MEMORANDUM

DATE: July 11, 2019

TO: Thomas K. Cauley, Village President
Village Board of Trustees
Kathleen A. Gargano, Village manager

FROM: Brian King, Chief of Police

RE: Executive Summary – Police Department Activity April, May 2019

Attached is the monthly Police Activity Report for April & May 2019. Of note, the reckless discharge of a firearm and the unlawful use of a weapon was the result of a resident being charged with discharging a firearm in his backyard while intoxicated. The case is currently awaiting trial.

VILLAGE OF HINSDALE – POLICE DEPARTMENT

TRAFFIC SAFETY STUDIES

- **57th and Elm** - A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to install traffic control devices at the current uncontrolled intersection. The study remains on-going.
- **Bodin and Fourth** - A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **County Line and Pamela** - A preliminary intersection study was initiated at the request of a local resident. The study will evaluate the congestion caused by the traffic signal at 55th Street and if warranted possible solutions on how to prevent vehicles from blocking the intersection at Pamela. The study remains on-going.
- **County Line and Walnut** - A preliminary intersection study was initiated at the request of a local resident. The study determined the warrants were not met for the installation of an additional stop sign on southbound County Line Road.
- **Fourth Between Park and Oak** - A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Eighth Between Thurlow and Quincy (Excluding Monroe)** - Preliminary intersection studies were initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Elm and Ravine** - A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Washington and Maple** - A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to convert the two way stop to an all way stop. The study remains on-going.
- **Washington and Second** - A preliminary intersection study was initiated at the request of the Chamber of Commerce. The study will determine if the MUTCD warrants are met to convert the one way stop to an all way stop. The study remains on-going.
