

CONSTRUCTION NOTICE

September 16, 2019

Project Description

The Village contractor, **Trine Construction**, will begin water main installation on **5th St (Garfield St to Park Ave)** on **Friday, September 20th** with a main connection at the Garfield St and 5th St intersection. This connection will require the temporary closure of the intersection FOR THE DAY. A detour will be set in place to direct traffic around the construction activity (Garfield St to 4th St, 4th St to Washington St, Washington St to 6th St, and 6th St back to Garfield St). Once the intersection work is completed, watermain installation will proceed east along 5th St. The watermain activity should be completed by October 4th, weather permitting.

Project Locations

- 5th St (Garfield St to Park Ave)

Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. Access to the street and driveways will be affected by construction operations. Please use alternate side streets for daily and overnight parking to avoid any conflicts with these activities. **Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines.**

Alternate Parking Locations

- 4th St (Garfield St to Park Ave)
- 6th St (Garfield St to Park Ave)

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will be provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
