

CONSTRUCTION NOTICE

October 2, 2019

Project Description

G&M Construction will begin curb removal and replacement on E 5th St on **Wednesday, October 9th**. The removal operations will require a full street closure. We urge residents to use alternate parking locations. Curb replacements are scheduled to be completed by Friday, October 11th, weather permitting.

Project Locations

- E 5th St (Garfield St to Park Ave)

Impacts to Residents

The scheduled curb removal will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. In order to avoid conflicts, please relocate your vehicles to an alternate location on **Tuesday night, October 8th**. **Access to the street and driveways will be affected as the curbs are removed, prepared, and poured. The fresh concrete will need 4-5 days to cure before traffic will be allowed over the curbs. Access to all properties will be restored on October 18th**. Please use caution and plan accordingly. *Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.*

Alternate Parking Locations

- E 5th St (Park St, north or south of 5th St) please maintain a 30 foot clearance from all intersections.

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
