taxes levied on motor vehicle personal property. Effective March 1, 2013, House Bill 386 removed the sales tax and the annual ad valorem tax on newly purchased vehicles. It replaced these taxes with a new **Motor Vehicle Title Ad Valorem Tax (TAVT)** that has been phased in while the old tax has been phased out. The most recent years' trend shows both tax revenues are decreasing and city projects \$120,000 less revenues for the both new TAVT and Gwinnett Co Motor Vehicle Tax combined in FY 2018.

Franchise Taxes: Taxes imposed on private companies for the privilege of using public property for private purposes. Public Utilities operating within the City of Duluth must pay to the City a franchise fee in return for the right to do business within the City and for the right to use public rights-of way for transmission lines, pipes, wires, etc. The City receives franchise fees from various utility companies such as GA Power, Jackson EMC, Republic Services, Atlanta Gas Light Company, AT&T, Charter communications, Comcast, Google fiber, Birch communications, Cbeyond communications, Level 3 communications, Tower Cloud, etc. Traditionally, revenue projections are based on historical trends in conjunction with current economic indicators and past climate conditions but the most recent year's trend was mainly used for FY 2018 Franchise taxes revenue.

Selective Sales and Use Taxes				FY17		FY18		Amount Change	% Change		
				FY15 Actual	FY16 Actual	Amended Budget	Adopted Budget				
Alcohol Beverage Tax	\$	585,349	\$	607,079	\$	570,000	\$	610,000	\$	40,000	7.0%
Mixed Drink Excise Tax		52,331		55,645		44,000		52,000		8,000	18.2%
Energy Excise Tax		8,137		11,413		11,000		14,000		3,000	27.3%
Total:	\$	645,817	\$	674,137	\$	625,000	\$	676,000	\$	51,000	8.2%

Selective Sales and Use Taxes are levied on the sale, distribution and consumption of selected goods and services in the City limits. This category represents 3.6% of the total FY 2018 general fund revenues. Projections are based on recent years' trends in conjunction with current economic conditions. An overall increase of 8.2% of this revenue category is projected from FY 2017 budget amount.

Alcohol Beverage Tax: Taxes that are levied on the distribution of distilled spirits, malt beverages, and wine.

Mixed Drink Excise Tax: Taxes that are levied on the sale of distilled spirits by the drink.

Energy Excise Tax: House Bill 386 authorized a new local excise tax on energy that is levied on the sales, use, storage, or consumption of energy.

Business Taxes

Business Taxes are revenues from business and financial institutions' occupational licenses and excise taxes on insurance premiums written by insurance companies conducting business within the City limit. This category represents 15.3% of the total FY 2018 general fund revenues and is projected to increase by 10.5% from FY 2017. Projections are based on the recent years' trends, economic conditions.

Business Tax	FY15 Actual	FY16 Actual	FY17 Amended Budget	FY18 Adopted Budget	Amount Change	% Change
Occupation Tax	\$ 1,075,851	\$ 1,074,780	\$ 970,000	\$ 1,080,000	\$ (10,000)	11.3%
Occupational Tax Administration Fee	80,557	82,094	75,000	80,000	(14,000)	6.7%
Insurance Premium Tax	1,434,719	1,532,819	1,530,000	1,690,000	-	10.5%
Institutional Tax	44,859	58,989	54,000	54,000	-	0.0%
Total:	\$ 2,635,987	\$ 2,748,682	\$ 2,629,000	\$ 2,904,000	\$ 275,000	10.5%

Occupational Taxes: Taxes levied on businesses and practitioners of occupations and professions which maintain a physical location or office within the City limits. This tax is based on one or more the following: flat tax, probability, and/or gross receipts. Such taxes are due at the time the business begins operation and are renewed thereafter on or before January 30th each year.

Occupational Tax Administration Fees: These funds are collected to cover the administrative costs associated with the processing of the Occupational Tax Applications.

Occupational Tax

Insurance Premium Tax

Insurance Premium Tax: The State of Georgia levies a tax on insurance premiums collected within the City limits. Revenue from this tax is then distributed back to the City each October.

Institutional Tax: Taxes on depository financial institutions located in the City limits. Renewals are mailed out in January with a March 31st deadline. The majority of these funds are collected in March

Total Business tax

Penalty & Interest on Delinquent Taxes

Penalties and interest on delinquent taxes are amounts assessed as penalties for the payment of taxes after their due date, and the interest charged on delinquent taxes from their due date to the date of actual payment. The projected amounts are based on the recent years' trend and the provision of HB960 that went effective in 2016.

Penalties & Interest on Delinquent Taxes	FY15		FY16		FY17	FY18		
	Actual		Actual		Amended Budget	Adopted Budget	Amount Change	% Change
Interest on Delinquent Taxes	\$ 21,134	\$	24,174	\$	19,000	\$ 9,000	\$ (10,000)	-52.6%
Tax Penalty	31,279		41,973		20,000	6,000	(14,000)	-70.0%
Alcohol Late Penalty	-		2,538		100	100	-	0.0%
Occupational Tax Penalty	16,890		7,865		9,000	9,000	-	0.0%
Tax FIFA Cost	1,392		1,164		1,800	2,120	320	17.8%
Total:	\$ 70,696	\$	77,713	\$	49,900	\$ 26,220	\$ (23,680)	-47.5%

Interest on Delinquent Taxes: All tax payments that are considered delinquent are subject to accrue interest. Previously, interest was charged at a rate of 1% per month, beyond the due date. House Bill 960 has changed the calculation of penalties on property taxes and interest on most categories of taxes beginning July 1, 2016. The current interest rate is .563 per month, based on an annual calculation of Federal Prime Rate (3.75% for calendar year 2017) plus 3%. Thus the annual interest rate will change when the Federal Reserve announces the new bank prime loan rate each January.

Tax Penalty: Property tax billings are mailed out the first week of September each year. Collections received after December 15th are considered delinquent. The House Bill 960 has changed the penalty to 5% after 120 days with an additional 5% assessed after each successive 120 days to a maximum of 20% of the principle amount due.

Alcohol Late Penalty: Alcohol renewals are mailed in April to renew for the following year. Renewals are due back to the City by June 1st of each year, after June 1st renewals are considered delinquent and subject to a 10% penalty.

Occupational Tax Penalties: Occupational Taxes received after April 30th are considered delinquent and charged a 10% penalty plus 1.5% interest per month the tax is delinquent.

Tax FI FA cost: This revenue is collected to recover the City's cost of filing Fieri Facias (Fi Fa's) on delinquent taxes and fees for filing tax liens on properties with severely delinquent property taxes. A tax FI FA will be recorded on or about March 15 in Gwinnett County Superior Court on all unpaid tax bills from prior calendar year.

Licenses and Permits

The City of Duluth has three categories for the collection of revenues from licenses and permits: Business Licenses, Non-Business Licenses & Permits, and Regulatory Fees. The City has budgeted to collect \$790,250 in Licenses and Permits revenue during FY 2018, an increase of 18.2% from FY 2017. City projected increase in Regulatory fees and Business Licenses due to recent residential and commercial developments within the city limits.

Licenses & Permits	FY15 Actual	FY16 Actual	FY17	FY18	Amount Change	% Change
			Amended Budget	Adopted Budget		
Business Licenses	\$256,475	\$294,720	\$250,900	\$289,100	\$ 38,200	15.2%
Non-Business Licenses & Permits	31,312	34,372	20,300	21,500	1,200	5.9%
Regulatory Fees	513,373	461,107	397,200	479,650	82,450	20.8%
Total:	\$801,160	\$790,198	\$668,400	\$790,250	\$121,850	18.2%

Business Licenses

Business Licenses are revenues collected from businesses for the issuance of various licenses and permits by the City.

Business Licenses	FY15	FY16	FY17	FY18	Amount Change	% Change
	Actual	Actual	Amended Budget	Adopted Budget		
Alcohol Handling Permits	\$ 40,153	\$ 45,775	\$ 39,000	\$ 44,000	\$ 5,000	12.8%

Total:	\$ 31,312	\$ 34,372	\$ 20,300	\$ 21,500	\$ 1,200	5.9%

Repermitting Building Permits: Fee charged when it is necessary to repermit a building construction project.

Rezoning: Fees collected from applicants for the review and processing of zoning applications and modifications.

Sign Permits: Fees collected for the issuance of permits authorizing the use of freestanding signs.

Planning Review Fees: Fees collected from compliance reviews of residential and commercial plans.

Charges for Service

Charges for Service are fees collected by the City of Duluth for services that it provides. The City of Duluth collects revenues from four primary categories of service: Public Safety, Utilities/Enterprise, Cultural and Recreation, and Other Charges for Service. This category represents 3.3% of total budgeted revenue. The City has budgeted to collect \$629,180 in Charges for Service revenue during FY 2018, an increase of 6.3% from FY 2017. The projected amounts are based on historical trends.

Charges for Service			FY17	FY18	Amount Change	% Change
	FY15 Actual	FY16 Actual	Amended Budget	Adopted Budget		
Public Safety	\$ 83,220	\$ 83,000	\$ 73,500	\$ 76,900	\$ 3,400	4.6%
Utilities / Enterprise	192,500	193,183	188,338	198,230	9,892	5.3%
Cultural & Recreation	310,191	342,134	294,800	317,530	22,730	7.7%

■ Police Department Copies ■ False Alarms ■ Police Department Fingerprints ■ Criminal History Background

Utilities/Enterprises

Utilities/Enterprises are fees charges for utility services provided by the City of Duluth and a decrease of 5.3% is expected from FY 2017.

Garbage Bags: In FY 2014, the City of Duluth renewed its contract with Republic Services for garbage collection. The City's garbage collection is financed through the sale of mandatory garbage bags which can be purchased at several locations such as the City Hall and local grocery stores. City offers discount on garbage bags for seniors/disabled residents with qualifying income levels. Further information can be found at

http://www.duluthga.net/departments/public_works/garbage.php

Garbage Bag Rebate: The City receives rebates from the sale of garbage bags.

REUSE
REDUCE
RECYCLE

Cultural and Recreation

Cultural and Recreation revenues are collected as fees administered by the City for the renting of City facilities and offering various recreational programs and camps. City charges minimal fees to offset the cost of facility maintenance and direct costs related to offered programs. This category represents 1.7% of total budgeted revenue. The projected amounts are based on historical trends and an increase of 7.7% from FY 2017 is expected.

