

CONSTRUCTION NOTICE

April 16, 2021

Project Description

The Village contractor, **John Neri Construction**, will begin pavement patching operations on **W Chicago Ave (Washington St to Vine St)** on **Monday, April 19, 2021**. The patching activity will continue through **Friday, April 23rd**, weather permitting. Pavement patching will be in concrete. Patches that cross driveways will be plated to maintain access. Barricades and warning tape will be placed at the perimeter of the patches for protection. Barricades, tape, and road plates will be removed after four days or curing.

Project Locations

- W Chicago Ave - Washington St to Vine St

Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, street parking will be prohibited. **Access to Chicago Ave will be affected by construction operations.** Please use alternate side streets for detour and daily parking to avoid any conflicts with these activities. **Avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines. Please advise of any special deliveries or needs as soon as possible so that we may coordinate with our contractor.**

Alternate Parking Locations

- Use side streets for alternate parking and maintain a 50 foot clearance from all intersections.

The Village's Police Department has been notified of this alternative parking arrangement for daily periods.

Questions

Please contact the Al Diaz, Assistant Village Engineer at 630-789-7029 or by email adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.

Project updates will provided to residents on the Village website at http://www.villageofhinsdale.org/departments/public_services
