

UTILITY CONSTRUCTION NOTICE

March 3, 2021

Project Description

ComEd/Intren will begin installation of new infrastructure on **Chicago Ave /Symonds Drive (West of Garfield St to Park Ave.)** on **Monday, March 8, 2021 (weather permitting)**. The scope of work will involve parkway and street excavations along Chicago Ave, Symonds Drive, and Park Ave. The new infrastructure will be directionally bored between excavated pits to reduce parkway and street disturbances. The contractor will be verifying the integrity and location of existing sanitary sewer and water services prior to the start of construction. These operations will require a partial street closure and street parking will be prohibited for the duration of this work. The contractor will mobilize equipment and materials to the project site for the duration of the project. **ComEd/Intren anticipates completing this portion of work by March 15, 2021 (weather permitting). The remainder of the project is scheduled for a June 30th completion date.**

Project Locations

- W Hinsdale Ave (Clay St to Vine St – in south parkway)
- S Vine St (Hinsdale Ave to Chicago Ave – in west parkway)
- **W Chicago Ave (Vine St to Garfield St – under north pavement)**
- **Symonds Drive (Garfield St to Park Ave – in north parkway)**

Impacts to Residents

Construction operations will take place from **7:00 AM to 5:00 PM (Monday – Saturday)**. During the project activity, street parking along the project route will be prohibited. Partial street closures are to be expected which may temporarily delay travel through the work zone. ***For everyone's safety and to expedite the construction process, residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.***

Questions
