

PACKAGE THEFT PREVENTION TIPS

PROTECT YOUR ONLINE PURCHASES FROM 'PORCH PIRATES'

- Request a **specific delivery day and time** from the shipper when you know you will be home.
- Have packages delivered to a place where they can be **received in person**, such as home of a **trusted neighbor**, who stays home during the day.
- Request that a shipper **hold your package** at its pick-up facility so you can pick it up in person at your convenience.
- Provide **delivery instructions** to the shipper so that packages can be left at a safe location at your home that is **out of sight from the street**.
- If your employer will allow it, **have packages delivered to your place of work**.
- Consider a **visible surveillance camera** and a security company sign near the front door.

IF YOU **SEE** SOMETHING, **SAY** SOMETHING!
