

**For more information please refer to:**

City of Elko Municipal Codes  
Title 2  
Chapter 2  
Appendix O  
Fences, Walls and Retaining Walls

The City of Elko Administrative Code and amendments to the codes can be found online at [www.elkocity.com](http://www.elkocity.com) or at the City Clerk's office.

**A building permit shall be *required* for the following:**

- Fences over 6'6" tall and constructed of wood, vinyl, chain link or other similar materials.
- Fences which are 4' or higher, measured from the bottom of the footing to the top of the fence and constructed of block, brick, stone, rock or other similar materials.
- Any fence supported by a retaining wall when the overall height is 6'6" or higher from the bottom of the retaining wall footing to the top of the fence.

**Contact the City of Elko Planning Department at 777-7162 if:**

- You are building a fence in front of your home.
- If you are on a corner lot.
