

CONSTRUCTION NOTICE

July 1, 2021

Project Description

The Village contractor, **Suburban General Construction**, will begin water service transfers for **E 8th St (Oak St to County Line Rd)** on **Tuesday, July 6 thru Thursday, July 8, 2021**. The water service transfer will involve disconnection from the old main and reconnection to the new main and will take about 90 minutes each to complete (water will not be available during the transfer). The contractor will use an outdoor spigot to flush the service line after the connection is made (if available). Residents will need to bleed the air out of their interior plumbing by removing the sink faucet screens and running water for a few minutes. Once the air is flushed from the faucet, you may then flush the toilets. **Do not flush any toilets until all the air is bled out of the faucets.** If you experience a loss in water pressure, please contact the Water Dept. (630-789-7053) to schedule a meter inspection.

The water service transfers are scheduled to be completed by **Thursday, July 8, 2021**. (weather permitting)

Project Locations

Impacts to Residents

Construction activities will take place from 7:00 AM to 5:00 PM. During the project activity, parking will be prohibited. Access to E 8th St will be affected by construction operations. Measures will be taken to limit damages to the lawn. All disturbed areas will be restored during the parkway restoration activities.

Please use alternate side streets to avoid any conflicts with these activities. ***Residents should avoid the construction zones as much as possible. If travel through the work zone is necessary, please use extreme caution. Maintain garbage and recycling routines.***

The Village's Police Department has been notified of this activity.
