

MEMORANDUM

DATE: January 17, 2019

TO: Thomas K. Cauley, Village President
Village Board of Trustees
Kathleen A. Gargano, Village manager

FROM: Brian King, Chief of Police

RE: Executive Summary – Police Department Activity December 2018

Attached is the Police Department Activity Summary for December. The most significant crime events were overnight burglaries and auto thefts that occurred on the southeast side of the Village. I am happy to report that both stolen vehicles were recovered and a follow-up investigation led to charges against two offenders. Both are well known to the police and have extensive criminal histories. The incarceration of these two individuals should reduce our theft and burglaries numbers in 2019.

TRAFFIC SAFETY STUDIES

- **Fourth and Bodin** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to install or change the traffic control devices at the intersection. The study remains on-going.
- **Uncontrolled Intersections on Northeast Side of Town** – Preliminary intersection studies were initiated at the request of multiple concerned residents regarding uncontrolled intersections near the northeast side of town. A recommendation for the installation of stop signs will be forwarded to the Village Board for approval at multiple intersections in this area.
- **Park Between Fourth and Seventh** – Preliminary intersection studies were initiated at the request of a local resident regarding these intersections. The studies will determine if the MUTCD warrants are met to install or change the traffic control devices at any of the intersections. The studies remain on-going.
