

CONSTRUCTION NOTICE

July 21, 2020

REVISION

Project Description

Linden & Sons has rescheduled curb and concrete driveway apron installations for **S Elm St and Orchard Place** to **Wednesday, July 29th - Friday, July 31st**. These operations will require a full street closure. We urge residents to use alternate parking locations. Curb replacements are scheduled to be completed by Friday, July 31st, weather permitting.

Project Locations

- S Elm St (E Chicago Ave to First St)
- Orchard Place (E Chicago Ave to First St)

Impacts to Residents

The scheduled concrete construction will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. In order to avoid conflicts, please relocate your vehicles to an alternate location on **Tuesday night, July 28th**. **Access to the street and driveways will be affected as the curbs are prepared and poured. The fresh concrete will need 4-5 days to cure before traffic will be allowed over the curbs. Access to all properties will be restored on Friday, August 7th**. Please use caution and plan accordingly. **Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.**

Alternate Parking Locations

- For Orchard Pl, use First St (Elm St to Oak St - Maintain a 30 foot clearance from all intersections.)
- For S Elm St, use First St (Elm St to Park Ave - Maintain a 30 foot clearance from all intersections)

The Village's Police Department has been notified of this alternative parking arrangement for daily and overnight periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at https://www.villageofhinsdale.org/departments/public_services/accelerated_road_program.php
