

Circa Lighting Opens New Showroom in Hinsdale, Illinois

October 19, 2021 – Circa Lighting, the premier reseller of the Visual Comfort & Co’s. family of brands is pleased to announce the opening of their Hinsdale showroom. The 5438 square-foot showroom location is equipped with a state-of-the-art Architectural Lighting Lab with options in downlighting, cove lighting and other layers of light. The lab allows customers to experience architectural lighting in real life applications and provides tools that aid in the design and decision making.

“Circa Lighting is your quintessential resource for decorative and architectural premium lighting. We’re excited to expand our presence to Hinsdale and offer yet another location to serve our customers.” says founder and president, Gale Singer. “There is a high demand for our product in Hinsdale and the designers, builders, architects and homeowners in this market share our passion for great design.”

Circa Lighting is expanding its robust showroom and e-commerce business with locations open (or soon to open) in Atlanta, Austin, Birmingham, Boston, Charleston, Charlotte, Chicago, Columbus, Denver, Detroit, Greenwich, Hinsdale, Houston, Laguna, Manhattan, Miami, Minneapolis, Nashville, Norwalk, Philadelphia, San Diego, San Francisco, Savannah, Scottsdale, Seattle, Southampton, Washington D.C., West Hollywood--an international hub in London, and digital platforms that effectively serve US, UK, and EU markets.

Their knowledgeable staff (including lighting designers and certified lighting specialists) are standing by to assist customers via phone, email, live chat, FaceTime, Skype and Zoom. Customers can also reach the company’s national sales center by email at customerservice@circalighting.com, phone at 877.762.2323 or online at circalighting.com.