Cultural & Recreation	FY15		FY17		FY18

Concessions	2,322	1,055	1,000	730	(270)	-27.0%	
Total:	\$ 310,191	\$ 342,134	\$ 294,800	\$ 317,530	\$ 22,730	7.7%	

Facility Rentals: Revenue fees to be collected from rental of park facilities for special events such as business meetings, birthday parties, and receptions.

Contractual Fees/Field Rentals: Revenue fees to be collected from organizations that are under contract with the City for the use of Parks facilities/fields such as, but not limited to, Peachtree Ridge Youth, Notre Dame Academy and Atlanta United Fire.

Gym Rental: This revenue source is collected thru rental fees for recreational programs such as basketball tournaments and practices. These fees are collected in advance of rental.

Recreational Programs: This revenue source is collected thru registration fees from various classes offered by City. City offers various recreational programs to promote healthy and quality life of its community. Class details can be found at Duluth Life newsletter available on City's website. Newsletters are mailed out to residents each quarter and also available for pick up at City hall.

Day Camp: This revenue source is collected thru registration fees from Bunten Park's weekly themed summer day camps for children ages 4-12 offered throughout the summer vacation.

Concessions: newly added to provided concession service to park events.

Tennis Court Fees: This revenue source is collected as a usage fee from the City's tennis programs and court rentals. Tennis court usage fees are collected for the use of both W.P. Jones and Bunten Road Park tennis complexes.

Senior Programs: City of Duluth Fifty and Beyond Group program offers various activities and social services for seniors.

Other Charges for Service

The City of Duluth collects revenue from other charges for service including Bad Check Fees, Online Convenience Fees, Event Attendant Fees, and Alcohol Training Class. The projected amounts are based on historical trends and are expected to increase by 3.8% from FY 2017.

Other Charges for Services			FY17	FY18		
	FY15	FY16	Amended	Adopted	Amount	%
	Actual	Actual	Budget	Budget	Change	Change
Bad Check Fee	\$ 225	\$ 174	\$ 200	\$ 220	\$ 20	10.0%
Appeal Hearing Fees	500	2,250	-	-	-	NA
Online Convenience Fee	4,025	40	-	-	-	NA
Event Attendant Fees	29,493	30,126	28,000	28,000	-	0.0%
Alcohol Training Class	7,620	8,683	7,000	8,300	1,300	18.6%
Total:	\$ 41,862	\$ 41,273	\$ 35,200	\$ 36,520	\$ 1,320	3.8%

Bad Check Fee: Bounced checks written to the City of Duluth are considered bad and are subject to a fee.

Online Convenience Fee: Revenues collected by the City for the payment of taxes and fines online to offset the credit card processing fees charged to the City for such payments.

Event Attendant Fees: Fees collected by the City to cover the labor cost for Event attendants.

Alcohol Training Class: City offers mandatory Alcohol awareness training class throughout the year to reduce abuse and accidents related to alcohol consumption and handling.

Fines and Forfeitures

Fines and Forfeitures include monies derived from fines and penalties imposed for the commission of statutory offenses, violation of lawful administrative rules and regulations, and for the neglect of official duty. The City has three types of Fines and Forfeitures: Court Fines, Bond and Forfeitures, Cash Confiscation and Red Light Camera Fines. This category represents 9.5% of the total FY 2018 proposed general fund revenues. Duluth has budgeted to collect \$1,811,000 in Fines and Forfeitures revenues in FY 2018. The projected value is based on recent years' trend.

Court Fines: Revenues received from fines imposed upon those violating Georgia laws and county and municipal ordinances in City limits.

Cash Confiscation: Revenue derived from Court ordered forfeiture of assets based on a violation of Georgia law.

Red Light Fines: The City of Duluth contracts out our red light camera monitoring to an external private company. The dollar amount presented in this budget document is the City's net revenue after covering the cost of the monitoring service. Currently City's permit has been expired and City needs to reapply for permit to reinstate cameras.

Fines & Forfeitures	FY15 Actual	FY16 Actual	FY17	FY18	Amount Change	% Change
			Amended Budget	Adopted Budget		
Court Fines	\$ 2,298,752	\$ 2,018,517	\$ 2,100,000	\$ 1,800,000	\$ (300,000)	-14.3%
Bonds & Forfeitures	-	3,609	-	10,000	10,000	NA
Cash Confiscation	-	26,306	100	1,000	900	900.0%
Red Light Fines	56,150	316	-	-	-	NA
Total:	\$ 2,354,902	\$ 2,048,748	\$ 2,100,100	\$ 1,811,000	\$ (289,100)	-13.8%

Intergovernmental Revenues

Intergovernmental Revenues are revenues from other governmental entities or non-profits in the form of operating grants, entitlements, shared revenues, or payments in lieu of taxes. This category represents 6.0% of the total FY 2018 proposed general fund revenues. The City has budgeted to collect \$1,138,586 in Intergovernmental Revenues during FY 2018, an increase of 1.1% from FY 2017. This is due to a slight increase in payments due from Gwinnett County for E-911 expenditures and an annual police payment based on a court settlement.

Intergovernmental Revenues	FY17		FY18		Amount Change	% Change
	FY15 Actual	FY16 Actual	Amended Budget	Adopted Budget		
Governmental Grants	\$ 4,399	\$ 5,578	\$ 10,088	\$ 8,476	\$ (1,612)	-16.0%
Payments in Lieu of Taxes	1,140,043	1,168,122	1,116,110	1,130,110	14,000	1.3%
Total:	\$1,144,442	\$1,173,699	\$1,126,198	\$1,138,586	\$ 12,388	1.1%

Governmental Grants: Payments to the City of Duluth by the federal or state government for specified purposes.

Payments in Lieu of Taxes: Payments received by the City of Duluth made from another governmental entity or non-profit in lieu of property taxes that it would have had to pay had its property been subject to taxation on the same basis as privately owned property.

Other Financing Sources

Other Financing Sources include any revenues collected by the City that are not included in other funds already described. The City of Duluth has two primary categories for this fund: Interfund Transfers and Proceeds from General Long Term Liabilities. The City has budgeted \$112,726 in Other Financing Source revenues during FY 2018, a decrease of 8.7% from FY 2017. This revenue is derived mainly from an annual transfer from the Police Technology Fund to cover the cost on new police technology.

Other Financing Sources	FY15		FY17		Amount Change	% Change
	Actual	Actual	Amended Budget	Adopted Budget		
Interfund Transfers	\$108,946	\$118,082	\$122,476	\$112,476	\$ (10,000)	-8.2%

Alcohol Posted Sign	400	400	75	150	75	100.0%
Total:	\$ 36,956	\$ 35,589	\$ 10,175	\$ 12,750	\$ 2,575	25.3%

Downtown Rental Income: Revenue collected by the City from private companies for the rental of City owned properties.

Community Room Rental: Revenue collected by the City from the private rental of the City Hall Community Room.

Festival Center Rental: Revenue collected by the City from the private rental of the downtown Festival Center.

Festival Center Table, Linen, and Equipment Rental: Revenue collected by the City from the private rental of City owned tables, linens, and equipment for private events.

Telephone Commission

Telephone Commissions are collected by the City as a result of private telephone equipment being located on the City's property and City projected \$2,999 more income than FY 2017. The projection is based on the recent years' trend.

Telephone Commissions	FY15 Actual	FY16 Actual	FY17	FY18	Amount Change	% Change
			Amended Budget	Adopted Budget		
Rental Income Grid	\$66,845	\$70,126	\$63,001	\$66,000	\$2,999	4.8%
Total:	\$66,845	\$70,126	\$63,001	\$66,000	\$2,999	4.8%

Rental Income Grid: The City receives payments for leasing of public owned land to private companies for the placement of cellular towers.

Other Revenue

Other Revenue income is all miscellaneous revenues not included above.

Other Revenue			FY17	FY18		
	FY15	FY16	Amended	Adopted	Amount	%
	Actual	Actual	Budget	Budget	Change	Change
Miscellaneous Revenue	\$ 7,748	\$ 12,833	\$ 5,000	\$ 5,000	\$ -	0%

Insurance Claims Reimbursements	45,902	9,100	2,000	2,000	-	0%
Total:	\$ 87,514	\$ 21,373	\$ 22,100	\$ 17,100	\$ (5,000)	-23%

Investment Income

Investment income includes monies derived from the investment of City assets. The City of Duluth has three sources of Investment Income: Interest Income from Checking, General Investment Income, and Investment Income from Capital Reserves. The City has budgeted to collect \$60,500 in Investment Income revenues during FY 2018, an increase of 11.4% from FY 2017. This is due to increase in interest rate in financial market.

Investment Income	FY15 Actual	FY16 Actual	FY17	FY18	Amount Change	%
			Amended Budget	Adopted Budget		
Interest Income - Checking	\$ 4,608	\$ 3,817	\$ 3,000	\$ 3,200	\$ 200	7%
Investment Income	49,304	52,867	47,000	51,000	4,000	8.5%
Investment Income/Capital Reserves	11,335	4,678	4,300	6,300	2,000	46.5%
Total:	\$ 65,246	\$ 61,362	\$ 54,300	\$ 60,500	\$ 6,200	11.4%

Interest Income from Checking: Revenues derived from interest earned on the City's checking accounts.

General Investment Income: Revenues derived from short term cash investments including Certificate of Deposits (CD) and Money Markets.

Investment Income from Capital Reserves: Revenues derived from interest earned on the City's capital reserve investment consisting of a single CD.

Contributions and Donations

Contributions and Donations are financial resources provided by private contributions. The City has budgeted to collect \$26,900 in Contributions and Donations revenue during FY 2018, a decrease of 24.0% from FY 2017.

Contributions and Donations	FY17		FY18		Amount Change	%
	FY15 Actual	FY16 Actual	Amended Budget	Adopted Budget		
Flag Donations	\$ 1,310	\$ 320	\$ 400	\$ 400	-	0%
Special Events Sponsors/ Vendors	19,642	68,681	28,000	25,000	(3,000)	-11%
Donations	95,400	51,600	7,000	1,500	(5,500)	-78.6%
Total:	\$ 116,352	\$ 120,601	\$ 35,400	\$ 26,900	\$ (8,500)	-24.0%

Flag Donations: Revenues derived from donations to support the City's popular placement of flags and markers to honor veterans during various holidays.

Special Events Sponsors: Revenues derived from sponsorships by individuals and businesses that are used to support various City events.

Donations: Revenues derived from donations other than the above

Expenditures

Mayor & Council

Mission

The City Council is the legislative governing body of the City, that establishes policies and ordinances that will provide the highest quality of life for those who live, work or play in the community and foster an environment for business to prosper. They are dedicated to an open and transparent government that provides progressive, efficient and professional leadership.

