In order to avoid conflicts, please relocate your vehicles to an alternate location on **Wednesday night, September 16th. Access to the street and driveways will be affected. Access to all properties will be restored on Friday, September 18th.** Please use caution and plan accordingly. *Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.*

Liquid prime (FRESH OIL) will be sprayed on the pavement at 5:00 AM Thursday, September 18, 2020. To avoid tracking prime onto driveways and other streets, please relocate your vehicles to the alternate parking locations.
