**VILLAGE OF HINSDALE  
MEETING OF THE  
PARKS AND RECREATION COMMISSION  
Tuesday, February 13, 2024**

**CALL TO ORDER**

Chairman Waverley called the meeting to order at 6:00 p.m.

**ROLL CALL**

Present:	Chairman Alice Waverley, Commissioners Chris Boruff, Heather Hester, Steve Keane, and Pat Rooney
Absent:	Commissioners Darren Baker and Greg Moore
Others Present:	None
Staff Present:	Michael Hayes, Superintendent of Parks and Recreation Todd Linder, Recreation Supervisor Andri Peterson, Assistant Village Manager Carrie Dittman, Assistant Village Manager/Director of Finance Emily Tompkins, Village Clerk

**PUBLIC COMMENT**

None.

**APPROVAL OF MINUTES**

**A. Approval of Minutes- November 14, 2023**

Chairman Waverley noted a correction in the minutes regarding the misspelling of her name, which was located on page 5.

Commissioner Hester made a motion to **approve the minutes of the November 14, 2023 meeting as amended**. Commissioner Keane seconded the motion. Upon the call of the roll, the votes were:

Ayes: Commissioners Boruff, Hester, Keane, and Rooney and Chairman Waverley

Nays: None

Absent: Commissioners Baker and Moore

The motion carried. The amended minutes of the November 14, 2023 were approved.

**LIAISON REPORTS**

**A. Gateway RFP Update**

Superintendent Hayes provided the report. He explained the Village participates in the Special Recreation Association (SRA) – Gateway, which is comprised of nine-member communities and contracts with Ray Graham Association to provide inclusion services to residents with disabilities. He stated that in anticipation of Ray Graham Association's contract expiration June 30, 2024, the Gateway Special Recreation Association Board, which the Village is a member, solicited a Request for Proposal (RFP). Two bids were received, one from Ray Graham Association and one from the Oak Brook Park District. The Gateway Special Recreation Association Board voted unanimously to approve Ray Graham Association.

Superintendent Hayes stated the Village would be working with the SRA to provide locations for summer day camps and field usage.

Chairman Waverley questioned the length of the contract and Superintendent Hayes stated it was a two-year contract. Chairman Waverley asked the reason why the Gateway Special Recreation Association Board did not vote for Oak Brook Park District. Superintendent Hayes stated Oak Brook lacked specific experience and the Board felt it was better to stay with what the participants were used to. Users of the programming also supported staying with Ray Graham.

Commissioner Keane asked if the SRA currently works with the Oak Brook Park District. Superintendent Hayes replied that a lot of programming is done with Oak Brook.

There was a discussion regarding fee allocations and Superintendent Hayes explained the funding methodology. He stated staff looked at the cost of joining SEASPAR and the fees were higher.

## **MONTHLY REPORTS**

### **A. Annual Pool Report**

Superintendent Hayes provided the report. He reported the 2023 pool season was a success, with increases in memberships and programming, and Town Team continued to be a popular program. They received positive member feedback, especially related to the cleanliness of the pool and locker rooms.

He stated pool revenue increased in non-resident pool passes, swim team and pool rentals. The reason for the increase in non-resident pool passes was due to expanding the outreach to neighboring areas with marketing. He stated revenue decreased in daily fee and 10-punch passes which was mainly due to the weather. Revenue decreased slightly in resident passes.

Chairman Waverley asked which communities receive the expanded neighborly rate. Superintendent Hayes stated the rate was expanded to Darien. Other neighboring areas that receive the rate are: Brookfield, Burr Ridge, Countryside, Clarendon Hills, Downers Grove, Golfview Hills, Indian Head Park, LaGrange Highlands, LaGrange, LaGrange Park, Oak Brook, Western Springs, Westmont and Willowbrook.

Superintendent Hayes noted staff is evaluating ways to expand private swim lessons. Commissioner Hester asked when private lessons are taught and Superintendent Hayes stated private lessons are taught anytime the pool is open, based on staff availability.

Commissioner Boruff asked what programs generate the most revenue. Superintendent Hayes explained swim club and private rentals provide the most revenue.

There was a discussion about how private swim lessons are purchased. Recreation Supervisor Todd Linder stated lessons were sold in packs of five or ten and staff is going to start offering packs of five, ten or fifteen lessons. Superintendent Hayes stated

the pool passes were restructured in the registration system to accurately track the number of passes sold.

Superintendent Hayes stated operational adjustments, mainly reducing staffing during inclement weather, helped to reduce costs by more than \$30,000. He stated there were areas where expenses increased, including custodial expenses, guard certifications, pool chemicals, medical supplies and the general equipment budget. Included in the general equipment budget is the annual ongoing maintenance and several one-time facility improvements. General equipment budget expenses in 2023 included repairs of the dive wall fall pad, drain cover replacements, painting the baby pool mushroom and slide, along with several other projects. Recreation Supervisor Linder stated staff was looking into ways to lower the cost of chemicals by using different treatments.

There was a discussion regarding custodial services. Superintendent Hayes stated staff was happy with the custodial services provided and noted that cleaning supplies are included in the custodial expenses. Staff is working on finding the most competitive pricing.

Superintendent Hayes reported that based on feedback received, Saturday morning group lessons will be offered this year. Commissioner Hester expressed satisfaction that the Aquatic Coordinator was an adult and stated the group lessons were well run.

There was a discussion about pool events. Events returning in 2024 include Christmas in July, monthly \$5 Friday Nights, Scout Family Night, Father's Day, Red, White and Blue Day and Grandparents Day.

Superintendent Hayes noted the concession vendor, Ty's Treats, will not be returning this season as the owner will be going to college. The Village submitted a Request for Proposal and selected a new vendor. The vendor will be paid a flat fee, which has historically worked well.

Superintendent Hayes stated the two part-time Aquatic Coordinators, Christine and Tom will be returning this season. Another two Aquatic Coordinators will be added, which will ensure an adult is present at all times. About half of the staff has been hired and staff will recruit at Hinsdale Central High School. Adjustments were made to staff salaries based on survey from area municipalities who staff pools.

There was discussion regarding resident survey results. Positive feedback was received regarding the value. Feedback was also received about lounge chairs, day camps, lap lanes, the need for more shaded areas and the communication plan for pool closures.

Superintendent Hayes spoke about projects planned for 2024. These projects include:

- The replacement of lounge chairs.
- The replacement of a small heater. This is continued from last year and is currently underway.
- The repair and painting of the baby pool wood structure.
- The replacement of life jacket storage and the storage rack.
- A new air conditioner in the Manager's Office.

- Yearly pump repairs.
- The annual heater cleaning.
- The purchase of safety equipment.
- The purchase of new portable stairs.
- A new ADA lift.

There was discussion about the Clarendon Hills pool and the possibility of it closing if a proposed referendum did not pass.

## **B. Annual KLM Report**

Superintendent Hayes reported that the Lodge experienced a successful year of rentals in 2023 and that 2023 also represented a time of transition between staffing and operational changes. At the start of the 2024 season, the Facility Manager role was transitioned to a current Lodge employee with years of experience in various roles at the Lodge.

As part of the 2024 budget process, staff evaluated the overall facility operations, which included, but were not limited to fees, expenses, marketing, sales and staffing. The results offered a very detailed snap shot into the facility's health, which has helped staff plan for the future.

Future changes include reducing expenses through service adjustments and increasing sales through improved marketing, facility attractiveness and enhanced lead tracking. The annual report provides financial data and facility projects. Facility revenue data includes rental sales, and catering fees. Facility related expenses highlight wages and operating expenses.

At this time in 2024, the Lodge has already booked 70% of the facilities budgeted revenue for the year.

Chairman Waverley asked about the cost of the custodial services and Superintendent Hayes explained that custodial services include cleaning and also set up and take down of event furniture.

Commissioner Boruff asked about the event prices. Superintendent Hayes explained that staff is continuing to evaluate pricing and comparing the pricing to similar facilities in the Chicagoland area. Pricing currently varies based on the type of event being held.

Chairman Waverley asked about plans for 2024. Superintendent Hayes explained that staff has been tracking leads on various marketing sites to determine the best return on investment. With increased management and follow up of leads, staff is seeing more bookings. Recreation Supervisor Linder noted that since November 14, staff has followed up on 301 leads.

Commissioner Boruff asked about the conversion rate of leads. Superintendent Hayes noted that staff is working to provide more detailed information regarding the number of leads and the geographic area where the leads originate. Staff endeavors to respond to leads within 72 hours.

Superintendent Hayes provided an overview of the 2023 projects at KLM and anticipated projects in 2024 including bathroom partitions, new sound system, lobby tv, exterior painting, water fountain replacement and a portable bar. Staff has also been in contact with a potential historical architect specializing in Zook who may be a resource for the Village regarding improvements in the future.

Recreation Supervisor Linder reported that staff launched a new software that allows caterers and guests to plan their event layout online. A virtual tour of the facility was also added to the website along with dates that are available and those that are booked.

Staff is continuing to work to benchmark operations to other similar facilities and will provide more information regarding that analysis as it develops.

### **OLD BUSINESS**

None.

### **NEW BUSINESS**

None.