Department Description

The City of Duluth is served by a Mayor and five Councilmembers. All members are elected at-large, meaning they represent all citizens and serving four-year staggered terms. The City Council serves as the legislative governing body responsible for enacting City ordinances, appropriating funds to conduct City business, and providing policy direction to the City Manager. The Council appoints the City Manager, Chief of Police, City Clerk, City Attorney, Municipal Court Judge and Solicitors, Board Members, and City Auditor and designates the City’s legal organ. The City Council strives to improve the quality of life and opportunity for economic prosperity for all City residents and businesses, while assuring all citizens a clean, safe, economically viable and progressive city that is responsive to changing needs.

Objectives

- Ongoing Provide policy direction and leadership to the City Manager and staff
- Ongoing Identify and implement strategies that assist in realizing the City’s vision and goals.
- Ongoing Solicit and obtain citizen input on issues of concern and adopt policies that protect and improve the life of City residents
- Ongoing Work diligently to earn the trust, respect and support of our citizens
- Ongoing Institute policies and ordinances that ensure the continued fiscal and economic health of the City and improve the quality of services to residents and business
- Ongoing Promote local performing and public art to create a culturally rich environment through the City that is an economic drive for tourism along with people and businesses look to relocate here

- Ongoing Recognize residents who demonstrate a commitment to Duluth with the “Capture the Spirit” awards
- FY 17-18 Continue to develop policies and initiatives to support funding for the development of public art in the City. Work closely with the Duluth Public Art Committee to establish a Public Art Master Plan for the City
- FY 17-18 Continue to work with Gwinnett County on the establishment of a new public library in downtown. Provide certification to the County of 50% completion on the downtown detention facility in order to move planning forward
- FY 17-18 Continue to evaluate proper housing mix between owner occupied and renter. Support the development of housing opportunities at all lifestyles and levels of income

City Manager

Mission

The City Manager is responsible for carrying out the City Council’s policies and directives, for providing leadership and vision to the organization to achieve the City’s Strategic Vision, for developing programs and initiative to meet the future needs of the city. The City Manager is charged with developing the annual budget, insuring financial stability, and maintaining the City’s overall commitment to providing high quality services to residents and visitors.

Department Description

The City Manager serves as the chief executive officer of the City responsible for directing and supervising all activities of the City to implement policy as set by the City Council in accordance with local ordinances and laws. The City Manager develops, articulates and manages the City’s annual budget, and evaluates the current and long-term financial condition of the City. The City Manager represents City Council’s position in intergovernmental relations, contract negotiations, and support for state and federal legislation. The City Manager also provides advisement to the Mayor and Council on departmental programing, strategic and tactical planning, and issues of concern.

Objectives

- Ongoing Provide effective and efficient management of the City organization to implement the policies and goals established by the City Council
- Ongoing Advise Council on the city’s current and future needs
- Ongoing Provide continuous oversight of the City operations to maintain financial stability
- Ongoing Manage annual operating and capital budgets with oversight for the best allocation and use of limited resources
- Ongoing Increase staff development and abilities by encouraging attendance at training seminars, conferences and in-house webinars
- Ongoing Plan and organize annual strategic conference with the Mayor and Council to provide a long-term roadmap for the City

- Ongoing Establish plans for the redevelopment of downtown by facilitating necessary infrastructure improvement, reviewing ordinances and regulation and attracting outside developers
- Ongoing Work with Planning and Economic Development Departments to undertake measures to encourage economic development in the Downtown area, along Buford Highway and the Peachtree Industrial Road corridor
- FY 17-18 Complete the redevelopment of the downtown Parsons Alley project and monitor the downtown residential development projects for compliance with project timelines and the purchase & sale agreements
- FY 17-18 Continue efforts to improve the existing parking in downtown and plans to create new parking, including the construction of a parking deck in the downtown, while exploring options for partnering with a hotel developer to build a hotel on top of the parking deck
- FY 17-18 Develop short term and long term funding options for the capital repair and maintenance needs of all City buildings based on the facility needs assessment
- FY 17-18 Work with Community Development Department to develop a neighborhood stabilization plan that will encourage the revitalization of various residential area throughout the City where housing is currently under developed

City Clerk

Mission

The City Clerk Department ensures that meetings and actions of the governing body comply with Federal, State, and City law and regulations. That official actions and records are documented, archived, and preserved for future retrieval. All City elections are conducted fairly and in accordance with Federal and State laws. That the various customer service related functions and internal support functions under the direction of this department receive appropriate supervision and instruction.

Department Description

The City Clerk Department is managed by the City Clerk and is responsible for supervising various functions including property taxes, alcohol permit and training, occupational licenses, human resources, finance, information technology and City Hall custodial services. The City Clerk/Treasurer is an Officer established through the City Charter and is appointed by the City Council. This department is charged with ensuring that official City Council meeting, actions and documentation comply with Federal, State and City laws and regulations. That these meetings are properly noticed and the actions and records are archived and preserved for future retrieval. The office disseminates information regarding council legislative action and policy decisions to other City departments, outside agencies and the public. They are also charged with conducting all City-wide elections to ensure they are properly noticed, fair and confirm to Federal and State laws. The department regularly meets with and assists citizens, business owner, City staff and the general public with general inquiries and specific department related request.

Objectives

- Ongoing Continue to maintain a high level of customer service for Duluth citizens and businesses and other City departments
- Ongoing Maintain a well trained professional staff that is dedicated to the citizens they serve
- Ongoing Preserve, maintain and record official actions of the Mayor and Council
- Ongoing Ensure departmental compliance with Federal, State and Local laws and ordinances
- Ongoing Seek innovative solutions to maintain high quality core services; promote financial transparency and ensure the City financial stability through the monitoring of financial activities

- Ongoing Continue to provide efficient and effective service by exploring ways to streamline processes through the use of technology
- FY 17-18 Conduct City general election and runoff, if necessary in accordance with new federal mandate that all election materials and posting be in both English and Spanish
- FY 17-18 Oversee implementation of new software programs in City Clerk's department including an upgrade to document storage and facility access software

**Reflects decrease in Property Liability Insurance expense due to less City owned properties to insure

City Clerk Business Office

Mission

The City Clerk's Business Office staff strives to provide the highest quality in customer service, ensuring the maximum degree of public trust and cooperation with the citizens and businesses they serve through prompt, professional service. By providing thorough information to the community either in person or electronically, and maintaining compliance with City ordinances in an accurate and efficient manner, the department also facilitates personal interaction and prides itself on positive customer experiences.

Department Description

The Business Office is the first point of contact for administrative affairs within City Hall and the primary source of information and communication with city residents for general customer service. In addition, this department is charged with billing and collecting the annual property taxes, issuing and collecting occupational tax licenses (based on gross earnings and business tax class) and licensing code compliance. Additionally, the department issues alcohol licenses to businesses and alcohol handling permits to individuals, offering alcohol training classes designed to encourage compliance with state and local laws to ensure responsible alcohol sales and service within the City. The Business Office also collects alcohol excise taxes, motor vehicle excise taxes, and manages regulatory business processes within the City.

**Objectives**

- | | |
|---------|--|
| Ongoing | Continue to offer prompt, courteous customer service to the citizens, businesses, and visitors that we come into contact with each day, whether in-person, via telephone or email |
| Ongoing | Continue to act as the administrative hub of information, also participating in citywide marketing and promotion through constant review and revision of the City website |
| Ongoing | Attend local and national conferences to improve employee skills and knowledge base through ongoing training and peer-to-peer interaction |
| Ongoing | Continue to offer alcohol training and awareness program classes to individuals receiving alcohol handling permits for responsible alcohol sales in all parts of the City, working with police enforcement for the protection of citizens and the youth of our community |

- Ongoing Enhance the citywide goals and vision of our leaders through review, compare/contrast of Duluth ordinances to meet the demands of our ever changing environment and to ensure compliance with state and local laws
- FY 17-18 Complete implementation of new Incode property tax software to improve customer service and employee efficiency
- FY 17-18 Review Occupation Tax (Business License) fee schedule to see if fees are compatible with other jurisdictions on the area
- FY 17-18 Train new Occupational Tax Office for her job duties, plus work on cross training to cover for Alcohol & Excise Tax Officer and Property Tax Officer
- FY 17-18 Work with the Planning Department to ensure a high level of customer service is maintained and workflow is changed, if necessary, to accommodate the Planning Department's change to new permitting software

City Clerk Human Resources

Mission

The City Clerk Human Resources Department is responsible for providing responsive service and support to department directors and employees regarding employment, training, employee relations, benefits and compensation to attract, develop, and retain a talented, diverse, energetic workforce in a supportive work environment. This department is also responsible for ensuring the City’s compliance with Federal and State employment laws.

Department Description

The City Clerk Human Resources Department is responsible for developing jobs descriptions, preparing the annual salary survey, developing annual employee evaluations, administration of all employee benefits, processing of the bi-weekly payroll, processing of all new hires and terminations, handling of employee grievances and actions, complying with all HR related open records requests. The Human Resources Manager also serves as a permanent member of the City’s Finance Committee and is responsible for administering the City’s Wellness Program. This department strives to treat all employees fairly and equally while acting with integrity and high ethical standards.

Objectives

- Ongoing Continue to provide recruitment, selection, hiring and retention assistance to City departments
- Ongoing Continue to provide new employees orientation regarding the City’s policies and other pertinent information on the first day of employment
- Ongoing Work with Insurance Broker to administer, enroll, monitor and educate employees on benefit changes, in particular the effects of the Patient Protection and Affordable Care Act
- Ongoing Continue efforts to increase employee participation in the City offered retirement benefits, with specific focus on increasing enrollment in the Deferred Compensation Plan (457b)
- Ongoing Maintain a high level of customer service for coworkers, new hires and outside individuals/organizations
- FY 17-18 Continue to work with Employee Wellness Committee to revise Wellness Points for participation and add more wellness related events
- FY 17-18 Explore existing and new software programs to allow job applicants to submit applications online and import information in to payroll when a candidate is hired

Most City departments budget for the cost of their department within a single departmental budget, the General Government section of the budget covers the cost of services that support all or most City departments, but are not budgeted in the individual departments. An example of a service that supports other departments would be landscaping, postage and utilities, such as electric or water. Due to the fact that this department supports all other departments and the impracticality of budgeting for this cost in the individual departments its cost is included in this section. This section also includes the costs for the utilities and maintenance of the Red Clay. The Red Clay is an entertainment venue that the City owns but contracts with a private company for the day to day operations.

