

CONSTRUCTION NOTICE

Project Description

The Village's contractor, G&M Cement will pave the new curbs and driveway aprons on **Hinsdale Ave** on **Friday, September 20th (weather permitting)**. **Please note that this activity will affect your driveway access and ALL street parking will be prohibited.** Residents are encouraged to use alternate parking locations (Monday through Friday) for daily and overnight parking.

Friday, September 20th: Contractor will pave the new curbs on both sides of the street. ALL driveway aprons will be poured in concrete the following week. The new concrete will need 4-5 days to cure and gain strength before access can be restored.

Project Locations

- Hinsdale Ave (Stough St to Monroe St)

Impacts to Residents

The scheduled activities will take place from 7:00 AM to 5:00 PM. During the project activities, street parking will be prohibited. Residents are encouraged to relocate their vehicles to alternate side streets to avoid conflicts with these activities. Please maintain a 30 foot clearance from all intersections. The Police Department has been notified of this alternate parking arrangement for daily and overnight periods. Maintain your garbage and recycling routines. Once the concrete has cured and gained strength, temporary driveway access will be restored (from 5PM to 7AM).

Alternate Parking Locations

- Quincy St (South of Hinsdale Ave)
- Bruner St (South of Hinsdale Ave)
- Adams St (South of Hinsdale Ave)
- Bodin St (South of Hinsdale Ave)

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
