

CONSTRUCTION NOTICE

October 14, 2019

Project Description

The Village has determined that the quality of paving on some sections of N Adams St does not meet our standards. Therefore, the paving contractor, **Lindhahl Paving** will begin pavement repairs (milling and resurfacing) **tomorrow, October 15th**. Please note that some driveways will be affected. Use alternate parking locations (Monday through Friday) for daily and overnight parking. **Pavement Milling is scheduled to begin on Tuesday, October 15th. Street Paving is scheduled for Thursday October 17th and Friday, October 18th (Weather Permitting). Access to the street and all driveways will be prohibited for paving operations.**

Project Locations

- N Adams Street (North St to Ogden Ave, portions of the street)

Impacts to Residents

This scheduled activity will take place from 7:00 AM to 4:30 PM. During the project activity, street parking will be prohibited.

Liquid prime (FRESH OIL) will be sprayed on the pavement at 6:00 AM on Thursday and Friday. To avoid tracking prime onto driveways and other streets, please relocate your vehicles to the alternate parking locations.

Alternate Parking Locations

- Please use North St for your daily and overnight alternate parking.

Maintain a 30 foot clearance from ALL intersection. Maintain garbage and recycling routines.

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