Municipal Court

Mission

The Municipal Court is dedicated to providing fair, equal, and impartial justice to all under the laws of the state of Georgia, to process cases efficiently and in a timely manner. In addition, the Municipal Court strives to provide a courteous and professional environment for all persons who come in contact with the Duluth Municipal Court.

Department Description

The Municipal Court adjudicates cases arising out of citations issued by the Duluth Police Department and other enforcement personnel of the City’s Planning and Development Department and City Clerk Office. The Municipal Court is a trial Court with limited jurisdiction as established by State Law and the Charter of the City of Duluth. The Court is also charged with the maintenance, retention and disclosure of court records and documents within legal guidelines. The department maintains various performance measures, monitors case dispositions, processes discovery requests from attorneys, and responds to requests under the Georgia Open Records Law.

Objectives

- Ongoing Provide great customer service to citizens and all who come in contact with the court
- Ongoing Ensure that justice is administered in a fair and impartial manner
- Ongoing Provide staff training for all court personnel for both professional certification, continuing education purposes and to provide superior customer service
- Ongoing Complete all state-mandated documentation and reporting requirement to ensure compliance with all laws and regulations
- Ongoing Continue “Teen-Driver Court” program to reduce traffic incidents involving younger drivers with the assistance of police personnel
- Ongoing Continue to achieve an 80% or greater case closure rate, with 80% of all cases being closed within 90 days of arraignment
- Ongoing Continue to conduct Access & Fairness Surveys to determine if customers feel they have been treated in a professional and courteous manner

- Ongoing Monitor/update City website and user informational brochure to enhance public awareness and education concerning the workings of the court
- FY 17-18 Continue implementation of a “paperless” courtroom and use “Government Windows” software program to improve customer services and staff efficiency
- FY 17-18 Update and conduct “Access & Fairness” survey to determine if customers feel they are being treated in a professional and courteous manner
- FY 17-18 Monitor and update court website to enhance public understanding of court operations and procedures
- FY 17-18 Update departmental succession plan

Parks and Recreation

Mission

Duluth Parks and Recreation strives to provide high quality parks, facilities, programs, and services that contribute to the quality of life of the citizens of Duluth. We are committed to enhancing the lives of both our youth and adults through a variety of programs and activities, while preserving and promoting an appreciation for green space and celebrating the diversity in our community.

Department Description

The Parks and Recreation Department is responsible for the operation and management of six parks within the City totaling approximately 140 acres. The department is also tasked with the operation of the Bunten Road Park Athletic Center and the W.P. Jones Activity Building. We strive to maintain the parks and green space at a level that exceeds the minimum standards set by the Georgia Parks and Recreation Association. The Parks and Recreation Department offers a wide variety of programs and activities for children and citizens of all ages and activity levels, including summer day camp, tennis instruction, recreational athletic fields, walking trails, senior programs, instructor lead exercise classes and fitness room to promote a healthy active life style.

Objectives

- Ongoing Preserve and enhance city owned parks and facilities through proper maintenance and equipment upgrades
- Ongoing Promote a healthy active lifestyle for the citizens for Duluth
- Ongoing Provide great customer service to citizens and all who come in contact with parks personnel
- Ongoing Offer a full range of quality classes, activities, athletics, special events, and facilities
- Ongoing Maintain park green space and facilities at a level that exceeds the minimum standards set by the Georgia Parks and Recreation Association
- Ongoing Continue to serve the public with high quality professional standards based on a citizen-drive approach that offers quality programs and activities
- Ongoing Conduct ongoing residents’ survey to gauge satisfaction with park programs and services and how to improve current programs
- Ongoing In-house landscaping to better serve park users through efficient use of city labor

- FY 17-18 Develop youth athletic programs
- FY 17-18 Complete phase I design of the rehab or rebuild of the bridge over the Chattahoochee River at Rogers Bridge Park
- FY 17-18 Establish Church Street Park improvements
- FY 17-18 Prioritize park Special Purpose Local Option Sales Tax (SPLOST) projects for Rogers Bridge Park and Church Street Park based on available SPLOST funding
- FY 17-18 Prioritize technology improvements for the department HVAC, athletic lighting systems at Bunten Road Park and W. P. Jones Park based on available SPLOST funding

Planning & Development

Mission

The Department of Planning and Development promotes quality growth and sustainability of Duluth and its neighborhoods by executing the City’s vision through the proactive management of the Comprehensive Plan, Unified Development Code and other documents adopted by the City of Duluth.

Department Description

The Department of Planning and Development is responsible for managing current and long-range planning activities, building and development review, permitting, stormwater management, zoning, annexations, geographic mapping, code compliance, city engineering and capital improvement projects. Our staff regularly meets with developers and the general public to review planning related issues affecting the future growth pattern of the community. Additionally, the department seeks to attract and retain businesses that complement the City’s vision as identified in the Community Agenda.

Objectives

- Ongoing Provide prompt, fair and respectful customer service
- Ongoing Successfully undertake the department’s daily activities
 - Manage the development process
 - Manage rezoning/variance/special use processes
 - Manage the Unified Development Code
 - Enforce all development regulations
 - Conduct plan reviews for all projects
 - Conduct business retention and attraction
 - Manage the City’s Stormwater infrastructure
 - Manage the City’s GIS data base
- Ongoing Research grant opportunities to allow for the implementation of various projects
- Ongoing Repair and address deficiencies in the City’s stormwater infrastructure
- Ongoing Enforcement of housing, sign, zoning and environmental regulations

Ongoing	Respond to and resolve citizen complaints and inquiries
Ongoing	Proactive removal of illegal signs on City's right-of-way
Ongoing	Continue participation in various community and state-wide activities and organizations
Ongoing	Conduct erosion control inspections
Ongoing	Continue education of citizens and businesses about code compliance regulations and issues
FY 17-18	Hire a plan reviewer/building inspector
FY 17-18	Hire a stormwater technician
FY 17-18	Prepare Duluth N.O.W (Neighborhood Outreach Work) report for council to focus on neighbor stabilization and redevelopment
FY 17-18	Complete ongoing capital improvement projects including George Rogers Avenue (Hospital Connector), Highway 120 Rectangular Rapid Flash Beacon, Buford Highway Medians, Block Redevelopment, Highway 120 Sidewalks, Downtown Parking Improvements
FY 17-18	Implement ESRI collector app for stormwater inspections and data collection
FY 17-18	Streamline the permitting process to increase efficiency and improve customer service
FY 17-18	Continue prioritizing stormwater infrastructure improvement projects based on severity, risk and cost
FY 17-18	Submit updated Livable Center Initiative document to the Atlanta Regional Commission

Economic Development

Mission

The Economic Development Department is responsible for leading efforts to retain, expand and attract businesses through initiatives that leverage resources to create a vibrant and robust City while ensuring a high quality of life for our citizens.

Department Description

The Economic Development Department is responsible for working closely with commercial property owners, business owners and developers to actively market the City to recruit new businesses and help existing businesses thrive. The goal of economic development is to encourage a healthy mix of commercial, retail, restaurant and residential uses within the City. This department also works closely with the Planning & Development department to promote annexation efforts based on local leadership, superior services and a high quality of life.

Objectives

- Ongoing Manage general economic and community development activities
- Ongoing Provide superior service to local businesses, merchant associations, developers and potential business owners
- Ongoing Continue participation in various community and state-wide activities and organizations
- Ongoing Evaluate use of local incentives to entice businesses to locate to Duluth
- Ongoing Continue to support Partnership Gwinnett activities; Partnership Gwinnett is the primary traditional economic development recruiting organization for our County
- Ongoing Continue annexation efforts through various marketing strategies, recruitment efforts and face to face meetings
- Ongoing Represent and market the City through membership in various local and state civic and trade organizations
- Ongoing Act as a liaison between the City and the Downtown Development Authority to help support downtown businesses

- FY 17-18 Work with developer to locate a hotel on the immediate downtown in conjunction with the development of a downtown parking facility
- FY 17-18 Work with Vantage Reality Partners to develop the best mix of restaurants and retail in the City's new downtown restaurant district
- FY 17-18 Finalize a contract with a developer, through the DDA, to construct an new building in the vacant property next to the Red Clay Music Foundry
- FY 17-18 Attract new businesses to the Buford Highway corridor, to build on recent redevelopment initiative in this area

Duluth's 30,000 sq.ft. restaurant and retail district Parsons Alley won the Urban Land Institute Development of Excellence Award.

Public Information & Marketing

Mission

To promote an educated, involved and informed citizenry through public relations activities regarding events, opportunities, activities, services, projects taking place within the City. This goal is achieved through the communication principles of open two-way communication, community participation, proactive outreach, inclusive processes, strong and consistent messages.

Department Description

The Public Information & Marketing Department handles a wide variety of projects and activities in addition to its primary responsibility of providing information and promoting the City of Duluth. These services include, but are not limited to media relations, website design and development, production and marketing of City events, management of social media, publication and advertising design, various education and outreach activities.

Objectives

- Ongoing Manage City’s overall message and image-related materials to external audiences
- Ongoing Ensure that information is shared to emphasize open two-way communication that promotes active community participation
- Ongoing Produce annual State of the City address
- Ongoing Manage all media relations and social media efforts
- Ongoing Produce quarterly newsletter for residents containing information on City services, events and recreational programs
- Ongoing Manage advertising message, design, and placement
- Ongoing Communicate the City’s economic development message/strategy
- Ongoing Manage the City’s website ensuring content is comprehensive, accurate and up-to-date
- Ongoing Produce, set-up and manage various City annual events (Concerts, Fridays N Duluth, Duluth Celebrates America, Lighting of the Tree, etc.)
- Ongoing Continually strive to make the City more attractive to a variety of stakeholders, enhance our identity and make the City more visible locally and regionally through marketing strategy

- FY 17-18 Complete a comprehensive review of the City's website to make it more informative, easier to navigate, and update the content
- FY 17-18 Develop special events to encompass a more diverse age group and attract visitor to downtown (Camping at Rogers Bridge Park, Deck the Hall, Inflatable 5K, and Parsons Alley event programming)

Police Administration

Mission

The Police Administration Division is committed to enhancing the quality of life for our citizens by protecting and serving our public with fairness, courtesy and respect. The department is committed to providing professional services through aggressive law enforcement, including vigorous enforcement of traffic laws and zero-tolerance to all crime, education of the public and creating partnerships with the community.