### **CORRESPONDENCE**

#### **A. Meeting Schedule**

The meeting schedule for 2024 was presented.

### **OTHER BUSINESS/DISCUSSION ITEMS**

#### **A. Rec Coordinator and KLM Positions**

Superintendent Hayes reported that Ariana Nava has been named as the new Sales and Events Manager for KLM Lodge. Staff is also in the process of advertising and interviewing for a new Recreation Coordinator.

#### **B. HPTA Update**

Superintendent Hayes reported that the lights at the Paddle Tennis Courts at Burns Field are in the process of being replaced. The HPTA is working with the Community Development Department on the process steps related to the proposed expansion of the Paddle Tennis Courts at KLM.

#### **C. Holiday Registration Update**

Superintendent Hayes noted that the holiday events were successful with 210 letters responded to by Santa, 550 participants at Winter Wonderland and 150 participants at the Pizza with Santa event.

#### **D. Ice Rink Update**

Superintendent Hayes noted that due to warmer than expected weather, the ice rink was not able to be installed this year.

### **ADJOURNMENT**

There being no further business before the Commission, Commissioner Keane made a motion to adjourn the meeting at 7:50pm. Commissioner Boruff seconded the motion.

Upon the call of the roll, the votes were:

Ayes: Commissioners Boruff, Hester, Keane, and Rooney and Chairman Waverley

Nays: None

Absent: Commissioners Baker and Moore

The motion carried. The meeting was adjourned at 7:50 pm.

### **February 8, 2024 Meeting Updates:**

**Elevate Program:** A new adult program called Elevate is being developed, which will run during weekdays (Monday to Friday). It aims to provide services during the day, utilizing the community as the classroom and adhering to federal Home and Community Based Setting guidelines for community integration. The program will offer participants options to plan their day and learn through exposure, education, and experiences in their communities. It's set to launch in September, with Ray Gram Association in the initial planning and staff onboarding stages.

**The Village of Hinsdale:** Reports 21 participants registered for inclusive programs for the winter/spring season, marking the second-highest registration among nine municipalities within the organization.

### **March 14, 2028 Meeting Updates:**

**Gateways Summer Camp:** The Village of Hinsdale will continue to host Gateways summer camp, but it will now be held at the Annex Building at KLM due to schedule updates to Burns Field. The camp is scheduled to run from June 10 to August 2, with weekly planned trips to the Hinsdale Community Pool.

**Gateways Adult Softball Program:** Scheduled to be held Tuesday evenings at Veeck Park from May to July.

## MEMORANDUM

**DATE:** April 9, 2024

**TO:** Chairman Waverley and Members of the Parks & Recreation Commission

**FROM:** Michael Hayes, Parks & Recreation Superintendent; CPRP, CPO

**RE:** Summer Staff Report

---

**Recreation Coordinator**

Tom Yurkovich started working at the Village of Hinsdale on Monday March 11, 2024. He was most recently with the Westchester Park District and has nearly 20 years of experience in the Parks and Recreation field. Tom started out in the Maintenance Department at the Westchester Park District in 2006, where he helped run the day to day maintenance operations for two district buildings, a swimming pool complex, and several parks and ball fields. In 2017 Tom was promoted to Office Manager where he oversaw the operations of the Administrative Offices and records of the Park District. More recently, in 2023, Tom was promoted to Recreation Supervisor overseeing all the recreation and fitness programs and the district's fitness center. We are pleased to have Tom as part of the Villages Parks and Recreation team and are looking forward to his years of experience.

**Brochure Update**

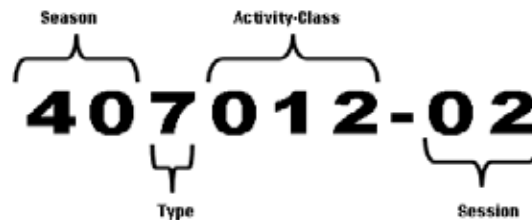

We are pleased to announce that the Summer Brochure for 2024 was made available online starting March 20, 2024. In an effort to ensure widespread awareness and in response to a suggestion by the Park and Recreation Commission, we have strategically placed 36-yard signs in our various parks to alert residents about the online release and opening of registration on April 1, 2024.

The 2024 Summer Brochure book features 13 special events, which will be jointly coordinated by both the Village and external organizations. Moreover, our comprehensive program guide will showcase an impressive array of 180 programs, encompassing a total of 406 classes. This marks a notable increase from our 2023 Summer Brochure, which presented 166 programs with 331 classes. The increase in classes is a result of a wider range of program offerings from various co-op locations.

The brochure has undergone significant updates, particularly regarding the organization of youth athletic classes. Instead of being sorted by contractor, these classes are now thoughtfully categorized by sport. This reorganization aims to enhance the user experience and streamline the process of finding desired classes.

## MEMORANDUM

The second step in the redesign is more of an internal adjustment to the program codes. Our new codes not only reference the season, but separate program types to align with our budget, and offer an assigned chronological system behind each activity number so we know exactly what number is being assigned. This change will offer staff a wide range of future reporting possibilities so programs can be thoroughly compared from season to season.

Season		Type		Activity	Session
40	Summer	1	Aquatics	001-999	01-99
50	Fall	2	Cultural Arts		
60	Winter/Spring	3	Early Childhood		
		4	Fitness		
		5	General Interest		
		6	Events		
		7	Athletics		
		8	Parks and Rec Sponsors		

### T-Ball

Spring T-Ball League registration just closed and hit max enrollment. The spring league starts April 27, 2024 and runs until June 8, 2024. We will have ten teams and be running the program out of Robbins, Peirce and Veeck Parks.

## MEMORANDUM

### Events

The Easter Egg Hunt on March, 23 was successful by all accounts. Although it was a little cold we still had a great turnout, and the kids loved the new Easter Bunny. In preparation for the colder temperatures we had Chicago Tent company erect a warming activity tent to use for the day.

## MEMORANDUM

### Parks Maintenance Monthly Highlights – February 2024

#### Contractual Maintenance

Spring clean-up is scheduled for April 22, 2024, at 4 p.m., aligning with Earth Day.

Tree maintenance.

Contract was awarded for tree pruning in parks for 2024. Trees are being pruned at Katherine Legge Memorial Park and Brook Park.

Contract renewed for weekend and holiday garbage disposal for Village Parks and weekend maintenance of bathrooms.

#### General Park Maintenance

Bathroom shelters (six sites – 12 bathrooms, & 3 picnic shelters)

- KLM and Burns Field bathrooms are the only winter bathrooms open at times and were inspected, cleaned and stocked Monday-Friday.

#### Other

- Staff removed 7 dead trees at KLM Park and 2 dead/dangerous trees at Eleanor's Park.
- Staff began clearing the brush lines at Brook, Brush Hill and KLM Parks.
- Staff removed 15 declining Callery Pear trees at the pool. The areas will be repurposed to turf for additional space for pool patrons.
- Staff cut back woody ornamentals in Eleanor's Park and the Washington Lot Plaza
- Staff stored the ice rink components for the year.
- Preparation for 2024 athletic fields are under way with field layouts being determined, bad soccer nets being replaced and field paint being delivered by AYSO for the season.

### Park Projects

#### Peirce

- The roof on the Pitch-in Kitchen was replaced in early March. This was a planned capital project. ***(Hinsdale Little League covered the cost of gutter replacements last fall. This helped the project come in under budget)***
- Several of the garden plots were broken, staff has recently repaired these just in time as we have received our first two rental requests for the season.
- Bleacher replacements continue for a second year, with two new bleachers recently ordered to replace older bleachers.

## MEMORANDUM

### Burlington

- Table replacements continue at Burlington Park with the second phase of black picnic tables being delivered. We have received a lot of positive feedback from staff on the easy movability of the tables and from users on the style.

### Burns

- New garbage cans were ordered to replace older garbage cans at Burns Field.

### Brook

- The pickleball courts are scheduled for future full replacement, however staff has engaged with several companies to patch areas for the 2024 season.

### Robbins Park

- A bench donation was received for Robbins Park. The new bench will be installed on the walking bath by the school.

### KLM Park

- The Annex is scheduled to have the floors redone to match the rest of the outdoor park sites and had a fresh coat of paint applied. The space will be used for Special Recreation Summer Camp because Burns Field updates are taking place. The space also will be transitioned into a usable programming space for the Department.

## MEMORANDUM

### **Burns Field Playground Update**

The Playground demolition began on March 15, 2024. Staff was able to identify over 2 dozen pieces of equipment to re-purpose to other playgrounds as needed. Overall the project is on budget and on schedule. A standing water issue was identified and is in the process of being evaluated. The new playground installation began on March 18, 2024. Staff has inspected the site daily for safety concerns and has received positive feedback from community members walking through the Park. Below are a few pictures of the project.

### **Hinsdale Community Pool**

The 2024 pool season is under way with onboarding of staff. The Village is currently on pace to meet or exceed last year's staff levels. Staff has already started to work on several facility projects, which include finalizing a pool heater replacement, annual pump maintenance, repairs to the wood shade structure in the baby pool, replacement of 15 lounge chairs, renovations to the concession flooring and cabinets, and general facility organization. The upcoming month will be very busy at the pool as we clean and prepare the facility for filling the pools towards the end of April to support the Hinsdale Swim Club's early usage request in May.

