

WHY PUBLIC ART?

Duluth’s vision for public art stems from a long tradition of valuing the connection between the citizens of Duluth and the city itself. Public Art is one of the many tools the City of Duluth has used to promote community excellence; it will be a tool that is used to define Duluth for years to come.

WHAT ARE THE GOALS?

- 1 To inspire contribution to the spirit of Duluth from the entire community.
- 2 To establish a new culture of high expectation for Duluth-inspired public art + design.
- 3 To encourage widespread and increased celebration of Duluth.

Our [Public Art Master Plan](#) identifies **6** types of public art that the community wants to see in Duluth:

- MURALS
- FUNCTIONAL ART
- PERFORMANCE ART
- SCULPTURES
- INTERACTIVE ART
- ART PROGRAMMING + TEMPORARY ART
