

CONSTRUCTION NOTICE

July 1, 2021

Project Description

Suburban General Construction will resume storm sewer improvements on **E Eighth St, on July 9, 2021**. The scope of work will involve the replacement of the existing storm inlets (**Garfield St to County Line Rd**). These operations will require partial street closures and street parking will be prohibited. The contractor will mobilize equipment and materials throughout the site for the duration of the project. Suburban General anticipates completing this work by **Friday, July 16, 2021 (weather permitting)**.

Project Locations

- East Eighth St (Garfield St to County Line Rd)

Impacts to Residents & Businesses

Construction operations will take place from **7:00 AM to 5:00 PM (Monday – Friday)**. During the project activity, street parking along the project route will be prohibited. Partial street closures are to be expected, which may temporarily delay travel through the work zone. In order to avoid conflicts, residents may use alternate side streets for daily and overnight parking. **Access to all properties will be restored at the end of each day, with the exception of curb paving operations (residents should plan accordingly).** *For everyone's safety and to expedite the construction process, residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use caution. Maintain garbage and recycling routines. ALL residents are requested to mark the locations of their sprinklers heads (and invisible dog fences) in order to limit damages. The contractor will be responsible for repairing sections they damage.*

Questions

Please contact Al Diaz, Assistant Village Engineer, at 630-789-7029 or by email at adiaz@villageofhinsdale.org with any questions or concerns. Thank you for your patience and cooperation.