KLM is roughly 7 bookings away from the 2024 budget revenue goal and upon review of data over the last few months, our main source of leads is coming from The Knot and our website inquiries. We are continuing to follow up on all leads in a timely manner and have received positive feedback about our responsiveness.

## MEMORANDUM

### **KLM Projects**

We have completed two more projects at KLM, which include replacement of the sound system and facility beverage area. The sound system is state of the art and allows us to have full digital control of all the speakers, improved sound, reduced footprint of equipment, and more microphone options. The portable beverage area is light weight and has wheels, allowing the Lodge to have more versatility in facility setup.

**DATE:** April 9, 2024

**To:** Chairman Waverley and Members of the Parks & Recreation Commission

**FROM:** Michael Hayes, Superintendent of Parks & Recreation; CPRP, CPO

**RE:** Burns Field Tennis and Basketball Courts Renovation Project

---

## **Background**

The 2024 Capital Improvement Plan allocated funds in the amount of \$210,000 to renovate the tennis and basketball courts at Burns Field. There are six tennis courts and one full-size basketball court, serving as vital recreational spaces for the community. The basketball court is heavily utilized, while the tennis courts are integral for recreational programming and used by Hinsdale Central High School tennis teams. The tennis courts were last improved in 2015. Currently, both courts have deteriorating asphalt and paint. The Village is working with the High School to fund a portion of the improvements.

## **Discussion**

To ensure effective project management, staff engaged Design Perspectives Inc. (DPI) for professional services. DPI was contracted to develop bid documents, manage the bidding process, and oversee court replacement. DPI has a proven track record of successful collaboration with the Village on various park projects, including recent renovations at IRMA Butler Tot Lot and Burns Field Tennis Courts in 2015.

Timely completion of the project is a priority before Hinsdale Central's fall tennis season. DPI advertised the bid package in the Hinsdalean and Daily Herald on March 19, 2024. Subsequently, the bid opening occurred on Wednesday, April 3, 2024.

## **Committee Action**

Staff intends to request approval to award the project to the most appropriate bidder at the May 7, 2024 Board meeting. The Commission is being asked to provide a recommendation to proceed with the project to ensure that completion deadlines are met.

# LETTER FROM THE SUPERINTENDENT

**Dear Hinsdale Residents,**

Summer is when the Hinsdale Parks and Recreation Department shines, so it seems fitting to dive right into some of our offerings beginning with the Hinsdale Community Pool. The pool features three pools, sunbathing areas, a bath house with locker rooms and a concession area. The opening of the pool is Memorial Day weekend and operates through Labor Day Weekend. In addition to offering open swim, lap swimming and swim lessons, the pool is home to several themed days. Don't forget about our Christmas in July and our new Back to School Bash events.

Speaking of special events, the summer brochure is offering three Lunch on the Lawns, which features Miss Jamie, Magic of Gary Kantor and Jeanie B. and the Jelly Beans. We also are hosting two Movies in The Park and a New Dog Days of Summer event. Don't forget about the annual Fourth of July parade!

A complete list of summer programs being offered in conjunction with other organizations and neighboring communities can be found in the brochure. The summer brochure has a slightly different layout. Now our athletic programs are grouped by activity type making it easier to see all the offerings.

The summer brochure is also filled with information on rentals. Speaking of rentals, if you're simply looking for the perfect place for your special occasion come visit The Lodge, which is a beautiful 52-acre park filled with charming ambiance.

A reminder that the program brochure is digital. The digital brochure allows us to make edits and changes to offerings as they happen, so accurate information is always displayed. If you have not yet subscribed to the new Parks & Recreation monthly newsletter, now is the time! Stay in-the-know and updated on all things Parks & Rec! Also, don't forget to connect with us on Facebook, Instagram or Rainout.

The Parks and Recreation Department has the privilege of providing services for the overall betterment of our community and we encourage public input on programs, events and facilities. Please contact us at [parkrec@villageofhinsdale.org](mailto:parkrec@villageofhinsdale.org) with your constructive ideas, suggestions or concerns. We also would like to thank all of our sponsors and volunteer coaches who make our programs possible.

Sincerely,

**Michael Hayes**

## 4 Years & Up Swim Lessons

Our Swim Lessons Program is designed with six levels of swimming ability, in swimming techniques and water safety. Each level is designed to channeling the students with new swimming skills. A certificate is issued upon successful completion of each skill level.

Swim Lessons are held Monday through Thursday in two-week sessions. All lessons are held at the Hinsdale Community Pool. The student must be able to demonstrate each skill to move to the next level. Each child is tested to determine the level they start at.

The levels will be assigned on the first day of lessons. Please indicate the last level that your child passed at registration if you remember.

**Registration will remain open for all classes until 12:00pm the Thursday before the next session starts unless the session is full.**

# STINGRAYS

HINSDALE COMMUNITY POOL

## Registration Deadline: June 1

Refunds for Town Team will not be issued after June 11 – NO exceptions

The Hinsdale Town Team is a member of the West Suburban Swim Conference, which swims “recreationally” with nearby towns. Swim meets are held both home and away. The conference is divided into two divisions: “A” for more experienced swimmers and “B” for less experienced swimmers.

The team practices Monday through Thursdays (see times below), with “A” meets held on either Tuesday evenings or Saturday mornings, and “B” meets are held on either Thursday evenings or Saturday mornings. The season will end with a conference championship meet for both divisions and a team party. Parents are required to volunteer for home meets.

Please Note: Participants on the Town Team must be able to swim 25 yards unassisted and be at least 5 years old. Participants who do not meet this requirement will be refunded. *This program is designed as an introduction to competitive swimming – it is not swimming lessons.*

**Registration Info:** Fees include a swim cap and t-shirt. Directions on where to purchase a swim suit will be given prior to the start of the season. *A late fee of \$30 will be added to all registrations beginning June 1. No registrations accepted after June 11.*

# CODE NINJAS®

## Camps

Camps are located at Code Ninjas, 842 E Ogden Ave, Westmont

### Code Your Own Arcade

Ninjas will create retro-style arcade games with Microsoft MakeCode Arcade. Combine the power of coding with game design to enhance their programming skills. At the end of the camp, they will bring their games to life on handheld gaming devices to play and share with friends.

Code	Days	Time	Dates	Fee
405017-01	M-F	9:00am-12:00pm	06/03-06/07	\$300

Age: 7-14 years

### NEW • Roblox® World Creators

Designed for all levels of Roblox® players, this Camp teaches them how to build and explore new worlds. They will program and create their own 3D Worlds to share with the Roblox® community locally and globally.

Code	Days	Time	Dates	Fee
405018-01	M-F	12:30-3:00pm	06/03-06/07	\$300

Age: 8-14 years

### NEW • Block Builders Adventure (with Roblox® and Minecraft®)

Designed for our youngest Ninjas, this Camp allows ninjas to dive deep into the world of game design and development using Minecraft® and Roblox®. They will enter pre-built worlds filled with activities and challenges that will teach key concepts about replicating the physical world in games. Covers variety of real-world topics, such as building construction, communities, flight simulation, and more.

Code	Days	Time	Dates	Fee
405019-01	M-F	9:00am-12:00pm	06/10-06/14	\$300

Age: 5-7 years

### NEW • Minecraft® Mastery: Redstone Realm

Designed for Ninjas who are expert Minecraft® players, this Camp teaches ins and outs of using Redstone to achieve the ultimate level of Minecraft® mastery, enhancing their knowledge of automation features from farming and mining to flight simulation.

Code	Days	Time	Dates	Fee
405020-01	M-F	12:30-3:30pm	06/10-06/14	\$300
405020-02	M-F	9:00am-12:00pm	08/05-08/09	\$300

Age: 8-14 years

### NEW • Ninja Robotics with LEGO®

This Camp will challenge Ninjas to use LEGO® Spike Prime robotics kits to design and build their own robots, ranging from a charging rhino to a dancing troupe. Ninjas will learn and apply the fundamentals of sensors, motors, and coding to construct their own wild creations!

Code	Days	Time	Dates	Fee
405021-01	M-F	12:30-3:30pm	06/17-06/21	\$300
405021-02	M-F	9:00am-12:00pm	07/08-07/12	\$300

Age: 7-14 years

### Adventures in Game Design

Ninjas will explore different programming concepts as they create various games inspired by Breakout, Snake, Flappy Bird, and more using a block-based programming language called Scratch—a kid-friendly, visual programming environment developed by MIT. They will be introduced to programming concepts like loops, functions, and even video detection to create their own games.

Code	Days	Time	Dates	Fee
405022-01	M-F	12:30-3:30pm	06/17-06/21	\$300

Age: 7-14 years

### Stop Motion Animation

Ninjas will experiment with video production through a variety of mediums including Claymation, LEGO® Minifigures, paper cutouts, and more! Capturing images frame-by-frame, they will produce videos in a rapid prototyping style. They will collaborate in teams during the entire design process.

Code	Days	Time	Dates	Fee
405023-01	M-F	9:00am-12:00pm	06/24-06/28	\$300

Age: 8-14 years

### Become a YouTuber

Ninjas will create and customize their own YouTube channel, design unique channel art, profile pictures, and video thumbnails. They will analyze popular YouTube videos and learn about copyrights and fair use to give them what it takes to become a YouTuber!

