Addendum Acknowledgment:

The Contractor shall acknowledge receipt of this Addendum on the Bid Proposal Form. All terms and provisions of the Bid Documents shall apply to this Addendum. The Contractor is responsible for ensuring that all changes identified in this Addendum are fully understood by him and by his subcontractors, that all changes are accounted for in the bid amount, and that each of the subcontractors utilized in preparation of his bid received the addendum and accounted for the addendum in their bid amount.

The following changes and/or corrections shall be made to the Bid Documents:

1. There is no available hazardous material survey for the building. If the contractor discovers or suspects that there is a hazardous substance that needs to be addressed, they shall notify the city and the city will provide for any required abatement.

END OF ADDENDUM NO. 2
