

CONSTRUCTION NOTICE

April 1, 2021

Project Description

The Village contractor, **John Neri Construction**, will begin water service transfers on **W Chicago Ave (Washington St to Lincoln St)** on **Tuesday, April 6th – Friday, April 9th, 2021**. The contractor will notify each resident 20 minutes before the transfer. Each service transfer will take about 90 minutes to complete. The contractor will use an outdoor spigot to flush the service line after the connection is made (if available). Residents will need to bleed the air out of their interior plumbing by removing the faucet screens and running water for a few minutes. Once the air is flushed from the faucet, you may then flush the toilets. **Do not flush any toilets until all the air is bled out of the faucets.** If you experience a loss in water pressure, please contact the Water Dept. (630-789-7053) to schedule a meter inspection.

The water service transfers are scheduled to be completed by **Friday, April 9, 2021**.

Project Locations

- W Chicago Ave (Washington St to Lincoln St – including **Fullers Service Center**)

Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, parking will be prohibited. Access to the street and driveways will be affected by construction operations.

Please use alternate side streets to avoid any conflicts with these activities. ***Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines.***

The Village's Police Department has been notified of this activity.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will be provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services