Additionally, they will be guided through how to record, edit, and upload videos.

Code	Days	Time	Dates	Fee
405024-01	M-F	12:30-3:30pm	06/24-06/28	\$300

Age: 9-14 years

**NEW • Jr. Inventors Workshop**

Designed for our youngest Ninjas, this Camp is all about teaching and empowering them to become the makers and creators of their own hands-on STEM projects! Ninjas will use a variety of fun tools and activities to develop their creative engineering and design skills.

Code	Days	Time	Dates	Fee
405025-01	M-W	12:30-3:30pm	07/01-07/03	\$200

Age: 5-7 years

**Create and Compete**

In this camp, we will bring classic field day activities to the next level with coded circuit board creations. Using the Makey Makey, ninjas will learn how to build & code game tools such as stopwatches, scoreboards, and more out of simple household materials like cardboard and foil. They will then create & compete in a series of fun, movement-based challenges with each other using their own inventions!

Code	Days	Time	Dates	Fee
405026-01	M-W	9:00am-12:00pm	07/01-07/03	\$200

Age: 8-14 years

**Code your own Cartoons**

Ninjas will learn how to express themselves and let their creativity shine through code as they work together to craft silly, scary, and exciting cartoons in Scratch—a kid-friendly, visual programming environment developed by MIT. Throughout this experience, Ninjas will level-up their knowledge of basic coding concepts as well as their storytelling abilities.

Code	Days	Time	Dates	Fee
405027-01	M-W	12:30-3:30pm	07/01-07/03	\$200

Age: 7-14 years

**NEW • Future Minds AI Academy**

As Artificial Intelligence (AI) becomes more present in every aspect of life, it is critical that our children have the tools and understanding to operate in this future world. This Camp teaches the fundamentals of AI development and application through a variety of activities in coding, games, and robotics. Ninjas will use their growing knowledge of AI to develop their own creations.

Code	Days	Time	Dates	Fee

**NEW • Bits & Bytes Jr. Explorers**

Designed for our youngest Ninjas, this Camp inspires a curiosity in the world of electronics and physical computing. Using a micro:bit microcontroller and a Makey Makey circuit board, they will design and build a variety of interfaces, controllers, sensors, sounds, and more.

Code	Days	Time	Dates	Fee
405030-01	M-F	9:00am-12:00pm	07/22-07/26	\$300

Age: 5-7 years

**NEW • Coding Arcade Tycoon**

This Camp gives Ninjas the opportunity to use micro:bit microcontrollers and Makey Makey circuit boards to create interactive games that combine electronics, sensors, sounds, and more. Ninjas will spend the week harnessing the power of code and designing games to present a final Carnival for all Ninjas and their families to enjoy!

Code	Days	Time	Dates	Fee
405031-01	M-F	12:30-3:30pm	07/22-07/26	\$300

Age: 8-14 years

**LEGO® Python Engineers**

This camp will use the LEGO® Education SPIKE™ Prime set to introduce ninjas to motors, sensors, and other robotics hardware that they will use to build and design autonomous robots that can think like a human, move like a self-driving car, and act like a coach! Ninjas will also learn the fundamentals of the Python Programming Language as they program each robot to navigate challenges and complete a variety of tasks.

Code	Days	Time	Dates	Fee

National Donut Day is coming June 7th and we are celebrating early! We will investigate the history of the donut while nibbling on an assortment of decadent donuts all while being social with new friends and playing donut themed games! We will also learn when we have a “hole” in our life how to strategically handle it whether it be sadness, stress, friendships, or other issue. We are calling on some of our favorite donut makers to provide gourmet donuts for this novel workshop. Kids love this light-hearted class and will leave with a few new ideas how to handle their current “holes” or future potholes they might stumble into.

**Self-Esteem Through Comedy –A Hilarious Lab Experience**

Let's get laughing. Through close observation and lab experimentation, this high-energy comedy class will offer electrifying lessons on humor such as: Impersonations, healthy gag humor, slapstick, comic strips, improv, character voices, ventriloquism, and witty situational. Whether your child is naturally funny or not, they will have the opportunity to develop and execute comedic skills, gain a higher sense of self-esteem, and perhaps learn to use humor in a social setting to be friendlier. They will also understand when comedy is taken TOO far in life. What is a heckler? What is a laugh track? What is microphone technique and comic timing? And more humor discoveries and secrets! In a world immersed in technology where everyone is looking down at a phone or tablet, children could benefit from a healthy dose of interaction and comedy! All kids leave with a humor themed souvenir.

### The Thrills And Chills of Ice Cream Science and History—A Yummy Lab Experience!

National Ice Cream Day is coming soon! Making and eating ice cream is a fun way to introduce early physics and chemistry teachings to children. Kids can become an expert on this beloved treat and billion-dollar business as we make a batch of homemade ice cream. Also, explore the science of the amusement park treat, Dippin' Dots and the first novelty ice cream treat on a stick. Then sit down for the most outrageous ice cream eating contest in town. Did anyone say BRAIN FREEZE? Who will be crowned King or Queen? This is a child's dream class and all about putting the fun back into learning and building self-esteem. This class explores both Chemical and Industrial Engineering concepts, along with how this treat evolved. Don't wear your Sunday best to this event, we will get sticky! Lots of tastings, contests, and a themed souvenir included.

### Back To School Self-Esteem and Leadership Lab

Summer is ending and kids will soon be headed back to school. As you stock up on the school supplies, don't forget self-esteem and leadership! While building these skills is a lifelong journey, this workshop is a great kick-off. This self-esteem lab experience offers incredibly fun activities and games to boost our children's gifts and talents for the 2024/2025 school year. Everyone is good at something; we just must roll up our sleeves and figure it out. Through wacky dramatizations and experiences, kids will have the chance to cultivate self-worth and will not even realize they are working on it! What to expect? Interactive games like: Resilient Rubber bands, Splat Ball Scatter, Lollipop Marathon, King's Throne, Balloon Bust, Compliment Café, and more! Kid's emotional "buckets" will get filled and will likely be overflowing with confidence when they depart this class. Research shows that children who had opportunities to build self-esteem as a child, display higher leadership skills later in life. In a self-absorbed and competitive world, garnering and keeping self-esteem is sometimes a tall order, but this class will help harness it!

## Dynamic Perception Dance Company

Dynamic Perception Dance Company opened its doors in the fall of 2012 with the hope to spread the joy of dance to anyone who wished to participate. Eleven years later and here we are, doing just that. We are beyond excited to spread our joy and passion. Owner, Jessica Garrett's hope for all dancers is to BE BOLD in all that you do, BE KIND to everyone along the way, BE YOU unapologetically, and BE DYNAMIC every day.

DPDC's main location is 766 Burr Oak Drive in Westmont. We are looking forward to meeting you-

### Youth/Adult Karate (7 years and up)

ISKC's Karate classes offer a good mix of strength training, with cardiovascular and flexibility exercises. Students increase their coordination, agility, and poise, as well as learn lasting personal safety skills. They also benefit from the mental stimulation of learning the choreographed moves of the kata and the discipline of conforming to class rules. Youth/Adult classes are also a great way to spend time with your child while conditioning muscles, developing coordination, and improving cardiovascular fitness.

# Hinsdale Recreational Summer Tennis

*with Shawna Zsinko*

**ABOUT COACH SHAWNA ZSINKO**—Shawna Zsinko has spent the past seven seasons as Hinsdale Central High School's head varsity girls' tennis coach. She led the Red Devils to a third-place finish in the state in her debut season in 2017 before winning a team state championship in 2018, 2021, and 2022! Zsinko began her high school coaching career as a volunteer assistant coach for Hinsdale Central's girls' and boys' tennis teams from 2011-2015. The two teams won a combined seven state championships in that span. Zsinko served as the girls' assistant coach in 2016 and the Red Devils won their fourth state championship.

A nationally ranked tennis player, Zsinko additionally works as the head platform tennis professional for Butterfield Country Club, while also running Family Chiropractic & Integrative Health. She has previously worked as a tennis and platform tennis professional at multiple clubs in Illinois and she and her partner are currently ranked 14th in the country. As a tennis player, Zsinko helped Hinsdale Central High School capture two team state championships while also individually placing fourth and seventh (twice) in the state. A scholarship tennis player at Purdue, Zsinko closed her career ranked in Purdue's top-10 singles victories while leading the team in wins for two seasons.

# Summer Athletic Camps

## Chicago White Sox Summer Camp

Learn from the pros this summer at a White Sox Summer Camp presented by Wintrust, with participating partner Topps! Professional coaches from the White Sox organization have helped build programs designed for kids 5-12 years at every ability level. All campers

will work on throwing, hitting, fielding, and base-running, but more importantly, they will be taught how to love the game of baseball. Instructors will supervise campers based off age and experience, and cater each experience to meet your child's needs. On top of the four (4) days of camp, each camper will receive tickets to a White Sox game (date TBD), a White Sox t-shirt, hat, and other various White Sox goodies.

