February 28, 2025

Dear Resident:

The Illinois Tollway's Central Tri-State Tollway (I-294) Project is underway to reconstruct and widen the roadway from Balmoral Avenue to 95th Street. The project is replacing old infrastructure and providing congestion relief to meet future transportation demands and address regional needs. The project is scheduled to be complete in 2027.

As part of the ongoing construction, we continue to share information about work that may impact your area, including work to rebuild and widen I-294.

Reconstruction work on the mainline roadway between I-55 and Cermak Road is anticipated to continue through 2025. Construction includes new mainline roadway pavement, noisewall reconstruction, retaining wall and drainage improvements.

This spring, removal of the existing noisewall is scheduled to begin along the ramp from eastbound Ogden Avenue to southbound I-294, along with construction of the new noisewall along southbound I-294 adjacent to Mills Street. Noisewall construction in these areas is ongoing and anticipated to be complete by summer 2025. All work is weather dependent and subject to change.

Tollway construction requires contractors to perform the majority of the work from the Tollway right-of-way. However, if work requires access from the local roads, the use of the local roads will be coordinated with the Village of Hinsdale.

We understand your proximity to this work area and appreciate your patience. The Tollway has coordinated with municipalities along the corridor throughout the design, planning and construction of this project to reduce the inconvenience this construction project has on local communities near the Tollway.

For more information on the Central Tri-State Tollway Project, visit the Project section on the Illinois Tollway website at www.illinoistollway.com. If you have any questions or concerns, please do not hesitate to contact our construction communications team via email at 294tristate@getipass.com or our 24/7 construction hotline at 630-246-2930.

Sincerely,

Signed by:

Jeffrey J. Allen, P.E.

Deputy Chief of Program Implementation

CC: Kathleen A. Gargano, Village Manager, Village of Hinsdale
George Peluso, Director of Public Services and Engineering, Village of Hinsdale
