June 29, 2021

Dear Resident,

On June 26, 2021 at around 1 p.m., the Village experienced extensive flooding in parts of the northeastern portion of the Village.

Village staff, the Village's engineering firm, HR Green, and the Tollway are working together to determine the cause of this unusual event.

While we do not have many answers right now, please know that we are doing what we can to identify the cause of the flooding.

If you incurred property damage as a result of the flooding, please contact Tollway representative Chloe Daniels at 630-335-4566 or by email at cdaniels@omegaassociates.com.

The Village also requests that you copy the Village on any communication with the Tollway at Hinsdaleoutreach@villageofhinsdale.org.