*\*Premium items (Sox tickets, t-shirt, hat, and goodies) subject to change. White Sox tickets dates TBD.*

## Tai Chi

Start your day with a class in the ancient art of Chi Gung and Tai Chi Chuan and set the tone of "still like a mountain and powerful like thunder." Our classes are small and individual, and personal attention is our focus for the beginner and the advanced.

The primary benefits of training are:

- Enhance your physical balance—reduce the risk of falls
- Cultivate relaxation in stillness and movement
- Develop biomechanically—sound posture and skeletal alignments
- Strengthen the muscles, tendons and ligaments of the body
- Apply coordination through simple yet intricate movements
- Improve mental equilibrium, transform challenges into strength and wisdom
- Feel the power of silence to understand the roots of stress and poor mood.

Classes run continuously on a month to month schedule, meet twice a week and are comprehensive to beginners and advanced students.

## Let's Dance Now!

Instruction by **Let's Dance Now!** | Min/Max: 10/20

All classes are located at WCC Dance Studio, 75 E. Richmond St.

### Intro To Ballroom – Adult Dance Classes

Have a special event like a wedding or reunion coming up? Tired of tapping your feet to the music while watching others have fun? Think you were born with two left feet and looking for the right?

If you've never danced before, it can be intimidating to step through the doors of a studio and even confusing on where to begin. A great way to start is in a group class that focuses on the new dancer, our Intro to Ballroom Class. This class addresses how to learn to ballroom dance and puts everyone on the "same page", allowing the classes to move forward together. There is no dance experience needed for our intro programs as we are experienced with teaching all different variety of people with different abilities. This class is bringing together a fun environment where everyone is learning something new and in a fun and easy way. In the class you will learn everything you need to know to understand ballroom dancing, feel comfortable, be able to practice outside of class, socialize with others in the community, and most importantly, have fun!

#### What's Required?

- Pre-registration
- All dancers must agree to our liability waiver to participate in class
- All dancers must be at least 16 years old or older
- Socks, comfortable footwear, or dance shoes (dance shoes are not required for Intro to Ballroom, but once you decide you will be continuing, we can help you purchase suede-bottom dance shoes)
- Partner required
- A smile and great time!

### Intro to the Latin Program

The Latin program offers a great opportunity to grasp different Latin rhythms and music and have room to grow with no limits. We offer a set of dances in this beginners course which include bachata and salsa which are the two most popular and danced social Latin dances! Salsa will allow you to move through your body to fun up pace Latin music while bachata brings a much slower romantic vibe into the setting where you and your partner can learn to feel each other and move with flow. There are plenty of opportunities to use these skills as Chicago is known to have some of the biggest Latin dance bars and clubs. This is a perfect program for a date night and for couples to have a hobby to grow with each other and have a blast!

### Intro to Ballroom Swing Program

Swing is a dance that people often think is difficult, but actually happen to be a lot of favorites and simple to learn! You can time travel your way back to the 80's with this dance or find yourself enjoying it to today's artists. It can be danced to different genres like old school rock and roll, blues, and a variety of more modern music sang by Olly Murs and Meghan Trainor. This style is very easy to learn and give you an opportunity to use and show off at many live music outlets and bars.

# PICKLEBALL

## 101

**The nation's fastest growing sport is booming in Hinsdale! Here's what it is and how you can join the fun!**

### What is Pickleball?

A lot of us are pickled by Pickleball... we are here to help! Created in 1965, Pickleball is a sport that combines elements of tennis, badminton and ping-pong. It can be played both indoors or outdoors on a badminton sized court, with a slightly modified tennis net. The game is played with a paddle and a plastic ball with holes. Games are played as singles or doubles, and are typically 8-9 minutes long, played to eleven points. It is similar to tennis with serving, receiving and great play at the net. Pickleball is perfect for people who desire an aerobic exercise that can be done daily.

### How is it played?

Pickleball has exploded across the country because of its social component. Like tennis, players organize games with friends and family, or it is played at organized times to insure similar levels of competition.

Facilities typically designate courts and times reserved for what is referred to as "Open Play" time. During "Open Play", players are encouraged to show up and play with other community members in a round robin format. No need to organize with others, just show up with your paddle! Players are rotated in and out of short games.

### Okay, I'm interested in Pickleball!

Register for lessons or join groups playing during the designated times on the Court Schedule! If you're new to Pickleball, try dropping in during an "Open Play" time or during beginner designated hours. You'll find people willing to play with you and show you the ropes!

### Still have questions?

**Village of Hinsdale Parks & Recreation Department**  
19 E. Chicago Avenue  
(630)789-7090 | parkrec@villageofhinsdale.org

### When can I play?

The Village of Hinsdale posts a schedule on our website and at the courts when there are designated times the courts are reserved for "Open Play" or when specific skill levels are encouraged to gather for play. During these times - these groups have court priority. If there are available courts, they can be used for individual groups. Hours not included on the schedule are available for players of any nature to enjoy the courts.

The Village also offers lessons for beginners and experienced players. For more information contact the Village of Hinsdale Parks & Recreation Department.

### Where can I play?

In Hinsdale, courts are available at both Brook Park (3rd Street/Columbia) and Robbins Park (7th and Vine).

Brook Park - 6 Dedicated Pickleball Courts  
Robbins Park - 2 Courts Dual-striped on Tennis Courts

# BROOK PARK PICKLEBALL ROUND ROBIN PLAY

1. Specific ROUND ROBIN times are designated on the pickleball court schedule.
2. During designated ROUND ROBIN times anyone can use courts, but ROUND ROBIN participants have priority.
3. When courts are full and players are waiting to get access to a court, courts will be cycled after each game. If less than 12 players are waiting, cycling may be done in 2's rather than full courts.
4. Either "paddling" or the white board on the south side fence will be used to sequence the next players to use the first available vacant court.
5. People who wish to play with their set group can put themselves into the court rotation as a group. They should cycle in and out per the method indicated above.
6. Typical wait time to cycle in is between 1 and 15 minutes. Games typically last about 12-15 minutes.
7. Those wishing to play MORE THAN ONE GAME in a row with a set group of friends or family should pick a time outside of the designated ROUND ROBIN times or wait until ROUND ROBIN has slowed to allow for a court to be removed from cycling.
8. Times not listed as ROUND ROBIN are not subject to the rules listed above. Instead, courts are available on a first-come first-served basis. ROUND ROBIN may still happen during these times, but court priority goes to those that DO NOT wish to cycle into ROUND ROBIN. ROUND ROBIN groups should yield a court to any/all prearranged groups that wish to play.

7AM-10AM	Round Robin	Round Robin		Round Robin		Round Robin	
4PM-5PM							
5PM-6PM							
6PM-8PM			Round Robin		Round Robin		Round Robin

**All undesignated times are first come, first served.**

\*Priority during undesignated times are given to individual players and prearranged groups of players.

\*Groups wishing to participate in Round Robin play outside of the above designated hours should yield court space to any/all prearranged groups or individual players.

\*Court time is typically limited to 1 hour if there are other individuals or prearranged groups desiring a court. Cycling is not required.

## DEFINITIONS

**Round Robin-** A group of people, often strangers, participating in rotational play. After each short game, players will leave the court and new players will rotate in.

**Paddling-** The use of a paddle/racket to indicate a place in line of play. Often times stuck into a chain link fence or lined up on a surface.

**Cycling-** When courts are rotated after each game and waiting players in paddling system have priority.

# HINSDALE PARKS & BICYCLE ROUTE

The Village has posted a bike route through the community which should serve both recreational and functional needs. The route takes the cyclist around town, past many of the parks, and covers a trail of nearly 10 miles. As the route uses existing streets, all cyclists are urged to abide by the rules of the road and obey all traffic warnings and signs. A map of the bicycle route is illustrated on this page, and additional copies are available at the Recreation Office and the Police Station.

# Registration Information

## Registration Options

### MAIL-IN REGISTRATIONS

Complete your program registration form, including signing the waiver and mail with payment in the form of check or credit card.

**Hinsdale Parks and Recreation Department**  
**PROGRAM REGISTRATION**  
19 E. Chicago Avenue  
Hinsdale, IL 60521-3489

### DROP OFF REGISTRATIONS

Come to the Recreation Department located in the Memorial Building during normal business hours (8am – 4:30pm) to complete your program registration form or drop your completed registration in the overnight box located in the front of Village Hall (entry in circular drive on Maple Street).

### FAX REGISTRATIONS

Complete your program registration form, include your credit card information, sign the waiver and fax the registration form to (630) 789-7016.

**>>> No Telephone Registrations accepted.**

### ONLINE REGISTRATIONS ([www.villageofhinsdale.org](http://www.villageofhinsdale.org))

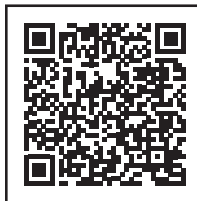

To register for any recreation program and check availability, log on to the Village of Hinsdale's website. Online registrations close at noon one business day prior to the start of the class. *Credit card information is secure.*

If you have registered for any programs or pool memberships in the past, your household will be in the database.

- Do **NOT** set up another household.
- The default user name is your home phone number (all 10 digits with no spaces or dashes). If you don't have a home phone number, that number will be the cell number used on the registration form.
- The default password is your last name.
- You may change these once you log in.
- You must have a birth date for each household member in order to register.