Department Description

The City of Duluth Police Administration Division is responsible for the direction and supervision of the Criminal Investigation Division, Uniform Patrol Division, Support Services Division, and Community Oriented Police Division. Police Administration strives to promote quality performance from all members of the department by providing the foundation upon which all operational decisions and organizational directives are formed. Directives include rules, regulations and standards operating policies, procedures and practices.

The Police Administration functions include:

- Preparing the departmental operating budget for review and consideration
- Monitoring and ensuring the scheduling and assigning of work, the instruction and training of employees, as well as exercising disciplinary action when necessary
- Development, implementation and enforcement of departmental rules, regulations, standard operating procedures, policies and programs
- Development and supervision of the hiring process including testing, interviews, background investigations and job offers
- Maintenance of standards to ensure statewide certification from the Georgia Association of Chiefs of Police
- The internal affairs function of investigating citizen complaints and employee grievances

Objectives

Ongoing	Oversee and direct the training activities of all police department personnel
Ongoing	Maintain standards to ensure statewide certification from the Georgia Association of Chiefs of Police every 3 years
Ongoing	Oversee the hiring of new police department personnel, including pre-employment investigation; physical and psychological examinations
FY17-18	Research and implement new foot patrols for the downtown restaurant district due to recent redevelopment in the area

Police Uniform Division

Mission

The Police Uniform Patrol Division is charged with providing professional and courteous Police services while protecting and preserving the quality of life of citizens, businesses and motorist in the City. This is accomplished through street patrols, traffic enforcement, apprehension of criminals and responding to call for service.

Department Description

The Police Uniform Patrol Division is the largest division within the police department and is considered “the backbone” of the agency. This division patrols the City streets 24-hours a day, 7 days a week and is often the first responders and initial investigators on calls from citizens. The Uniform Patrol Division is tasked with responding to a variety of situations including traffic accidents, suspicious people or activity, domestic disputes, thefts, robberies and many other emergency and non-emergency calls. Also included in this division are the Crime Suppression Unit and the Special Operations Unit, which includes K-9, and DUI enforcement.

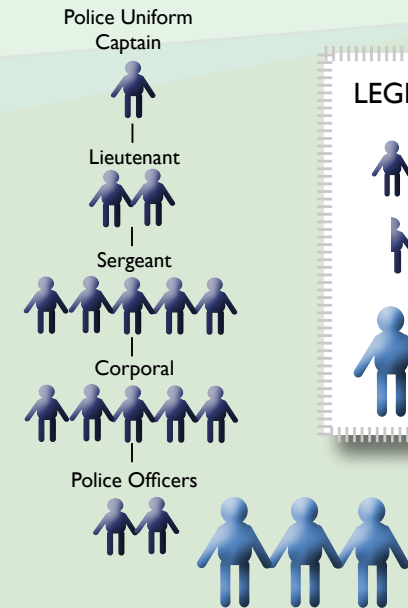

Objectives

- Ongoing Require a professional work ethic and professional work product by officer engaged in routine police duties
- Ongoing Have a highly visible presence through patrols to improve the quality of life for citizens, businesses and the public
- Ongoing Prevent and deter crime through constant patrol, crime suppression and traffic enforcement
- Ongoing Ensure the safety of the public by working to apprehend criminal suspects
- Ongoing Provide assistance to investigative personnel and other divisions
- FY17-18 Upgrade all police department tasers
- FY17-18 Obtain North American Police Work Dog Association (NAPWDA) for all four police dogs
- FY17-18 Restructure police patrols to have more officers patrolling in the downtown and surrounding area due to new residential housing and increase visitors to the downtown

Police Criminal Investigation

Mission

The Criminal Investigation Division is charged with the investigation all criminal activity that occur within the City, the prevention of crime through focused identification and enforcement techniques, and educating the public about crime prevention measures and tips.

Department Description

The Criminal Investigation Division (CID) of the City of Duluth is comprised of two units, Investigations, and Community Policing. The Investigations unit is charged with investigating all types of cases including crimes against persons, property, vice and narcotics crimes. The Community Policing unit coordinates educational programs in local schools, Neighborhood Watch programs, conducts training with residential and business groups and initiates other crime prevention related programs for the community. CID operates with the goal of identifying and apprehending offenders, recovering lost or stolen property, investigating and evaluating evidence regarding criminal activity, and assisting in the prosecution of those charges with a crime.

Objectives

- Ongoing Continue to monitor crime statistics and trends in order to better direct the activities of the Crime Suppression Unit
- Ongoing Continue efforts through the C.O.P.S. unit to educate elementary, middle and high school students about the danger of drug, gangs, bullying and negative choices
- Ongoing Continue to assist families and children in need during the winter holiday season through Shop with a Cop program
- FY 17-18 Engage citizens through community outreach programs to prevent, detect and report suspicious activity and crime
- FY 17-18 Improve crime scene processing through training and analysis techniques for greater identification, apprehension and prosecution of criminals
- FY 17-18 Prevent crime through educational programs and services such A.D.V.A.N.C.E. (Avoiding Drugs, Violence and Negative Choices Early) B.A.D.G.E. (Bullying, Alcohol, Drugs, and Gang Education) and Teen Court to educate young drivers

Public Works

Mission

The mission of the Public Works Department is to provide citizens and the public with safe, high quality, responsive service with regards to the management, development, safety and maintenance of the City's infrastructure system.

Department Description

The Duluth Public Works Department is responsible for assuring that the streets within the City are safe and maintained in a good drivable condition. These goals are accomplished through regular street maintenance and resurfacing, ensuring that all regulatory and street signs are visible and adequately maintained, and that right-of-way areas are free of debris and mowed regularly. The Public Works Department is tasked with maintaining City owned property and buildings, community enhancement, and maintenance of all non-police vehicles.

**Objectives**

- Ongoing Direct, supervise and coordinate the operations of the Public Works Department to ensure that responsibilities and projects are performed in the most efficient, practical and cost effective manner
- Ongoing Continue to monitor and address service requests and work orders in a timely manner to provide good customer service
- Ongoing Continue and improve maintenance of City right-of-ways, and highway medians
- Ongoing Implement Pavement Management Plan to invest in paving of roadways to improve their overall condition and provide for safer vehicle travel
- Ongoing Maintain the streetlights in good working condition to enhance the beauty of the City and to provide a safe environment for vehicles and pedestrians alike
- Ongoing Provide functional and informative signage and traffic markings on all roads in accordance with state and federal laws
- Ongoing Monitor and direct the inmate labor force from Gwinnett County Department of Corrections to augment City employees in ground maintenance, etc.
- Ongoing Manage service contracts and annual inspections for all City owned building for HVAC, elevator, back flow inspections, fire system inspections, etc.

- FY 17-18 Create new policies and procedures for the veteran markers program establishing dates when marker will be displayed and their location, procedures for verifying eligibility and removal when ineligible
- FY 17-18 Implement Sidewalk Assessment Plan to assess the condition of sidewalks through the City and a plan for upgrading them and for filling in gaps in current network
- FY 17-18 Repair reindeer and sleigh for annual Christmas display
- FY 17-18 Complete Phase II renovations to the Public Works facility focusing on exterior buildings and outside storage

Ten Year Financial Forecast

With City's growing Budget that incorporates ongoing and future developments throughout the City, it started preparing a 10 year forecast a couple of years ago to assist the Council and staff members with making decisions on allocating the current and future year's financial resources as well as to assist in the development of a strategy for long-term sustainability. The financial forecast was developed by taking into various factors, including population growth based on government census data, historical financial and non-financial data trends, current local and national economic conditions, staff knowledge along with the assistance of a local economist for the development of the forecast models.

Revenue Assumptions

The City's General Fund revenues come from a variety of sources, but over 90% of the revenue comes from 15 major sources. For this reason, an in-depth analysis was completed on each of the major revenue sources and the other 10% were forecast using the Consumer Price Index. Among the major sources are property taxes, motor vehicle taxes, franchise taxes, occupational taxes, insurance premium taxes, commercial and residential building permits, police fines, alcohol beverage taxes, recreational camps fees and garbage bag rebates. Property tax projections were based on a 2.6% historical reassessment growth from 2007 to 2016, plus projected new construction and the current millage rate. Occupational taxes were based on recent growth of 5.26% from 2013 to 2016, plus current applications and available retail and commercial space. Due to the large historical changes in commercial and residential building permit revenue, projections were largely based on planning applications, current activity and some historical growth. A variety of factors including staff knowledge, local and regional economic conditions, historical data trends and the Consumer Price Index were factors

used to forecast the other revenue sources. The overall Revenue is projected to grow at an average rate of 3.3% for the first 3 years and at 2.3% average for the rest of the 10 year forecast period.

Expenditure Assumptions

As with most private business and other governments, the largest expenditure for the City is employee salaries and benefits. These two categories account for over 63% of the total General Fund expenditures. Forecasting of these expenditures is based on three main components, including forecast future staffing needs, future wages increases based on annual performance reviews and future increases in health insurance and other related benefits. Future staffing needs were projected based on population projections and maintaining current staffing ratios as the population increases. The population is projected to grow from 30,166 in fiscal year 2017 to 32,210 in fiscal year 2026. Wages increases were based on current and past trends with a projected average increase of 3% during the forecast period. Insurance and retirement benefits were reviewed on an individual bases. Based on the analysis and recent changes in health insurance, it was determined that medical insurance increase by an average of 10% and other insurance benefits increase by an average of 2%. Retirement benefits are projected to continue at current funding levels over the forecast period. Other operating costs have been inflated by 2.3% in fiscal year 2018, increasing to 2.4% by fiscal year 2020 and then continuing at this percentage through the end of the forecast. Although staffing changes have been built into the forecast, they are not automatic additions, but will continue to be monitored and evaluated annually. The overall Expenditure is expected to increase at an average rate of 2.0% for the first 5 years and at 6.0% average for the following 5 years of the 10 year forecast period.

