

## MEMORANDUM

**DATE:** May 2, 2019

**TO:** Thomas K. Cauley, Village President  
Village Board of Trustees  
Kathleen A. Gargano, Village manager

**FROM:** Brian King, Chief of Police

**RE:** Executive Summary – Police Department Activity March 2019

---

Attached is the monthly Police Activity Report for March 2019. Of note, the robbery and two auto thefts are associated with a carjacking that occurred on March 18<sup>th</sup> at the Land Rover Dealership. The police department has made significant progress in that case which I am confident will eventually lead to charges against the responsible individuals.

Two of the burglary arrests indicated on the report are for the same individual that was charged with burglarizing his employer's business on two separate occasions.

<b>POLICE ACTIVITY OVERVIEW</b>					
	<b>March 2019</b>	<b>February 2019</b>	<b>2019 YTD</b>	<b>2018</b>	<b>2017</b>

## TRAFFIC SAFETY STUDIES

- **Adams and North** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to install traffic control devices at the currently uncontrolled intersection. The study remains on-going.
- **Bodin and Fourth** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Bruner and Hickory** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to install traffic control devices at the currently uncontrolled intersection. The study remains on-going.
- **Bruner and North** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to install traffic control devices at the currently uncontrolled intersection. The study remains on-going.
- **County Line and Pamela** – A preliminary intersection study was initiated at the request of a local resident. The study will evaluate the congestion caused by the traffic signal at 55th Street and if warranted possible solutions on how to prevent vehicles from blocking the intersection at Pamela. The study remain on-going.
- **County Line and Walnut** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to convert the three way stop to an all way stop. The study remains on-going.
- **Eighth Between Thurlow and Quincy (Excluding Monroe)** – Preliminary intersection studies were initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Elm and Ravine** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to change the current yield signs to stop signs or an all way stop. The study remains on-going.
- **Washington and Maple** – A preliminary intersection study was initiated at the request of a local resident. The study will determine if the MUTCD warrants are met to convert the two way stop to an all way stop. The study remains on-going.
- **Washington and Second** – A preliminary intersection study was initiated at the request of the Chamber of Commerce. The study will determine if the MUTCD warrants are met to convert the one way stop to an all way stop. The study remains on-going.