If you are a new client, you can set up your household by using the 'new user' link.

- Set up your household with just a primary adult household member.
- The rest of the family members can be added once the household is created.
- You can view information as a guest without having to set up a household.

Once you have logged in, you can search activities, renew pool memberships, and buy event tickets.

When you use the 'my account' tab, you have the capability of viewing registration history, changing family data and printing rosters or

calendars for your family. This is a valuable tool if you lose your registration information.

The Parks and Recreation department website and Facebook will have the most up-to-date information regarding class changes or cancellations.

## Registration Policies

1. Individuals may only register members of their immediate family.
2. Proof of residency is required at the time of registration. Residency is defined as those persons living within the corporate limits of the Village of Hinsdale.
3. The Park and Recreation Department reserves the right to cancel, postpone or combine classes as needed.
4. A program may be cancelled due to insufficient registration. A household credit will be issued.
5. Refunds/credits will not be made unless the Parks and Recreation Department cancels the program or a physician's excuse is presented. There will be a \$5.00 service charge on all cancellations. Refunds issued after a class starts will be prorated in addition to the service charge.
6. All times, dates and locations of programs are subject to change.
7. All registrations must be paid in full with cash, check, Visa, MasterCard, American Express or Discover and the Waiver signed.
8. If the {Co-Op} symbol appears, please be aware that this program enables us to provide high quality and convenient programs by joining forces with other towns or organizations. The maximums shown are available openings for Hinsdale Parks & Recreation only. Actual class sizes could be larger.
9. All registrants are expected to follow the Village of Hinsdale Code of Conduct. Please contact the Parks and Recreation Department for more information.

Individuals with disabilities who have questions regarding or who intend to participate in any of the activities or programs offered by the Village of Hinsdale, and who require accommodations to allow them to participate, should contact the Parks and Recreation Department at [parkrec@villageofhinsdale.org](mailto:parkrec@villageofhinsdale.org).

## Refund Policy

- Full refunds/credits will not be made unless the Parks and Recreation Department cancels the program or a physician's excuse is presented.
- There will be a \$5.00 service charge on all other refund/credits for all cancelled programs unless the program is cancelled by the Parks and Recreation office.
- Refunds/credits issued after the start date of a class will be prorated in addition to the service charge.
- Programs cancelled by either the Parks or Recreation Dept. or by the client will automatically go on your household account as a credit balance unless otherwise specified.
- Refunds or credits will not be given after the second class for any program.
- Refund checks will not be issued under \$25.00. All refunds will be returned in the form of a check and takes 4 – 6 weeks. *All requests for refunds must be in writing.*
- Pool memberships, visit passes and private swim lessons are NOT refundable.

## Code of Conduct

The Village of Hinsdale asks all participants and family members to observe our behavior code of conduct, which was developed to ensure enjoyable and safe program experiences. The Village of Hinsdale will attempt reasonable accommodations to enable participants to meet behavior expectations. The code of conduct can be found at [www.villageofhinsdale.org/departments/parks\\_and\\_recreation/adult\\_activities\\_and\\_leagues/registration\\_information.php](http://www.villageofhinsdale.org/departments/parks_and_recreation/adult_activities_and_leagues/registration_information.php)

***On occasion, Village staff may photograph or videotape participants in programs/classes, or at park events/facilities. These photos are for Village of Hinsdale use only, and may be used in publications, brochures, pamphlets, flyers, on-line, or on social media.***

# Hinsdale Community Swimming Pool Information

500 W. Hinsdale Avenue | (630) 789-7098/99

## 2024 Pool Membership Information

All pool members are required to have a photo identification pass for the current season from the Hinsdale Parks and Recreation Department. The pool membership pass must be swiped to gain entrance into the Hinsdale Community Swimming Pool, or the daily rate will be required. Any child two years and over needs a pool pass or must pay the daily fee.

Pool memberships are available by family or individual to Hinsdale residents (with proof of residency) and non-residents. Family members are your dependents; those persons claimed on your income tax return and living in the same household. (Verification of dependency may be required before passes are issued). Family members DO NOT include caregivers and au pairs. A nanny pass can be purchased for any caregiver. The nanny pass can only be purchased with a family membership. Grandchildren or children staying with you during the summer cannot be included on a family membership. Daily visit cards can be purchased ahead of time or the daily fee will need to be paid.

**Pool memberships and guest passes are non-refundable and non-transferable.** Proof of residency is required before any new membership will be issued. A recent utility or tax bill will need to be shown as proof of residency.

All patrons that received a pool pass in previous years can validate their cards by paying for their 2024 membership. New cards are only necessary if you did not receive a picture ID in previous years. Children can get new pass photos taken every 3 or 4 years.

New members will need to have a photo ID pass made for each member of the family two years and older. A pool membership form and the correct fees are required before passes will be issued. It is not necessary that the entire family be present at the same time for photos to be taken. Membership information is on file and passes can be made at any time during normal office hours. Pictures can also be taken at the Hinsdale Swimming Pool. **Regular pool memberships can be renewed on-line if you are renewing exactly the same type of pass.** New memberships cannot be purchased on-line as proof of residency is required.

Lost pool passes can be replaced at \$10 per person. New pictures do not need to be taken for lost passes.

## 2024 Pool Memberships

Early Bird Pool Memberships Rates on sale April 1, Regular rate begins May 1. See page XX for membership and daily fees.

## 10 Visit Passes

Receive a discount off the daily admission rate by purchasing a 10 visit pass. Passes are transferable. Visits are good only for the 2023 season. 10-visit passes from any other year are NOT valid. 10-Visit Pass costs \$90 for residents and \$130 for non-residents.

## General Pool Rules and Regulations

- Everyone entering the facility must have a valid pool pass or pay the daily admission to enter. No Exceptions.
- All residents using the pool on a daily basis must offer proof of residency (driver's license, library card, and/or utility bill) or pay the non-resident daily admission rate.
- Proper swim wear must be worn in the water—no cutoffs, shorts or street clothes are permitted.
- The facility is smoke free. Smoking is not permitted inside the facility and must be done off pool property.
- Only children 7 years and younger are permitted in the wading pool.
- If your child is not potty-trained, the Department of Public Health requires that a swim diaper and plastic pants must be worn. Disposable diapers are strictly prohibited. Please do not change babies on the deck.
- Persons under the age of 12 years must be accompanied by someone 15 years or older.
- Glass or other material that might create hazardous conditions or interfere with efficient operations of the swimming pool shall not be permitted on pool property.
- The Hinsdale Parks & Recreation Department and its staff are not responsible for damaged, lost or stolen valuables. Coin operated lockers are available. Do not bring valuables to the pool.
- Toys are permitted in the wading pool. The use of toys is prohibited in the lap pool for safety reasons. The use of rafts and flotation devices is also prohibited.
- Life jackets commonly known as Personal Floatation Devices (PFD's) with a Coast Guard rating of Class III will be allowed in facility if worn properly and with adult supervision. Parents must be within arms length of a child using a PFD.
- For their own safety, no person may ride the slides with children in their lap. Children may not wear Personal Floatation Devices while riding the water slide or using diving boards in the diving well.
- All persons visiting the pool must conduct themselves in a manner so as not to cause harm to self, others, or to interfere with the lifeguards on duty. No running, boisterous or rough play is permitted.
- Persons violating any personal conduct regulations, either written or verbal, will be subject to eviction without a refund or other disciplinary action.
- Lost and found articles will be kept for one week and then donated to charity.
- Whenever additional rules or regulations are deemed advisable for the protection of the health and safety of the patrons, the management shall put into effect such rules, either printed or verbal. Exceptions to the rules are only allowed with permission from the management.

**Parks & Recreation Master Plan Update**

2024 - **\$50,000**

2025 - **\$45,000**

**Original Purchase Date**

2001

**Project Description & Justification**

In 2001, the Village of Hinsdale completed a Master Plan for Parks & Recreation. The Master Plan included items such as expanding the lacrosse fields at KLM, rebuilding picnic shelters, improving the pool, and more were included. The 2001 Master Plan items were completed by 2017. The Master Plan will lay the foundation for an organizational framework for improving parks and recreation facilities, programs, and services to better serve the public.

The Master Plan shapes the delivery of local government parks and recreation services, programs, and activities in a manner that is consistent with a local government's comprehensive plan and policy agenda. Parks and recreation master planning also shapes successful communities, including providing a foundation for economic development. Staff will look to create a hybrid committee and offset the cost by exploring grant opportunities.

### Vehicle Description

*Make:* Ford

*Model:* F-250 Pickup

*Year:* 2012

*Useful Life:* 7 - 10 Years

*Mileage:* 43,004

*Maintenance Costs\*:* \$4,699

\*Cost is estimated based upon current records.

*Truck Unit #37 Lift Gate*

### Project Description & Justification

Unit #37 is a 2012 Ford-250 pickup truck that has a lift gate and is primarily used to empty park and downtown garbage receptacles. The vehicle also transports full-time and seasonal staff. The vehicle is also used in the winter to plow parking lots, alleys and cul-de-sacs. The Public Services Department's Vehicle Replacement Policy states that pickup trucks should be replaced on a seven to ten-year schedule; this vehicle will be 12 years old at the time of replacement.

