

Western Gwinnett Pathway - Phase III

The project is the continuation of the Western Gwinnett Bikeway multi-use path. Phase III extension continues on Peachtree Industrial Boulevard from south of Rogers Bridge Road to the northern City limits eventually connecting to McGinnis Ferry Road in the City of Suwanee. The project is a collaborative effort between Duluth, Suwanee, and Gwinnett County. This will be a City/Gwinnett County 2014 SPLOST jointly funded project with Gwinnett County being responsible for design and construction. The City entered into an intergovernmental agreement with Gwinnett County in September 2014.
