

CONSTRUCTION NOTICE

September 10, 2019

Project Description

G&M Construction will begin curb removal and replacement on **Tuesday, September 17th**. The removal operations will require a full street closure. We urge residents to use alternate parking locations and follow the detour route. Curb replacements are scheduled to be completed by Friday, September 20th, weather permitting.

Project Locations

- Hinsdale Ave (Stough St to Bodin St)

Impacts to Residents

The scheduled curb removal will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. In order to avoid conflicts, please relocate your vehicles to an alternate location on **Monday night, September 16th**. **Access to the street and driveways will be affected as the curbs are removed, prepared, and poured. The fresh concrete will need 4-5 days to cure before traffic will be allowed over the curbs.** Please use caution and plan accordingly. **Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.**

Alternate Parking Locations

- Quincy St (South of Hinsdale Ave)
- Bruner St (South of Hinsdale Ave)
- Adams St (South of Hinsdale Ave)
- Bodin St (South of Hinsdale Ave)

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