Operating Impacts by Capital Projects

PROJECT	FUND	OPERATING IMPACTS
Transportation and Infrastructure Improvements (ST-32)	320025	No additional operating costs are associated with this project. With the focus on street preservation, potential savings could occur due to longer lives of the City's streets.
SR I 20 Realignment (CD-46)	320013	Normal City maintenance of street, sidewalks, and curb & gutter will be required. Minimal impact.
Hospital Connector Road/George Rogers Avenue (CD-47)	390003	This new roadway will be added to the list of streets that the Department of Public Works maintains. Minimal impact.
Davenport Road improvements (CD-55)	390003	Normal City maintenance of street, sidewalks, and curb & gutter will be required. Minimal impact.
Buford Highway Medians (CD-60)	340002	Landscaping installed within the Buford Highway medians will require ongoing maintenance costs.
The Block (CD-64)	320030	Additional operating costs can be expected for the upkeep of the hardscape and landscape.
Pleasant Hill/Buford Highway Intersection (CD-65)	320034	Maintenance of landscaping installed within the interchange will require ongoing utility and landscaped maintenance costs.
Abbotts Bridge Road Improvements (CD-66)	320032	Normal City maintenance of street, sidewalks, and curb & gutter will be required. Minimal impact.
Western Gwinnett Bikeway Phase III (CD-67)	320033	Maintenance costs will be approximately \$1,000 annually, to be budgeted by the Department of Public Works.
Downtown Detention Facility (CD-68)	350005	Maintenance costs will be approximately \$2,500 annually, to be budgeted in the Stormwater Utility Fund.
Scott Hudgens Park (PK-27)	320012	An increase in park supplies, utilities and maintenance costs can be expected for the new restroom facility. A minimal increase in maintenance costs for the improved parking will be needed.
Rogers Bridge Park (PK-33)	320026	Additional utilities and maintenance cost for Dog Park and Canoe Launch included in budget. Additional utilities and supplies for restroom will be required. No additional cost for bridge rehabilitation.
WP Jones Activity Building (PK-34)	320023	Operating impact minimal. Heating, cooling and electric for porch area.
Bunten Road Facility (PK-35)	320028	Over heating and cooling cost are expected to decrease by about 8% due to efficiency of the new HVAC system.
Park Improvements (PK-36)	320031	No additional operating costs are associated with this project. The upgrades to the park infrastructure may reduce operating costs.
City Master Park Plan (PK-37)	320015	No additional operating costs are associated with this project.
Taylor Park Playground (PK-38)	320017	Normal maintenance of the play ground area, already included in the operating budget.
SPLOST Vehicles (PD-20)	320027	Additional vehicle insurance and maintenance costs will be required for new vehicles that are not replacing existing vehicles. However, a reduction in costs associated with maintaining older/higher mileage vehicles can be anticipated with the replacement of existing vehicles.
Police Capital Projects (PD-21)	320029	Software support contract and camera replacement estimated to be \$150,000 annually once system is fully installed.
Water/Sewer Improvements on Buford Highway (CD-62)	320022	No additional operating costs are associated with this project.
Downtown Parking (CA-24)	320019	A minimal increase in maintenance costs can be expected.

City of Duluth

Worker's Compensation Fund

Internal Service Funds account for the financing of goods or services provided by one department to other departments of the city. Duluth has two funds, Worker's Compensation and Health Reimbursement Account (HRA). The City self-insures for worker's compensation and the Workers Compensation Fund is used to account for this cost in all citywide departments. The HRA fund was created when the City increased the employee health insurance deductible. The savings resulting from the increased deductible is transferred to this fund and used to reimburse employees for any health related expenditures above the original \$1,000 deductible. It also funds the activities of the Employee Wellness Program.

Trust & Agency Funds are used to account for assets held by the City in a trustee capacity or as an agent for other agencies/governments other than the reporting government. The Municipal Court agency fund to capture all fines and fees collected by the City's Municipal Court that will ultimately be paid to other appropriate taxing agencies. The residual fine amount is then transferred to the City's General Fund.

Component Units are legally separate entities for which the governing board or management of the municipality are financially accountable. The City has two component units, the Downtown Development Authority (DDA) and the Urban Redevelopment Authority (URA). Their mission is to create, revitalize, preserve and maintain the areas surrounding the City's downtown.

Capital Improvements

Overview

The Capital Improvement Program (CIP) assists in the planning, acquisition, and financing of capital projects. Capital project funds are designated to account for all activity, revenues and expenditures, on each capital project. Among the benefits of the City's CIP is that it:

- Allows the City to clearly assess its needs,
- Ensures projects that are proposed are the ones that will best serve the community,
- Promotes financial stability through long term planning of resources and needs,
- Provides a tool to help the taxpayer better understand the needs of the City and the manner in which they will be addressed, and
- Educates and promotes collaboration among the Mayor and Council and City management to ensure that the City's vision is upheld.

Definition

The classification of a project as a capital improvement is based on the project's cost and frequency of funding. A capital improvement is relatively costly and funded infrequently. Capital improvement projects will typically meet at least one of the following criteria:

1. The cost to purchase is high (generally \$5,000 or more),
2. The purchase does not recur annually,
3. The useful life is long (generally 3 years or more),
4. The purchased item will become part of the City's fixed assets inventory.

Capital improvement projects include the acquisition, construction, and improvement of major items. Major equipment (expensive and long useful life), new property (buildings, land, and parks), public improvement projects (road and park improvements, sidewalk/bikeway/path projects, etc.), facility improvements, and vehicle replacements are some examples of projects considered capital improvement.

Ranking Criteria and Process

The capital improvement projects, with the assistance of other support staff, are ranked numerous times by the City Manager, the City Clerk, and the Chief of Police. These ranking are often revised due to available funding, project timelines, and City planned economic and social events. The Mayor and Council consider these employees' rankings and then conduct their own rankings in regular and budget work sessions. The list of projects is always much larger at the beginning of the budget cycle and is pared down to meet the absolute minimum realistic needs and available revenue. Funds available for the capital projects are determined based on the availability of various federal and state grants, current Special Purpose Local Option Sales Tax collections, private donations and available General Funds. Capital projects not designated for funding are removed and often reappear to compete in the following year's iterations.

The following criteria are used by the Mayor and Council and City department heads to rank competing capital projects.

- Most directly benefit the community,
- Support all departments,
- Yield the highest return-on-investment,
- Maintain the department heads' rankings,
- Are the least costly, when project rankings are tied.

Budget

The capital improvement budget is the City's annual appropriation for capital spending and is legally adopted by the Mayor and Council. The budget authorizes specific projects and appropriates specific funding for those projects. The capital improvement budget provides legal authority to proceed with specific projects.

The City operates under a project-length budget for each capital project fund in use by the City. The budgets for capital projects do not lapse at the end of the fiscal year, but remain in effect until project completion or re-appropriation by the Mayor and Council.

Over the past several years, funding for capital projects has been largely done with the Special Local Option Sales Tax (SPLOST). Grants provide another source of funding for the Transportation capital projects. Generally, funds from the General Fund operating budget are used sparingly for capital projects.

The City continues its commitment to furnish and maintain its capital assets, such as roadways, parks, public safety and other public infrastructures. In the FY 2018 budget, Transportation capital projects account over \$37 million of the total \$50 million CIP budget.

5-Year Capital Improvements Program

The City's five-year capital improvement program is a planning tool that gives a snapshot into the next five years. It serves as a guide for future planning and will be updated and revised each year to reflect the changing needs and priorities of the City. The five-year capital improvement plan is not an appropriation of resources. The Mayor and Council will review the five-year plan when it approves the annual appropriation for capital spending. The five-year CIP identifies the capital projects that are expected to be undertaken during the next five years, the amount expected to be expended on each project by year, and the proposed method of financing these expenditures. This is a key element for identification and implementation of the City's long-range strategic plan, goals, and objectives.

The City's 2018-2022 five-year capital improvements budget has been developed with the following assumptions:

- The CIP does not include any SPLOST funding beyond the current SPLOST 2017 program.
- The CIP does not include the use of any debt, loans, or bonds.
- Proposed SPLOST 2017 funds are estimates only.
- Proposed project costs are estimates only.

The five-year capital improvements budget is presented below with projects summarized by category, funding source, and operating budget impact.

FY 2017 Major Accomplishments

- Completed right of way acquisition and awarded bid for construction of George Rogers Avenue (Hospital Connector)
- Completed update to the City Master Park Plan
- Completed construction of traffic circulation/parking improvements at Scott Hudgens Park
- Completed SR 120 Re-alignment including street re-alignment and resurfacing, new curb and sidewalks, installation of signalized intersection and landscape improvements –will add pedestrian crossing at SR 120 and Hill Street
- Completed 70% of concept design of Pleasant Hill Road/Burford Highway interchange improvements
- Completed Phase II parking improvements on Main Street in front of Coleman STEAM School including adding parking, sidewalks, curb and gutter
- Completed 50% of design for Rogers Bridge Park pedestrian bridge rehabilitation
- Completed design and 75% right of way acquisition for Abbotts Bridge Road east sidewalk improvements
- Completed construction of the public space improvements (parking, plaza and alleyways) at The Block

FY 2018 Goals

- Complete full depth reclamation of Chattahoochee Drive (LMIG 2017 project)
- Complete construction of George Rogers Avenue (Hospital Connector)
- Work with developer to complete construction of the downtown detention facility
- Complete installation of new HVAC system at Bunten Road Park Athletic Building
- Complete installation of new playground play house at Taylor Park Playground
- Award bid and complete Phase I installation of police department citywide camera system
- Complete parking lot improvements to the parking lot behind Pure Taqueria and The Red Clay Music Foundary including milling and resurfacing, upgrading lighting and add dumpster pads
- Complete construction of Buford Highway Medians

The following section includes a summary of the City’s capital projects and a detailed table for each capital project. The table for each capital project provides a description of the project, the project’s total budget by funding sources and project cost types, and the project’s impact on the operating budget. The project’s budget identifies its life-to-date costs and its projected costs over the next 5 years. As indicated on the Summary of Projects, some projects are made up of multiple “sub-projects” or phases. Completed “sub-projects” or phases are combined together and are shown as one total. A detailed table is provided for each “sub-project” or phase and for the project in total.

Project Name (Number): ST-32 Transportation and Infrastructure Improvements (320025) - TOTAL**Project Category:** Transportation**Project Description:**

This capital project is established to preserve, rejuvenate and reconstruct roads throughout the City based on the street evaluation report. The City of Duluth's goal is to increase the average Pavement Condition Index (PCI) for all streets in the City from a score of 59 to 70.

**Project Length:** Recurring**Operating Budget Impact:**

No additional operating costs are associated with this project. With the focus on street preservation, potential savings could occur due to longer lives of the City's streets.

Project Name (Number): CD-47 Hospital Connector/George Rogers Avenue (390003.0550)

Project Category: Transportation

Project Description:

George Rogers Avenue is a new east-west roadway that will connect the roundabout at the intersection of McClure Bridge, Irvindale Road and West Lawrenceville Street to Abbotts Bridge/SR120 adjacent to the proposed new entrance to Duluth High School. The new roadway will improve traffic operation by developing a grid system near the City Center and will improve traffic congestion, pedestrian access to downtown and enhanced connectivity. The proposed 1/2 mile roadway will have multi-use paths on both sides and a raised median, which will be sodded until future landscaping is installed.