**The vehicle will be closely evaluated at the time of recommended replacement and reprioritized if needed. Depending on condition at the time of recommended replacement, the determination will be made to keep, auction, or trade in this vehicle.**

### Project Update

The replacement has been deferred two years from the prior CIP due to the increased purchase price and supply chain issues.

### Project Alternative

Delay the purchase and continue to use the current equipment.

### Vehicle Description

*Make:* John Deere

*Maintenance Costs\*:* \$0

*\*Cost is estimated based upon current records.*

*Unit #43*

### Project Description & Justification

This request is for the replacement of a 2002 John Deere 345 tractor. This unit is used by Parks Maintenance staff primarily for dragging infields at Brook, Peirce, Robbins, and Veeck Parks. The mower is also used to fulfill landscaping requests not covered under contractual services for mowing. The Public Services Vehicle Replacement Policy recommends tractors to be replaced every 10 to 18 years. At the time of recommended replacement, this unit will be 22 years old.

**The unit will be closely evaluated at the time of recommended replacement and reprioritized if needed. Depending on condition at the time of recommended replacement, the determination will be made to keep, auction, or trade in this unit.**

**Project Description & Justification**

The CY 2023 CIP included \$180,000 for the replacement of the Burns Park Playground. This playground is the oldest playground in the Village's parks system (21 years) and is at the point where it needs replacement. Staff identified a joint purchasing program for the purchase and installation of the playground that was recently used by School District 181 at Monroe School. The joint purchasing program provides for some choice of colors and amenities within the defined budget parameters.

**Project Update**

In order to meet the CY 2023 budget under the joint purchasing program, the playground materials need to be purchased by November 1, 2023. The cost of the material purchase only is approximately \$98,310. The materials will be stored over the winter at no additional cost. Removal of the old playground equipment and installation of new equipment will begin in Spring of 2024, as soon as weather permits. Installation cost is \$78,740, for a total project cost of \$177,050.

**Project Description & Justification**

The Pavilion and Warming Hut at Burns Park is a frequently utilized space by the community. With the Pavilion structure near the Burns Park basketball court and playground, the Pavilion is often used as a gathering area in the park. The Pavilion structure needs maintenance repairs such as a re-painting. The Warming Hut Building is utilized for various recreation programming including the Ice Rink and Special Recreation. The Warming Hut Building needs maintenance repairs such as tuckpointing.

**Project Description & Justification**

The basketball court at Burns Park is one of three full length courts in Hinsdale. The basketball court and park is heavily utilized by the community. The existing asphalt on the basketball court is starting to show signs of wear and deterioration and court lines are no longer fully visible. Once replaced the lifespan is 20-25 years. This project will include a full asphalt replacement of the court, court painting, repairs to the fencing near the court and repairs to basketball hoops.

*Condition of existing courts*

**Project Description & Justification**

There are six tennis courts located at Burns Field Park. It is the primary location for recreational tennis programming, and is used by the Hinsdale Central High School Tennis teams as a secondary practice and game location. The current courts were fully restored in 2015. The courts are beginning to show signs of deterioration and wear. A crack fill and color coat are recommended for 2024. The asphalt surface has a life expectancy of 20-25 years, with the color coating and crack fill recommended every 7-10 years.

The project cost of \$150,000 includes paving, painting, and tennis net sleeves. Staff is reaching out to District 86 to discuss sharing the costs of the project.

*5903 South County Line Road*

**Project Description & Justification**

5903 South County Line Road is located within Katherine Legge Memorial Park. Constructed in 1929, the old dormitory is two stories with a partial basement. The tuck pointing is currently in fair condition, but is beginning to degrade; this work should be completed to ensure that no further damage takes place. This project was brought to staff's attention prior to the renting of this property. Any major work performed would be scheduled to take place in the summer to minimize disruption to the current tenant, the Montessori School.

**Project Update**

The project was scheduled to begin in 2023 for \$125,000, but was never started. We are scheduling now to complete \$25,000 of repairs each year through 2028 for a total of \$125,000.

**Project Alternative**

If tuckpointing is not performed, the freeze-thaw cycle will continue to degrade the brick.

*Condition of existing fence*

**Project Description & Justification**

Katherine Legge Memorial Park sees active use year-round. The current fencing surrounding the park shows signs of deterioration, including holes in the fence. Some sections need full replacement while others need extensive repairs. This project will be carried out over four budget years to spread the cost of the new fence more effectively. Each phase of fence replacement will cost approximately \$15,000 for a total of \$75,000 over five years.

*Current condition of roof*

**Project Description & Justification**

Peirce Park is the main hub for baseball in Hinsdale. It also houses the only lit baseball fields in town. The park has five baseball fields and a concession building. The roof on the concession building needs full replacement in order to protect the structure of the building. Staff will explore sharing the cost with Hinsdale Little League, as they are the main users of the building and fields.

*Current Condition*

**Project Description & Justification**

The bleachers at Peirce Park have surpassed their expected lifespan and are due for replacement. Peirce Park is main hub for baseball in Hinsdale. It houses the only lit baseball fields in town for Hinsdale Little League. The park has five baseball fields and 10 bleachers - all deteriorating beyond part replacement condition. The bleachers also do not meet current International Building Code (IBC) requirements, which require guard rails. The purchase of bleachers at multiple parks is spread out over four years 2024-2027 to minimize impact on the CIP.

**Original Purchase Date**

Unknown

*Condition of existing goals*

**Project Description & Justification**

The soccer goals at Veeck and Robbins Parks are in poor condition. In some cases, the goals are broken entirely, creating a safety hazard. These goals are heavily used by recreation programs and as part of our field rentals with groups such as American Youth Soccer Organization (AYSO). Veeck Park currently houses the Village's only lit soccer fields. The fields at Veeck and Robbins Parks generate significant field rental revenue for the Village during prime rental months of April through October each year. In 2022, the Parks and Recreation Department collected \$20,736 in field rental fees. New goals are needed to meet the high demand of the local soccer organizations. The cost of the soccer goals may vary due the volatile costs of the materials needed to produce the goal frames. It is recommended that two goals be purchased for Robbins Park at the cost of \$12,500 in 2024 and two goals at both Robbins and Veeck Park each at a cost of \$12,500 for each park in 2026.

*KLM Dining Room Floors showing staining and tile damage*

**Project Description & Justification**

The Lodge at Katherine Legge Memorial Park is utilized for private rental events such as weddings, memorial services and other social activities. The Katherine Legge Memorial Lodge was constructed in the 1920s and has a dark, gothic like appearance inside. The carpeting in the dining, alcove, office and stairs was replaced in 2015; however, the product is showing significant signs of staining and damage. Additionally, the tile laid around the carpeting is showing signs of damage and disrepair. The aesthetics of the Lodge make a strong first impression for clients that are booking the venue for their wedding or special event. The declining condition of the carpeting, along with its dated pattern, are often noted when touring potential clients. The life expectancy for this carpeting is 10 years. The recommendation is to replace the carpeting with high traffic carpet, in a more modern aesthetic. The significant facelift and consistency of flooring will help in securing more rentals of the Lodge facility. Improvements made to the Katherine Legge Memorial Lodge will allow staff to potentially increase rentals fees as a result of the upgrades.

The Lodge at Katherine Legge Memorial Park is utilized for private rental events such as weddings, memorial services and other social activities. The Katherine Legge Memorial Lodge was constructed in the 1920s and has a historical, gothic like appearance inside. The linoleum and tile flooring in the living room and alcove are showing signs of wear. There are missing pieces and chipped areas in both locations. The flooring here would be replaced with vinyl planking that has a hardwood-look and should be completed at the same time as the dining room, stairs and office floor replacement. The end result will be a significant facelift for the facility and will help secure more rentals of the facility.

*Current Sound System*

**Project Description & Justification**

The Lodge at Katherine Legge Memorial Park is a popular spot for private rental events such as weddings, birthdays, corporate events, and family gatherings. In order to attract and secure contracts for events of this kind a proper sound system is critical to providing the best experience possible. Many guests request use of the sound system to play music for their guests, or require use of a microphone for announcements or speakers. The current sound system is outdated and difficult for patrons and staff to use. The sound quality is poor, and does not provide the ability for the use of remote microphones.

**Project Description & Justification**

There are four vertical turbine pumps installed in 1992 that circulate the pool water. The pumps have a life expectancy of 12-15 years, but Village staff has established a maintenance schedule for the four pool pumps in order to extend the life of the equipment. Based on this schedule, the recommended interval between service times for each pump is generally five years.

The pool filtration system is comprised of four media vessels that house filter media: two serve the lap pool and two serve the dive well and kiddie pool. The filter media within the vessels use a combination of sand and stone to filter out particulates to improve pool water quality and disinfection. The benefits of replacing the filter media include:

- A reduction in backwashing frequency that saves make-up water consumption.
- A reduction of make-up water consumption reduces heating costs.
- The filter media reduces chemical costs as it maintains the pool water quality and an optimal environment for disinfection.

The pool filtration system was originally installed in 1992. The filter media is recommended to be replaced every 10 to 15 years. The last time the filter media was replaced was in 2008.

