

CONSTRUCTION NOTICE

June 11, 2021

Project Description

The Village contractor, **John Neri Construction**, will resume water service transfers for the Courtyards of Hinsdale Townhomes on **Wednesday, June 16, 2021**. The main townhome connection/service transfer will take about three (3) hours to complete. The contractor will use an outdoor spigot to flush the service line after the connection is made (if available). Residents will need to bleed the air out of their interior plumbing by removing the faucet screens and running water for a few minutes. Once the air is flushed from the faucet, you may then flush the toilets. **Do not flush any toilets until all the air is bled out of the faucets.** If you experience a loss in water pressure, please contact the Water Dept. (630-789-7053) to schedule a meter inspection.

The water service transfers are scheduled to be completed by **Wednesday, June 16, 2021**. (weather permitting)

Project Locations

- W Chicago Ave at S Clay St – The Courtyards of Hinsdale Townhomes

Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, parking will be prohibited. Access to the Chicago Ave will be affected by construction operations. Measures will be taken to limit damages to the lawn. All disturbed areas will be restored during the parkway restoration activities.

Please use alternate side streets to avoid any conflicts with these activities. ***Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines.***

The Village's Police Department has been notified of this activity.