Project Length: 2003 - 2018

Operating Budget Impact:

This new roadway will be added to the list of streets that the Department of Public Works maintains. Minimal impact.

Project Name (Number): CD-55 Davenport Road Extension (390003.0557)**Project Category:** Transportation**Project Description:**

This project will create a new intersection and corresponding road at Buford Highway and the existing Davenport Road, adjacent to the Duluth Police Safety Center. The new Davenport Road extension will link to Main Street and create a downtown transportation grid complete with turning lanes, sidewalks, signage, lighting, and curb and gutter. The new roadway will seamlessly incorporate a planned 13 acre downtown neighborhood anticipated to begin in 2017-2018. City staff is actively working with Georgia Department of Transportation (GDOT) and Norfolk Southern Railroad to coordinate the exact design and location of the roadway.

**Project Length:** 2004 - 2020**Operating Budget Impact:**

Normal City maintenance of street, sidewalks, and curb & gutter will be required. Minimal impact.

Project Name (Number): CD-60 Buford Highway Medians & Landscape (340002)

Project Category: Transportation

Project Description:

This project will construct a new raised landscape median and landscaping on Buford Highway. Sections of the median will include stamped decorative concrete. The landscaping will utilize small trees and shrubs and include seasonal plantings. The median will provide a more aesthetically pleasing view for motorists and local shops. The project will enhance the pedestrian facilities along the edge of Buford Highway by upgrading pedestrian ramps to comply with ADA standards. All crosswalks and driveways will be reconstructed. Finally, a grass buffer between the curb and the sidewalk will be included to provide a boulevard environment and safer separation between traffic and pedestrians.

Project Length: 2009 - 2017

Operating Budget Impact:

Landscaping installed within the Buford Highway medians will require ongoing maintenance costs.

Project Name (Number): CD-64 The Block (320030) - PLAZA, ALLEY & PARKING**Project Category:** Transportation/Parking/Sewer**Project Description:**

The Block is a commercial mixed use redevelopment project established by the City Council. The redevelopment of The Block will generate new life in Duluth and create one of the region's great downtown areas. This project includes the demolition of buildings, the creation of a plaza and alley, and improved parking on The Block.

**Project Length:** 2012 - 2017**Operating Budget Impact:**

Additional operating costs can be expected for the upkeep of the hardscape and landscape.

Project Name (Number): CD-65 Pleasant Hill & Buford Highway Interchange (320034)

Project Category: Transportation

Project Description:

Project Length: 2014 - 2019

Operating Budget Impact:

This project will create a landscaped gateway at the interchange of Pleasant Hill Road and Buford Highway (SR 13). Project amenities will include landscaping, signage, lighting and minor traffic safety improvements. The overall improvements will create a visually pleasing experience that will announce to motorists they have arrived in Duluth. The project scope will be coordinated with the State Transportation Improvement Program (TIP) and developed in accordance with the Georgia Department of Transportation (GDOT) Plan Development Process (PDP).

Maintenance of landscaping installed within the interchange will require ongoing utility and landscaped maintenance costs.

Project Name (Number): CD-67 Western Gwinnett Bikeway Phase III (320033)**Project Category:** Transportation**Project Description:**

This project is the continuation of the Western Gwinnett Bikeway multi-use path. Phase III extension continues on Peachtree Industrial Boulevard from south of Rogers Bridge Road to the northern City limits eventually connecting to McGinnis Ferry Road in the City of Suwanee. The project is a collaborative effort between Duluth, Suwanee, and Gwinnett County. This will be a City/Gwinnett County 2014 SPLOST jointly funded project with Gwinnett County being responsible for design and construction. The City entered into an intergovernmental agreement with Gwinnett County in September 2014. The project is in the initial stages of preliminary design.

**Project Length:** 2015 - 2018**Operating Budget Impact:**

Maintenance costs will be approximately \$1,000 annually, to be budgeted by the Department of Public Works.

Project Name (Number): PK-33 Rogers Bridge Park (320026) - TOTAL**Project Category:** Recreation Facilities**Project Description:**

This capital project will fund the development of a multiuse park off Rogers Bridge Road, bordered by the Chattahoochee River. The master park plan, dog park and canoe ramp portions of this project have been completed. The next phase of the project includes a new restroom facility, and the rehabilitation of Rogers Bridge. A playground and improved parking are in consideration for future enhancements.

**Project Length:** 2010 - 2021**Operating Budget Impact:**

Additional utilities and maintenance cost for Dog Park and Canoe Launch included in budget. Additional utilities and supplies for restroom will be required. No additional cost for bridge rehabilitation.

Project Name (Number): PK-33 Rogers Bridge Park (320026.6220.0014) - ROGERS BRIDGE REHABILITATION

Project Category: Recreation Facilities

Project Description:

This is a restoration project at Rogers Bridge Park that will preserve a historic bridge for the purpose of providing a public walking trail over the Chattahoochee River. This a joint project with the City of Johns Creek, Fulton County and Gwinnett County. The project has received an ARC grant of \$400,000, with \$100,000 matching funds. A contract has been awarded to an outside firm for project design.

Project Length: 2015 - 2020

Operating Budget Impact:

At this time, there are no additional operating costs associated with this project.

Project Name (Number): PK-34 WP Jones Activity Building (320023)**Project Category:** Recreation Facilities**Project Description:**

Construction of the original WP Jones Activity Building was completed on May 2014. The original building included a rear screened in porch area with patio furniture. In order to make the patio area usable year round and more secure, this capital project will replace the screens with windows, add new patio furniture and install a security system.

**Project Length:** 2018**Operating Budget Impact:**

Operating impact minimal.
Heating, cooling and electric
for porch area.

Project Name (Number): PK-35 Bunten Road Facility (320028)

Project Category: Recreation Facilities

Project Description:

This project is for the replacement of the HVAC system at the Bunten Road Park Recreation Building. Staff plans to hire an outside consultant to assist in developing an request for proposal (RFP), evaluating bids, awarding the contract and monitoring installation. The RFP will be released in late 2017 with installation sometime in early 2018. Additional funds will be added once the HVAC installation contract is awarded.

Project Length: 2018

Operating Budget Impact:

Over heating and cooling cost are expected to decrease by about 8% due to efficiency of the new HVAC system.

Project Name (Number): PK-36 Park Improvements (320031)**Project Category:** Recreation Facilities**Project Description:**

This capital project is for various improvements to all City of Duluth parks. The initial completed improvements were replacement of the Bunten Road activity building roof, a new playground structure at Bunten Road, and improvements to the Bunten Road park irrigation system. The installation of new city-wide park signage, resurfacing of the paved Bunten Road trail, and Bunten Road parking infrastructure improvements, including stadium seating, were completed in FY 2015. In FY 2016 two retaining walls were replaced at Bunten Road park to drainage.

**Project Length:** 2013 - 2017**Operating Budget Impact:**

No additional operating costs are associated with this project. The upgrades to the park infrastructure may reduce operating costs.

Project Name (Number): PK-37 City Master Park Plan (320015)

Project Category: Recreation Facilities

Project Length: 2016 - 2017

Project Description:

Operating Budget Impact:

This capital project is for an update to the city master park plan. The first master plan was adopted in 2007 and has guided the development the City's park system. An update to the plan is vital in identifying future capital projects and improvement to current park to correspond with the changing needs of the community. The update was completed in January 2017.

No additional operating costs are associated with this project.

Project Name (Number): PK-38 Taylor Park Playground (320017)**Project Category:** Recreation Facilities**Project Description:**

The current Taylor Park playground was completed in June 2010. The playground includes a pavilion, brick wall lined play area with a children's playground. Inspection of the playground revealed major problems with the structural integrity of the playground play house. This project is to replace the play house with a structure made of modern outdoor materials to improve overall safety and life span.

**Project Length:** 2017-2018**Operating Budget Impact:**

Normal maintenance of the play ground area, already included in the operating budget.

Project Name (Number): CA-24 Downtown Parking (320019.4221) - MAIN ST. PARKING/SIDEWALKS PHASE I**Project Category:** Parking Facilities**Project Description:**

Main Street Parking/Sidewalks Phase I extends from Knox Street to SR-120. The redesign of Main Street consists of wider sidewalks, parallel parking and landscaping. This project will accommodate outdoor dining, buskers and community gathering activities to enhance the downtown experience. Several midblock crossings will be added to provide pedestrian safety throughout the downtown.

**Project Length:** 2014 - 2016**Operating Budget Impact:**

A minimal increase in maintenance costs can be expected.

Glossary

Definitions

The budget document contains specialized and technical terminology that is unique to public finance and budgeting. The following definitions are provided to assist the reader in understanding these terms.

Account: A separate financial reporting unit. All budgetary transactions are recorded in accounts.

Account Number: A line item code that defines the fund, function, and object for an appropriation.

Accounting System: The total set of records and procedures used to record, classify, and report information on the financial position and operations of an entity

Accrual Basis: The basis of accounting under which revenues are recorded in the accounting period in which they are earned and expenses are recognized in the period in which they are incurred, regardless of the timing or related cash flows.

Ad Valorem Tax: Commonly referred to as property taxes. This tax is levied on all real and certain personal property according to the property's assessed valuation and the tax rate.

Adopted Budget: The budgeted revenues and expenditures for the coming fiscal year formally adopted by City Council.

Appraised Value: The market value of real and personal property located in the City as of January 1st of each year, determined by Gwinnett County Tax Commissioner.

Appropriation: A specific amount of money authorized by City Council for the purpose of providing or acquiring goods or services. Appropriations is usually limited in amount and to the time when funds may be expended.

Assessed Property Value: The value set upon real estate or other property by the Gwinnett County Assessor and the State as a basis for levying taxes. The assessed value in the State of Georgia is 40 percent of the fair market value.

Assets: Property owned by a government which has monetary value.

Assigned Fund Balance: Is the portion of fund balance that reflects the City's intended use of resources. Such intent was established by formal action of the City Council.

Audit: An examination of documents, records, reports, systems of internal control, accounting and financial procedures.

Authorized position: Positions approved by the City Council as part of the budget adoption.

Balance Sheet: A financial statement that discloses the assets, liabilities, reserves and balance of a fund as of a specific date.

Balanced Budget: A budget in which planned revenues equal planned expenditures.

Bond: A certificate of debt issued by an entity guaranteeing payment of the original investment plus interest on specific future dates.