Below is a summary of the pump and filter media maintenance schedule. Public Services staff manages the pool maintenance and will evaluate the pumps and filter media prior to and throughout each season to ensure that they continue to operate as needed.

<b>Pool Pump/Filter Media Maintenance Schedule</b>

*Swimming Pool Heater*

**Project Description & Justification**

There are four heaters for the pool; two large heaters that heat the lap pool and two smaller heaters that heat the baby pool and dive pools. These heaters are utilized during the pool season to maintain water temperature, which is critical for chemical control and comfort. The large heaters were replaced in FY 2018-19 and one of the smaller heaters for the baby pool and dive well was replaced in 2021. The final replacement is for a non-operational smaller heater. Pool heaters typically have a life expectancy of 8 -12 years, however that is in ideal conditions. Currently, we are trying to maintain operations in the baby and dive pools with one smaller heater and it is being overworked. It is essential to replace the small heater in the 2024 pool season to prevent damage to equipment.

**Project Description & Justification**

The current Hinsdale Community Pool wading pool canopy is deteriorating over time. Over the past nine years there have been numerous structural posts and planks replaced. The canopy has also been repainted twice. The canopy was evaluated in early 2021 and staff recommended additional repairs to wood planks is needed, along with painting. This project will preserve the canopy until future pool renovation plans occur. Future pool plans do include completely replacing the canopy.

*Chair Lift and Stairs***Project Description & Justification**

The DuPage County Health Department and Americans with Disabilities Act (ADA) require certain pool amenities for entering and exiting the pool. The Village uses a chair lift and stairs to meet these requirements. The pool lift and stairs are used for those with limited mobility to enter and exit the pool safely. The current stairs are broken and may not sustain another season after the 2023 season. The current stairs are also extremely difficult to move for staff. Additionally, our current ADA lift is not functioning correctly and has dry rotted beyond use. The lift currently functions under water pressure from a hose. This means that pool staff must run a hose across the pool deck to operate the lift, creating a trip hazard for patrons and staff. A battery-powered lift would eliminate this issue. This replacement will require a permit issued by the State of Illinois.

*Proposed New Tables*

**Project Description & Justification**

Katherine Legge Memorial Park is the 52-acre jewel of the Village's Parks and Recreation Department. The park is popular for a wide range of recreation programs, as well as picnics and special events, all of which utilize its 47 picnic tables. The existing wooden picnic tables have deteriorated and are beyond repair. Staff recommends replacing these tables with vinyl coated steel tables to match those already in the KLM Park picnic shelters and at other parks. These tables will match the current aesthetic standard set by the park benches and garbage cans currently being utilized. This project will be split over four years to help defray costs, with a total of \$60,000 being spent to bring the tables up to standard.

Full Restoration Completed in 2017

*Condition of existing courts***Project Description & Justification**

There are two tennis courts and a basketball court at Stough Park, which are used regularly for resident recreation. The court surface shows deterioration: portions of the overlay are worn, and cracks have developed across the court surface. The courts were last resurfaced in 2017. This project will include crack fill and color coating that will rejuvenate the surface. With annual maintenance, the crack fill and color coating estimated life expectancy of 7-10 years. Full restorations should have a life expectancy 20-25 years. However, freeze and thaw cycles have affected the lifespan and caused cracks throughout the surfacing. We have received complaints from residents in regards to the court's conditions.

*Pool Painting*

**Project Description & Justification**

The baby and dive pools need re-painting. The baby pool is utilized mainly by youth under the age of 8, while the dive pool serves older patrons. They currently have areas where the paint is worn down to concrete. Painting the pool not only makes it look nicer, but it reduces water loss through the bare concrete and prevents algae growth. This will also ensure patron safety as current conditions have rough areas that are ground down and patched.

*Hinsdale Community Swimming Pool*

**Project Description & Justification**

The Village's pool facility has shown an increase in visual defects since the previous Village pool facility audit was completed in 2010. In response to identifying these defects in detail, the Public Services and the Parks and Recreation Departments have solicited proposals from architectural firms that specialize in aquatics and pool engineering. Williams Architects/Aquatics was retained to conduct a pool audit, which identified a number of repairs that need to be made to the pool facility. In order to spread out the cost of the repairs, the required work has been prioritized and will be completed in phases.

The following repairs are scheduled for Phase 3-4 in 2025 and supported with additional funding from a PARC Grant and Misc. State Revenue:

- Provide new stainless-steel strainer walls in the dive pool/wading pool
- Provide new stainless-steel strainer walls in the lap pool surge tank.
- Refinish existing raindrop water feature and kiddie slide in wading pool.
- Install more shade structures / replace wood shade structure
- Replace valves and gear boxes in surge pits
- Landscaping work
- Professional services
- Install a 125 KVA Voltage Regulator"

**Project Update**

Williams Architects was hired in 2023 to completed and price out work for the next phases. They are assisting with applications for PARC grants. The Village has also received a Department of Commerce and Economic Opportunity (DCEO) grant in 2023 in the amount of \$250,000 for pool renovations

*Forestry Pick-Up Truck #13*

### Project Description & Justification

Replacement of a 2015 half ton pick-up truck with plow. Unit #13 is primarily used for park maintenance and equipment transfer. In the winter, this vehicle is used for plowing parking lots, cul-de-sacs, alleys. The current unit will be ten years old at the time of replacement.

**The vehicle will be closely evaluated at the time of recommended replacement and reprioritized if needed. Depending on condition at the time of recommended replacement, the determination will be made to keep, auction, or trade in this vehicle.**

*Burns Field Lighting*

**Project Description & Justification**

There are four athletic field lights at Burns Field; the fixtures are mounted on utility poles. The utility poles life expectancy declines each year as the wood deteriorates from the inside out. In addition, the heads on the light fixtures will be due for replacement. The replacement poles are made of aluminum and would have energy efficient light fixtures; it is expected that newer technology will reduce the foot-candle of light exposure. The life expectancy of the new poles is 30+ years.

The area is illuminated for ice skating during the winter months, as well as American Youth Soccer Organization (AYSO) programs during warmer months. At the time of recommended replacement, staff will pursue grant funding opportunities that may be available through ComEd or other organizations. The Village will also attempt to recover a portion of the cost of the project from the organizations that make regular use of the field.

**Project Description & Justification**

The Robbins Park Neighborhood Playground serves not only the residents within the local neighborhood, but also the families of Madison school and the Community House Day Camps. It is a heavily used playground. The current playground equipment was installed in 2002. The lifespan of a playground is generally 20 years. Regularly inspected and maintained playgrounds can remain safe and within industry standards. Village staff thoroughly inspects and maintains all Village playgrounds on a biannual basis. In order to sustain a proper schedule for playground renewal/replacement, adequate funding needs to be allocated towards replacement. The actual replacement schedule will be adjusted yearly based upon each playground's current condition and usage.

*Current Bathrooms at KLM Lodge*

**Project Description & Justification**

The Lodge at Katherine Legge Memorial Park is utilized for private rental events such as weddings, memorial services, and a bevy of other social activities. The Lodge was constructed in the 1920s and has a dark appearance inside the historic building. The bathrooms are very dated and show signs of deterioration, especially related to the flooring, wall colors, fixtures and lighting. Included in the renovation is a plan to further insulate the outer walls, preventing maintenance staff from having to wrap water pipes to prevent freezing in winter months. The end result will be a significant facility facelift to the facility and to ensure further ADA needs are met.

**Project Description & Justification**

The roof at the pool is showing signs of wear and the gutters are falling off the building in some places causing water to pond next the building causing foundation damage. Water also is leaking from the roof in the locker rooms and storage closet. Some of these leaks are occurring on electrical equipment. As time goes on the leaks will begin causing structure damage and deterioration. This project would include a new roof on the pump house, concessions and the locker rooms preserving the building structure for another 20+ years.

*Flagg Creek Underpass*

**Project Description & Justification**

Flagg Creek flows through the north end of KLM Park carrying the majority of the water from South of 55th Street from Madison Street to Flagg Creek. The flow of the water has caused deterioration of the asphalt bridge and the area around the access road. The creek bed erosion encroaches on the trees along the creek. Staff recommends that an engineering study be undertaken to evaluate the conditions and solutions to stabilize the road and creek bed. Work in the creek will require working with multiple entities, including the Illinois Department of Natural Resources, the U.S. Army Corp of Engineers, Flagg Creek Sanitary District, the Metropolitan Water Reclamation District, and the Village of Burr Ridge.

**Project Update**

The Village's Public Services & Engineering staff is researching whether in-house measures can be taken to address the deterioration of the creek bed. If a solution is reached, this study will be removed from the CIP.

*KLM Patio*

**Project Description & Justification**

The Lodge at Katherine Legge Memorial Park is a popular spot for events such as weddings, birthdays, corporate events, and family gatherings. The current patio layout makes it difficult to accommodate large-scale outdoor events. Guests using tents must place half of their tent on the patio, leaving the other half to rest on the grass. This is not ideal, as rain during an event means that half of the tent is resting in mud instead of on the patio. Staff has provided a short-term solution of spreading woodchips to mitigate this issue. Expanding the patio would eliminate the need to spread woodchips and would create a solid surface for guests to set up their tents.
