

## CONSTRUCTION NOTICE

September 5, 2019

### Project Description

The Village contractor, **Trine Construction**, will begin water service transfers on **Hinsdale Ave (Stough St to Bodin St)** on **Monday, September 9<sup>th</sup>**. The contractor will notify each resident 20 minutes before the transfer. Each service transfer will take about 90 minutes to complete. The contractor will use an outdoor spigot to flush the service line after the connection is made. Residents will need to bleed the air out of their interior plumbing by removing the faucet screens and running water for a few minutes. Once the air is flushed from the faucet, you may then flush the toilets. **Do not flush any toilets until all the air is bled out of the faucets.** If you experience a loss in water pressure, please contact the Water Dept. (630-789-7053) to schedule a meter inspection.

The water service transfers are scheduled to be completed by **Friday, September 13, 2019**

### Project Locations

- Hinsdale Ave (Stough St to Bodin St)

### Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. Access to the street and driveways will be affected by construction operations.

Please use alternate side streets for daily and overnight parking to avoid any conflicts with these activities. Use caution and plan accordingly. Maintain garbage and recycling routines. ***Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines.***

### Alternate Parking Locations

- Quincy St (South of Hinsdale Ave)
- Bruner St (South of Hinsdale Ave)