Budget: A financial plan for a specific period of time that matches all planned revenues and expenditures to planned services.

Budget Amendment: Under certain circumstances, the City Council may adjust the budgeted revenues and expenditures for reasons unforeseen at the time of the adoption of the original budget. Such amendments must be approved by a vote of Council.

Budget Calendar: The schedule of key dates or milestones which the City follows in the preparation and adoption of the budget.

Budget Document: An official publication that outlines the City's financial plan as supported by City Council.

Budget Message: A general discussion of the proposed budget as presented by the City Manager to City Council.

Budget Ordinance: The formal ordinance approved by City Council which shows budgeted revenues and expenditures for the upcoming fiscal year.

Business Occupational Tax: This is a general tax on business for the privilege of conducting business within the city limits. Rates are set at each city's discretion but may not be discriminatory or confiscatory.

Capital Improvement Plan (CIP): A plan for capital expenditures over a period of years to meet capital needs arising from the long-term work program or otherwise. Included are expenditures made for land, buildings, permanent public works projects, major reconstruction or renovation of structures, and major landscaping or park improvements. Included are expenditures made for land, building, permanent public works projects, major reconstruction or renovation of structures, and major landscaping or park improvements. Included are expenditures made for land, building, permanent public works projects, major reconstruction or renovation of structures, and major landscaping or park improvements.

Capital Outlays: Expenditures for the acquisition of capital assets such as equipment, vehicles, building improvements or major repairs.

Capital Project Budget: A financial plan for construction of physical assets such as buildings, streets, and recreation facilities. The time period usually expands more than one fiscal year.

Charts of Accounts: The classification system used by the City to organize the accounting for various funds.

City Council: The Mayor and five Council members collectively acting as the legislative and policymaking body of the City.

Contingency: Funds appropriated by the City Council for unforeseen needs.

Committed Fund Balance: represents resources the use of which is constrained by limitations that the government imposes upon itself at the highest level of decision making authority, City Council, and can only be removed by formal action equivalent to the action taken to impose it.

Debt: An obligation resulting from the borrowing of money or from the purchase of goods and services over a period of time.

Debt Limit: The maximum amounts of debt that may be legally incurred. A debt limit usually only applies to general obligation debt, and is most often expressed as a percentage of the taxable value of property in a jurisdiction.

Debt Service: Interest and principal payments associated with the issuance of debt.

Deficit: An excess of expenditures or expense over revenues and resources.

Delinquent Taxes: Taxes that remain unpaid on and after December 15th subject to a penalty for non-payment.

Depreciation: The decrease in value of assets due to use and the passage of time.

Digest: The tax digest is a comprehensive list of all taxable and non-taxable property in the City.

Distinguished Budget Presentation Program: A voluntary program administered by the Government Finance Officers Association (GFOA) to encourage governments to publish efficient, organized, and easily readable budget documents.

Encumbrance: An amount of money committed for the payment of goods and services not yet received or paid for.

Ending Fund Balance: The excess of the fund's assets and estimated revenues over its liabilities, reserves and appropriations for the period.

Enterprise Fund: A self-supporting fund designed to account for activities supported by user charges.

Equipment: Tangible property of a permanent nature which is useful in carrying on operations, such as machinery, tools, and furniture.

Estimated Revenue: The amount of projected revenue to be collected during a fiscal year.

Excise Tax: A levy on a specific type of transaction at a rate specific to that transaction. Also known as a selective sales tax.

Expenditure: Costs of goods and services rendered whether paid or unpaid.

Fiduciary Fund: A fund used to report and record assets held in trust or in an agency capacity for others.

Financial Policies: Policies used to enable the City to achieve a sound financial position. They are in writing and are periodically updated and endorsed.

Fiscal Year: Any 12-month period of time to which the budget applies. The City's fiscal year begins on July 1 and ends on June 30.

Fixed Assets: Assets of long-term character, which are intended to continue to be held or used, such as a building, machinery and equipment.

Franchise Fee: Fees paid to a municipality from a franchisee for the use of city streets and right-of-ways. Businesses required to pay franchise fees include utilities such as gas, electricity, cable television and telephone.

Function: A group of related activities aimed at accomplishing a major service or regulatory program.

Fund: A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance: The difference between a fund's assets and liabilities. Portions of the fund balance are presorted into five categories: nonspendable, restricted, committed, assigned, and unassigned.

Fund Type: Any one of three categories into which all funds are classified in governmental accounting. (Governmental, Proprietary, and Fiduciary). The categories are further divided into eleven fund types: general, special revenue, debt service, capital projects, permanent, enterprise, internal service, private purpose trust, pension trust, investment trust, and agency.

General Fund: The operating fund of the City used to account for all revenues and expenditures not accounted for in other funds, and which are used for the general operating functions. Revenues are derived primarily from general property taxes, charges and fees, excise taxes, and fines. Expenditures include the cost of the general operations and transfers to other funds. A government can have only one General Fund.

Government Accounting Standards Board (GASB): A governmental accounting standard setting body, which is the source of generally accepted accounting principles (GAAP) used by state and local governments in the United States. It is a private, non-governmental organization. The GASB issues Statements, Interpretations, Technical Bulletins, and Concept Statements defining accounting standards for state and local governments.

Governmental Fund: A fund used to account for mainly tax-supported activities.

Grant: A contribution from another government unit or other organization to support a particular project or activity.

Infrastructure: Project of a capital nature on which the continuance and growth of a community depend, such as streets and roads, sewers, public buildings, and parks.

Interest Rate: The annual yield earned on an investment, expressed as a percentage.

Interfund Transfers: Amounts transferred from one fund to another. This is done to reimburse the fund for expenses or to finance the operation of the other fund.

Intergovernmental Revenue: Revenue received from another governmental entity for a specified purpose.

Investments: Securities, bonds and real property (land or buildings) held for the production of income in the form of interest, dividends, rentals or lease payments. The term does not include fixed assets used in the normal course of governmental operations.

Legally Adopted Budget: The total of the budget of each City fund including budgeted transactions between funds.

Levy: The total amount of taxes, special assessments or service charges imposed by a governmental unit.

Liabilities: Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date.

Licenses and Permits: Revenues in this category are charges designed to reimburse the City for costs of regulating the activities being licensed.

Line Item Budget: A budget that lists each expenditure category (salary, materials, services, etc.) separately, along with the dollar amount budgeted for each specified category.

Long Term Debt: Debt with a maturity of more than one year after the date of issuance.

Millage Rate: The ad valorem property tax rate expressed in terms of the levy per \$1,000 of assessed property value.

Modified Accrual Basis: The basis of accounting under which expenditures are recorded as soon as they result in liabilities for benefits received and revenue is recorded when received. The extent of modification varies in practice, depending upon the accountant's judgement.

Net Assets: The difference between the City's total assets and total liabilities. Measuring net assets is one way to gauge the City's financial condition.

Object: As used in expenditure classification, this term applies to items purchased or the service obtained, such as personal services, purchased property services, other purchased services, supplies and capital outlays.

Operating Costs: Costs incurred as a result of day-to-day operations.

Operating Reserve: a level of unassigned fund balance in the General Fund greater than or equal to four months of operating expenditures and other financing uses based on the current year's budget.

Ordinance: A formal legislative enactment by the governing board of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the City boundaries.

Overlapping Debt: The proportionate share that residents, within the reporting government, must bear of the debts of other governmental entities due to the resident being either wholly or partly within the geographic boundary of the other governmental entity.

Personal Property: Mobile property not attached permanently to real estate, including tangible property (such as furniture, equipment, inventory, and vehicles) and intangible property (such as stocks, bonds, and cash).

Personal Services: The costs associated with compensating employees for their labor. This includes salaries and fringe benefits.

Policy: A set of guidelines used for making decisions.

Projected: Estimation of revenues and expenditures based on past trends, current and expected economic conditions, and future financial forecasts.

Property Tax: A tax levied on the assessed value of real, personal, and public utility property. This tax is also known as ad valorem tax.

Proprietary Fund: A fund to account for activities that focus on operating income and cash flows. Such activities are often business like whether internal or external in operations.

Public Hearing: The portions of open meetings held to present evidence and provide information on both sides of an issue.

Purchase Order: A document which authorizes the delivery of specified merchandise or the rendering of certain services, establishes their cost, and creates a commitment on both the provider and receiver of the product or service.

Real Property: Immobile property; examples include land, natural resources above and below the ground, and fixed improvements to the land.

Refunding: The issuance of new debt whose proceeds are used to repay previously issued debt.

Resolution: A special order of the City Council that has a lower legal standing than an ordinance.

Restricted Fund Balance: Encompasses the net fund resources subject to externally enforceable legal restrictions. Such restrictions would include 1) those imposed by creditors, grantors, contributors, or laws or regulations of other governments, or 2) those imposed by law through constitutional provisions or enabling legislation.

Revenues: Monies received or anticipated by a local government from both tax and non-tax sources during the fiscal year.

Revenue Bond: Bond secured by the revenues of the specific operation being financed.

Special Purpose Local Option Sales Tax (SPLOST): Tax levied at the rate of one percent which applies to the same items as the State sales tax, except that the special purpose local option sales tax also applies to sales of motor fuels and groceries. The City's share of voter-approved Gwinnett County SPLOST funds allow the City to fund capital improvement projects, without placing additional pressure on operating budgets or tax rates.

Special Revenue Fund: A fund used to account for the proceeds of specific revenue sources that are restricted to expenditures for specific purposes.

Supplies: Expenditures or expenses for items that ordinarily are consumed within a fiscal year and which are not included in inventories.

Tax Allocation District (TAD): The Georgia Redevelopment Powers Law gives cities and counties the authority to create these districts to finance infrastructure and other redevelopment costs within a specifically defined area. A tax allocation district is a contiguous geographic area within the redevelopment area defined and created by resolution of the local legislative body for the purpose of issuing tax allocation bonds or creating funding to finance the redevelopment costs within that area.

Tax Rate: The amount of tax stated in terms of a unit of the tax base.

Taxes: Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. The term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments.

Transfer In/Out: Amount transferred from one fund to another to assist in financing the services of the recipient fund.

Unassigned Fund Balance: Includes fund balance that has not been reported in any other fund balance classifications.

URA – Urban Redevelopment Agency: The Urban Redevelopment Agency of the City of Duluth was established as a legally separate entity. The agency provides a means to issue revenue bonds for redevelopment within the City.

User Charges: The payment of a fee for direct receipt of a public service by the party benefiting from the service.
