

CONSTRUCTION NOTICE

March 4, 2021

Project Description

John Neri Construction will begin watermain improvements on **W. Chicago Ave (Washington St to Stough St)** on **Monday, March 15, 2021 (weather permitting)**. The scope of work will involve parkway and street excavations along Chicago Ave for the installation of new watermain, new fire hydrants, new water services, and pavement patching. These operations will require partial street closures and street parking will be prohibited. The contractor will mobilize equipment and materials throughout the site for the duration of the project. JNC anticipates completing this work by **July 16, 2021 (weather permitting)**. Upon completion, the Street Resurfacing Project for Chicago Ave (Garfield St to Washington St) will commence.

Project Locations

- W Chicago Ave (Washington St to Stough St) **STREET WILL BE CLOSED TO THRU TRAFFIC, LOCAL TRAFFIC ONLY.**

Impacts to Residents & Businesses

Construction operations will take place from **7:00 AM to 5:00 PM (Monday – Friday)**. During the project activity, street parking along the project route will be prohibited. Partial street closures are to be expected, which may temporarily delay travel through the work zone. In order to avoid conflicts, residents may use Maple St or Chestnut St as an alternate route. **Access to all properties will be maintained.** **For everyone's safety and to expedite the construction process, residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines.**

Questions

Please contact Al Diaz, Assistant Village Engineer, at 630-789-7029 or by email at adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.
