**BEGINNING JUNE 1, 2022 THE VILLAGE WILL TRANSITION TO 3 HOUR ZONE PARKING BETWEEN THE HOURS OF 7AM-6PM MONDAY THROUGH SATURDAY.**

**? HOW DOES ZONE PARKING WORK?**

Every vehicle is entitled to 3 free contiguous hours in the zone on any given day. A car may be relocated to any parking place in the Parking Zone within those three hours. Shoppers needing additional time are directed to utilize the parking deck, or the Garfield, Washington, or Village Lots.

**? WHERE ELSE IS PARKING AVAILABLE?**

Parking is available in the Parking Deck; the Garfield, Washington, and Village Lots. The Zone parking area will be conspicuously marked with the green and white signage seen above.

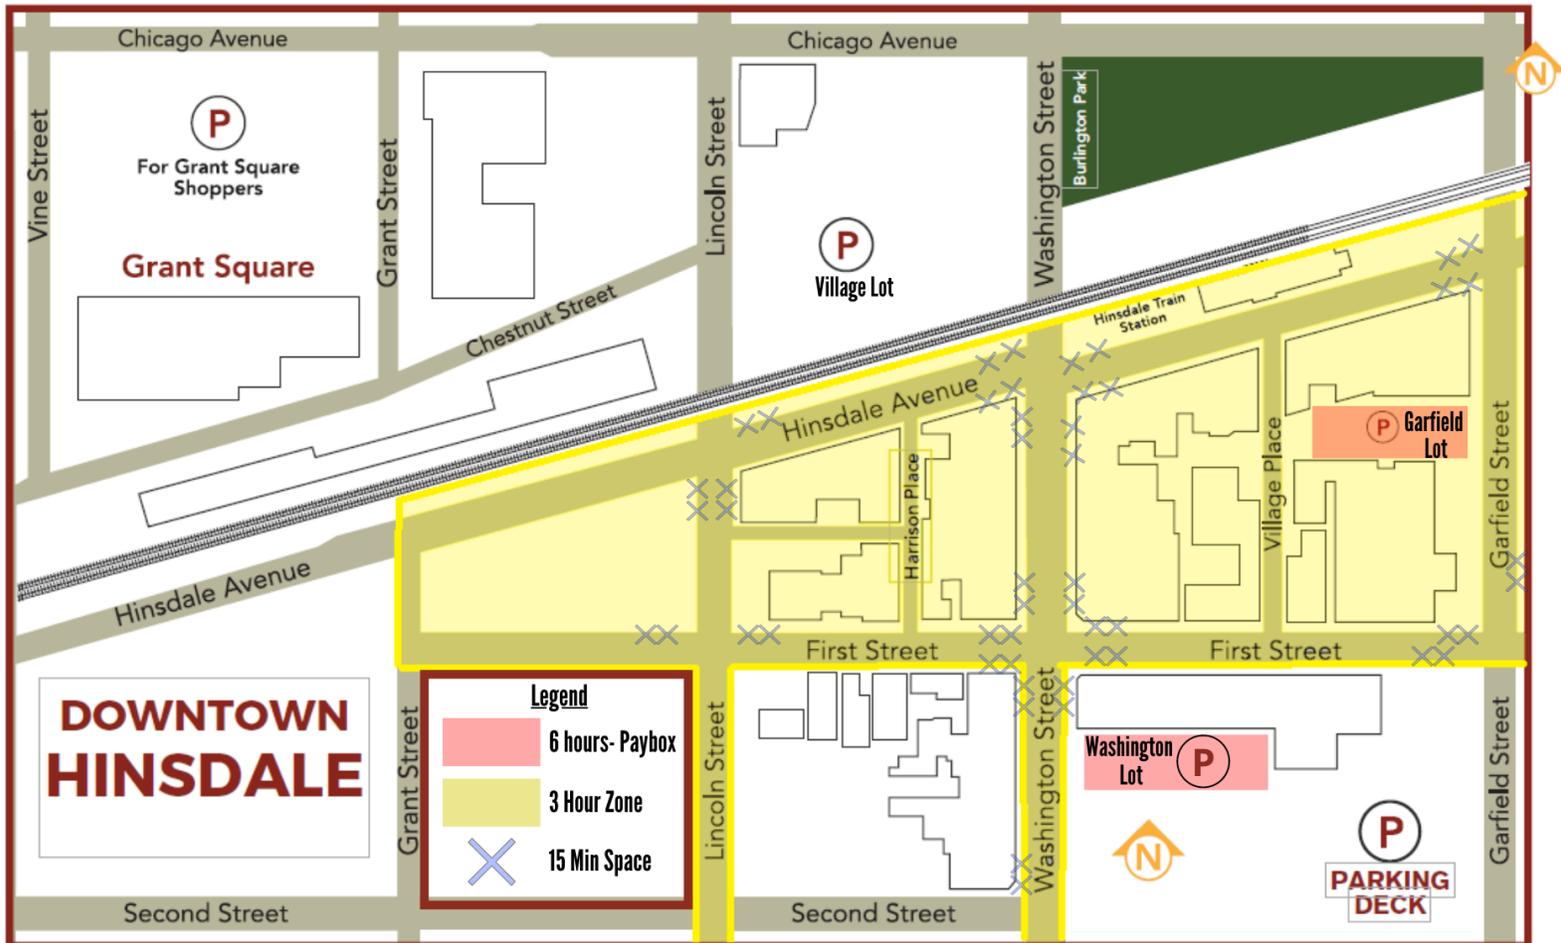

**? WHAT IS THE FOOTPRINT OF THE PARKING ZONE?**

The Zone Parking includes on-street previously metered parking located south on the railroad tracks in the Central Business District. The new Village's parking deck, Washington and Garfield Parking lots are not included in the Parking Zone.

**? WHAT IF I AM MAKING A QUICK TRIP TO PICK SOMETHING UP AND WILL BE RETURNING TO SHOP LATER IN THE DAY?**

A number of fifteen minute parking spaces have been established in the Business District. Your time in those spaces will not count against time in the zone later in the day.
