Section 4

Applicant Response

The applicant finds that the following standards are relevant in balancing the interest in promoting the public health, safety, morality, or general welfare against the right to the unrestricted use of property and shall govern the exercise of the zoning power.

Please respond to the following standards in the form of a written narrative that must be submitted with the application. The response must be in this format. Any additional information may be included at the discretion of the applicant. Answers should cite specific examples.

- (A) How the proposed rezoning will permit a use that is suitable in view of the use and development of adjacent and nearby property.
- (B) How the proposed rezoning will adversely affect the existing use or usability of adjacent or nearby property.
- (C) Whether the property to be affected by a proposed rezoning has a reasonable economic use as currently zoned.
- (D) Whether the proposed rezoning will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools.
- (E) Whether the proposed rezoning is in conformity with the policy and interest of the Comprehensive Plan; Land Use Plan; transportation plans and other plans adopted for guiding development within the City of Duluth.
- (F) Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the proposed rezoning.
